Three seemingly disparate women in
Israel are united by a troubling secret in
this psychological thriller. When Orna
meets Gil on an online dating site, their
lackluster affair seems like nothing more

than a way to stave off the pain of her recent divorce. But soon it becomes clear that Gil may not be exactly who he claims to be. And Orna's own lies may be weaving an unexpected trap for her. Set against the turbulent backdrop of the gritty Holon neighborhood in Tel Aviv, this enigmatic and intelligent novel is in fact an intricate puzzle. Mishani's first standalone book explores Israel's forgotten margins, unearthing complicated layers, conflicts, and prejudices. At turns shocking, deceptive, and subversive, *Three* is a slow burning psychological thriller from one of Israel's most beloved writers. "[A] thoughtful puzzle mystery. . . . To be sure, there are scenes of genuine terror But there are also surprising plot twists and smart character insights, not to mention some terrific Tel Aviv street scenes." —Marilyn Stasio, *The New York Times Book Review* "Mishani . . . displays a superior gift for psychological suspense in this taut and twisty standalone. . . . Mishani imbues his flawed, plausibly-drawn characters with a deep melancholy, spinning the noirish elements into a deeply satisfying conclusion. Mishani demonstrates a real flair for literary crime fiction."

Despite being a mystical beauty with supernatural powers beyond any human abilities, there is this one guy who manages to completely get under her skin. 17-year-old Serena can't escape her true destiny any longer. She is transformed into a Siren and has to get used to a new name, new powers, and constantly attracting every man's glance. Guided by her new family members, she faces the challenge of attending High School among humans without appearing different. When Alex, the most attractive guy, reciprocates her

love, she seems to finally accept her fate. However, two secrets are yet to be revealed, and Serena has to make a tough choice. This is the compelling first novel in the *Heart of Power* trilogy. S. L. Giger manages to add a refreshing breeze to fantasy by successfully introducing us to the world of Sirens in our modern age. - A great and innocent but nevertheless thrilling paranormal teen romance. Must read!!

(reviewsbyjules) Interview with the author Q: How did you get the ideas for this book? A: I love books like Harry Potter, Twilight, and The Hunger Games but so far, I've only always concentrated on writing contemporary romances. When I was traveling through South East Asia the weird, twisted roots in the jungle inspired me that there could be a whole different world inside ours and so I tried to add a paranormal element to my romance writing and turn it into an urban fantasy romance. Q: So, are there more books by you, which your readers can enjoy? A: Well, there's the sequel of *Heart of Power* (*Rise of the Siren*). Inside "*Heart of Power: Awakening of the Siren*", you will find a link that will let you download it for free. Plus, I wrote another romance novel. "A sketch of what you mean to me" is a cancer love story and was published in February 2017. Q: You work a full-time job? So, when do you find the time for writing? A: Anytime I can get. On the train, before work, after work, in airports, on a plane. Sometimes I feel a bit anti-social because I much rather would want to be home writing instead of going out on a Friday evening. I have to find a balance but I feel like writing gives me more energy because it's something I really want to do. Q: You mentioned planes and airports. Do you like to travel? A: I love exploring beautiful places and I use

every chance I can get to travel. I also try to keep up to date with my travel blog, which you find on my website www.swissmissontour.com Q: Who will like the Heart of Power Series? A: People who enjoy reading an urban fantasy mystery or a paranormal teen romance. However, I wouldn't say it's a young adult novel only. If you like Vampire books, I'd say the chance is big that you also like Siren books. I hope I can give something new to the readers since Siren's aren't yet as explored as vampires. I address topics like having to leave your family and friends and finding your way in a new environment, how while growing up and even as an adult you are faced with choices every day and it's important that you make a decision but that you also accept the consequences and of course, in Heart of Power, you will find the million butterflies, which you feel when you find the right guy for you and the insecurities love brings. Ebook categories: Urban fantasy romance, paranormal teen romance This book is very original and unique, in the sense that offers us a new, fresh, and modern glance at what it would be like for a Siren to exist and try to live among us a normal life. I loved S. L. Giger's take on the matter, how she presented us with the struggle Serena, who was now called Nathalie, as her old self is supposed to be dead, faced in her new life. The writing was easy, fast-paced, and smooth, and I would totally love to get to know more about Nathalie's story! (review by Caterina)

