SHERAZADE, AGED 17, DARK CURLY HAIR, GREEN EYES, MISSING Sherazade is seventeen, Algerian, and a runaway in Paris. Although she has no morals, no scruples, no politics, no apparent emotional depth and little education, Sherazade remains curiously unattached but innocent in the city's underworld of drop-outs, outcasts, political activists and junkies. With honesty and lyricism this novel exposes the various issues that affect a young woman living in a city which is both sophisticated and provincial, liberal and conservative, tolerant and prejudiced. In Paris, Sherazade is pursued by Julian, the son of French-Algerians who is an ardent Arabist. Pigeon-holed by Julian into the traditional exotic mold, Sherazade endeavors to create her own definition of Algerian femininity and in doing so breaks down conventions and stereotypes. It is Julian's obsession with her that spurs her on to self-discovery and to make decisions about her future. Sherazade is about a young woman haunted by her Algerian past. It is a powerful account of a person who searches for her true identity but is caught between worlds—Africa and Europe, her parents' and her own, colony and capital. Ultimately it is an account of possession, identity and the realities of urban life today and what can happen when society fails to acknowledge its younger generations.

Thierry Viallat était loin d'imaginer, ce jeudi de visites à domicile, dans quelle expérience hallucinante mais pourtant incroyablement réelle il serait brutalement plongé. Après une série de tonneaux se concluant par un coma profond, Thierry ouvre les yeux sur un univers invraisemblable. Son esprit d'homme totalement lucide, il enregistre avec stupéfaction la nouvelle donnée de son existence: il est enfermé... dans un corps de chien. Après l'angoisse du premier choc viendront les questionnements abyssaux. Après la résignation viendra la découverte de capacités nouvelles. À travers cette aventure stupéfiante, Thierry Viallat touchera à une part insoupçonnée de son humanité... Si l'un se réveille dans la peau d'un chien, d'autres ne comprennent pas comment leur animal est devenu surdoué... Autour d'une situation improbable, Claude Samson interroge la condition humaine entre deux fous rires. Mélangeant absurde, légèreté et psychologie, un récit décalé et passionnant à conseiller à ceux et celles qui s'étonnent parfois d'exister.

Malko balaya le bar du regard sans rien apercevoir de suspect. Jusqu'à ce qu'il baisse les yeux, découvrant quelque chose sous la banquette, là où il était assis : une valise métallique. En une fraction de secondes, il comprit. Il se leva d'un bond, si brutalement qu'il renversa le guéridon et sa vodka. Tout en se ruant vers le hall, il lança à la serveuse éberluée : "Bistro ! Davai !" Stupéfaite, elle ne bougea pas. Malko jaillit du bar, le pouls à 150, sachant qu'il avait la mort aux trousses.

During the International Congress for Hypnosis and Psychosomatic Medicine, held in Paris from April 28th to 30th 1965 under the patronage of the World Federation for Mental Health, about one hundred papers were presented and the following panel discussions held: Electroencephalography and Hypnosis, chairman Prof. H. FISCHGOLD (Paris); The Teaching of Hypnosis, chairmen Dr. C. CEDERCREUTZ (Hamina) and Dr. H. ROSEN (Baltimore); Hypnosis and Pain, chairman Dr. M.H. ERICKSON (Phoenix); Hypnosis and the Psychotropic Drugs, chairman Dr. B.B. RAGINSKY (Montreal). The official languages of the Congress (German, French and English) were not always the speakers' mother tongues. A certain amount of editing was therefore necessary before publication, and this retarded the printing. Approximately half of the papers appear in this volume. We wish to thank the following organizations for the help they granted the Congress. Prof. J. The Complete Prophecies of Nostradamus DigiCat

Clara is a sadist and hysteric, who delights in witnessing flayings, crucifixions and numerous tortures, all done in beautifully laid out and groomed gardens, and explaining the beauty of torture to her companion—the narrator. Her hysterical orgasm and resulting exhaustion is a curious exploration of pain and pleasure and made this novel a truly erotic BDSM masterpiece! Excerpt: "One evening some friends were gathered at the home of one of our most celebrated writers. Having dined sumptuously, they were discussing murder—apropos of what, I no longer remember probably apropos of nothing. Only men were present: moralists, poets, philosophers and doctors—thus everyone could speak freely, according to his whim, his hobby or his idiosyncrasies, without fear of suddenly seeing that expression of horror and fear which the least startling idea traces upon the horrified face of a notary. I—say notary, much as I might have said lawyer or porter, not disdainfully, of course, but in order to define the average French mind..."

Kidnapped and sold into slavery in the American South, freeman Solomon Northup spent twelve years in bondage before being freed. *Twelve Years a Slave* is Northup's moving memoir, revealing unimaginable details of the horrors he faced as a slave on Southern plantations, and his unshakable belief that he would return home to his family. Written in the year after Northup was freed and published in the wake of Harriet Beecher Stowe's *Uncle Tom's Cabin*, Northup's story was quickly taken up by abolitionist groups and news organizations as part of the fight against slavery, and continues to resonate more than a century after the end of the American Civil War.

Ruth Finnegan's *Oral Literature in Africa* was first published in 1970, and since then has been widely praised as one of the most important books in its field. Based on years of fieldwork, the study traces the history of storytelling across the continent of Africa. This revised edition makes Finnegan's ground-breaking research available to the next generation of scholars. It includes a new introduction, additional images and an updated bibliography, as well as its original chapters on poetry, prose, "drum language" and drama, and an overview of the social, linguistic and historical background of oral literature in Africa. This book is the first volume in the World Oral Literature Series, an ongoing collaboration between OBP and World Oral Literature Project. A free online archive of recordings and photographs that Finnegan made during her fieldwork in the late 1960s is hosted by the World Oral Literature Project (<http://www.oralliterature.org/collections/rfinnegan001.html>) and can also be accessed from publisher's website.

In many respects, this volume is a pioneer effort in anthropological literature. It remains firmly part of the genre of cooperative research, or "interdisciplinary research," though at the time of its original publication that phrase had yet to be coined. Additionally, this work is more theoretical in nature than a faithful anthropological record, as all the essays were written in New York City, on a low budget, and without fieldwork. The significance of these studies lies in the fact that Cooperation and Competition Among Primitive Peoples was the first attempt to think about the very complex problems of cultural character and social structure, coupled with a meticulous execution of comparative study.
