Adrienne von Speyr, a renowned mystic and spiritual writer from Switzerland, was received into the Catholic Church at the age of 38 on the Feast of All Saints, 1940, by one of the theological giants of the 20th century, Fr. Hans Urs von Balthasar. He

became her spiritual director and confessor until her death in 1967 during which time Adrienne was favored with many gifts of authentic mystical prayer. Balthasar considered one of the central characteristics of Adrienne's prayer to be her transparency to the inspirations she received from God, along with a deep personal communion with the saints. Over a period of many years, Adrienne would see the saints (and other devout people) at prayer, and she would dictate what she saw to Fr. von Balthasar - while she was in a state of mystical prayer. Through a unique charism, she was able to put herself in the place of various individuals to see and describe their prayer, their whole attitude before God. Not all of her subjects are saints in the strict sense of the word, but all struggled, with varying degrees of success, to place their lives at the disposal of their Creator. This book presents these unique mystical insights into the prayer lives of many saints taken from Adrienne's direct visions of them in prayer. Among the long list of saints in this book are St. John the Apostle, St. Augustine, St. Francis, St. Thomas Aquinas, St. Ignatius of Loyola, St. Teresa of Avila, St. John of the Cross, St. John Bosco, St. Bernadette, St. Dominic, St. Edith Stein and many, many more. In this powerful spiritual work, the reader is able to participate in the devotional and spiritual life of the Church throughout the centuries by learning how numerous saints and devout people prayed, thus reflecting on the timelessness and beauty of the prayer of the Church.

In each generation, heroes of the Faith, whom the Church recognizes as saints, emerge. There are many characteristics that they have in common, but none thus far have used cell phones, played PlayStation video games, or searched for information on Google. That is about to change. A young "computer geek" named Carlo Acutis, who created a website cataloguing every reported Eucharistic miracle in the world and died of leukemia a year later at age fifteen, was beatified in November 2019, after a healing miracle in Brazil was attributed

to his intercession. Since the beatification ceremony one year later, solemn crowds have been filing past the exposed relics of the blessed youth in Assisi's Church of Santa Maria Maggiore. Carlo is a sign of contradiction in the modern world who serves as a heroic model for today's young people--a teenager who programmed computers and enjoyed films and comics yet lived as an authentic and sincere disciple of Christ. In these pages, you'll discover how he embraced the Faith as a boy and developed the virtues necessary to live a Christ-centered life in a secular society, how he overcame the vices that plagued him, and how he gracefully dealt with heartaches he could not divulge even to his parents. When he developed leukemia, he offered his suffering both for Pope Benedict XVI and for the Catholic Church, saying: "I offer all the suffering I will have to undergo for the Lord, for the Pope, and the Church." In this surprising and inspiring book, you'll also learn: How Carlo became holy, in only a few short years The young man's unusual loneliness and how he dealt with it His strategy for resisting peer pressure How he had fun without losing control and learned to resist gluttony How he interacted with teen girls who became his friends Why his explanations about the Mass are used in today's catechism classes in Italy How he dealt with friends who were sexually promiscuous and what he told them How he responded to the shocking news that he was dying (which happened two weeks later) His remarkable Eucharistic Miracles Exhibition--made possible by his computer skills--that is now touring churches all over Europe