Don't Let Me Go Pocket Books/Star Trek
More than 250,000 readers made this the No. 1 best selling ebook in Germany 2016. Now finally available in English, too! A story of deep love. A story of trust, courage, pain, despair, and the strength to let go. A true story. Jessica has an uncomplicated life and a promising future. Leaving the house one evening, she has no idea that she's about to meet the love of her life - and that her entire understanding of the world is about to change. Before long, she's going to face a decision that will shape her forever ... In So Near the Horizon, Jessica Koch describes a life lived somewhere between hope and fear, confronting true events from her own past with raw honesty and frank reflection - and exploring more than one difficult subject along the way. Reading sample (...) "Why?" I tried to meet his eyes, but he shut them, avoiding my gaze. His fingernails dug into the skin on his bare arms, and he pursed his lips grimly. Slowly, I scooted toward him. "Talk to me, Danny, please," I said, trying to pry one of his arms loose. But the more I tugged, the more rigidly he kept them crossed against his body as he shrank away from me as far as he could inside the cramped car. For a moment, I was afraid he would simply get out and walk away. Too close, a voice whispered inside me. You're much too close to him! I let go of his arm so I could slide back into my seat, and he relaxed almost instantly. He took several deep, slow breaths before opening his eyes and blinking at me through his long lashes. "You know why," he whispered. "And someday I'll tell you myself. I promise. Be patient with me." About the author Jessica Koch was born in

Ludwigsburg, Germany, and began writing short stories when she was still in high school - but never submitted her work to publishers. Shortly after finishing school, she met Danny, a German-American dual citizen. Her experiences with him eventually formed the basis for *So Near the Horizon*, though it was nearly thirteen years before she felt ready to bring the manuscript to the public. The author describes a life lived somewhere between hope and fear, between optimism and despair. She reflects on events from her own past with raw honesty, confronting more than one difficult subject along the way. Jessica Koch's dramatic debut novel, *Dem Horizont so nah (So Near the Horizon)*, broke every record when it hit stores in Germany. Released in 2016 through a small, independent publishing house, the e-book was an instant success, selling over 250,000 copies in just a few months and topping the Amazon bestseller list for more than six weeks - which made it the number-one bestselling German-language ebook of 2016! Since then, one of Germany's largest publishing houses has purchased the rights to this riveting and highly emotional memoir. The foreign rights have been picked up in numerous countries, and the feature film is scheduled to arrive in theaters at the end of 2018. Jessica Koch lives near the city of Stuttgart with her husband, their son, and two dogs. The second and third books in the trilogy, *So Near the Abyss* and *So Near the Ocean*, are already best-sellers in Germany as well.

#1 NEW YORK TIMES BESTSELLER | A REESE'S BOOK CLUB PICK "A great narrative about personal strength and really captures how books bring communities together." —Reese Witherspoon From the author of the forthcoming *Someone Else's Shoes*, a breathtaking story of five extraordinary

women and their remarkable journey through the mountains of Kentucky and beyond in Depression-era America Alice Wright marries handsome American Bennett Van Cleve, hoping to escape her stifling life in England. But small-town Kentucky quickly proves equally claustrophobic, especially living alongside her overbearing father-in-law. So when a call goes out for a team of women to deliver books as part of Eleanor Roosevelt's new traveling library, Alice signs on enthusiastically. The leader, and soon Alice's greatest ally, is Margery, a smart-talking, self-sufficient woman who's never asked a man's permission for anything. They will be joined by three other singular women who become known as the Packhorse Librarians of Kentucky. What happens to them--and to the men they love--becomes an unforgettable drama of loyalty, justice, humanity, and passion. These heroic women refuse to be cowed by men or by convention. And though they face all kinds of dangers in a landscape that is at times breathtakingly beautiful, at others brutal, they're committed to their job: bringing books to people who have never had any, arming them with facts that will change their lives. Based on a true story rooted in America's past, *The Giver of Stars* is unparalleled in its scope and epic in its storytelling. Funny, heartbreaking, enthralling, it is destined to become a modern classic--a richly rewarding novel of women's friendship, of true love, and of what happens when we reach beyond our grasp for the great beyond.

From the New York Times–bestselling author of *My Brilliant Friend*, this novel of a deserted wife’s descent into despair—and rage—is “a masterpiece” (*The Philadelphia Inquirer*). *The Days of Abandonment* is the gripping story of an Italian woman’s experiences after being suddenly left by her husband after fifteen years of marriage. With two young children to care for, Olga finds it more and more difficult to do the things she used to: keep a spotless house, cook meals with creativity and passion, refrain from using obscenities. After running into her husband with his much-younger new lover in public, she cannot even refrain from assaulting him physically. In a “raging, torrential voice” (*The New York Times*), Olga conveys her journey from denial to devastating emptiness—and when she finds herself literally trapped within the four walls of their high-rise apartment, she is forced to confront her ghosts, the potential loss of her own identity, and the possibility that life may never return to normal. “Quick, furious, simultaneously steely and unhinged, and completely mesmerizing.” —*The New York Times* “Intelligent and darkly comic.” —*Publishers Weekly* “Remarkable, lucid, austere, honest.” —*The New Yorker*
