The heart of Jesus is sacred, and the lessons and examples it provides to us are paramount in our daily mission to follow in His footsteps. Max Lucado poses the question "what if, for one day and night, your heart was replaced by the heart of Christ?" That thought-provoking question leads to many personal revelations demonstrating that we can recast our hearts to be more like that of Jesus, and the blessings created by the transformation will unleash ripples to the widest edges of our lives and those around us.

In *Jesus Christ: God's Love Made Visible* the students encounter Jesus Christ, the Second Person of the Trinity. This course leads the students toward a deeper understanding of Divine Revelation, the Trinity, the Incarnation, Jesus, salvation, and discipleship as a response to God's love. The second edition of our popular *Living In Christ* series offers updated navigation, organizing and synchronizing curriculum across both teacher guides and student books. The student books have shifted from a section-part-article structure to a unit-chapter-article structure where sections become units and a part is now a chapter.

Based on Kurt Bennett's popular-ish blog *God Running, Love Like Jesus* begins with the story of how after a life of regular church attendance and Bible study, Bennett was challenged by a pastor to study Jesus. That led to an obsessive seven-year deep dive. After pouring over Jesus' every interaction with another human being, he realized he was doing a much better job of studying Jesus' words than he was following Jesus' words and example. The honest and fearless revelations of Bennett's own moral failures affirm he wrote this book for himself as much as for others. *Love Like Jesus* examines a variety of stories, examples, and research, including: -Specific examples of how Jesus communicated God's love to others. -How Jesus demonstrated all five of Gary Chapman's love languages (and how you can too). - The story of how Billy Graham extended Christ's extraordinary love and grace toward a man who misrepresented Jesus to millions. -How to respond to critics the way Jesus did. -How to love unlovable people the way Jesus did. -How to survive a life of loving like Jesus (or how not to become a Christian doormat). - How Jesus didn't love everyone the same (and why you shouldn't either). -How Jesus guarded his heart by taking care of himself--he even napped--and why you should do the same. -How Jesus loved his betrayer Judas, even to the very end. With genuine unfiltered honesty, *Love Like Jesus* shows you how to live a life according to God's definition of success: A life of loving God well, and loving the people around you well too. A life of loving like Jesus.

In researching Jesus's emotional life, Episcopal priest and Day1 producer and host Peter Wallace came

across a scanned copy of Robert Law's book, *The Emotions of Jesus*, in the Internet Archive. He found it to be a brilliant jewel of a book that flashes light on the facets of Jesus's emotions and personality, brightening our understanding and appreciation of who Jesus was, how he lived, what it must have been like to be with him, and follow him. Law's century-old text has been carefully revised for a contemporary audience, without diminishing its beauty. Wallace addresses obscure wording and gender bias and provides background information and notes in order to ensure a fresh appreciation by modern readers. The result is a new approach to understanding Jesus, the wholly human one, who embodied a range of emotions as we do, and who serves as a model for living bold, authentic, and fervent lives today as followers of the way of love. Questions for meditation or discussion are included with each chapter.

John Eldredge revises and updates his best-selling, renowned Christian classic. God designed men to be dangerous, says John Eldredge. Simply look at the dreams and desires written in the heart of every boy: To be a hero, to be a warrior, to live a life of adventure and risk. Sadly, most men abandon those dreams and desires—aided by a Christianity that feels like nothing more than pressure to be a "nice guy." It is no wonder that many men avoid church, and those who go are often passive and bored to death. In this provocative book, Eldredge gives women a look inside the true heart of a man and gives men permission to be what God designed them to be—dangerous, passionate, alive, and free.

Have you ever wondered where the abundant life Scripture promises is, and how you seem to have missed it? Do you ever catch yourself saying, "Those were the best years of my life?" A failed relationship, a health crisis, a job loss, the death of a loved one—all can cause us to hide out, go numb, give up. Before we even know it, we're simply coping with life instead of living it to the fullest. It happens to most of us at one point or another. For author and Bible study teacher Denise Hildreth Jones, it happened in the wake of her devastating divorce. But she fought desperately to reclaim her God-designed heart, and now, in her transparent, authentic style, Denise challenges you to do the same. Sharing stories from her own journey and others she's walked alongside, Denise will help you identify ways you've given your heart to "lesser gods" like performance, people-pleasing, and control, and how to find your way back to God's design for your life—to laughing, loving, and living life to the fullest.

As Christians, we know that we are new creations in Jesus. So we try to act differently, hoping this will make us more like Him. But changing our outward behavior doesn't change our hearts. Only by God's grace can we be transformed internally. Renovation of the Heart lays a biblical foundation for understanding what best-selling author Dallas Willard calls the "transformation of the spirit"—a divine process that "brings every element in our being, working from inside out, into harmony with the will of God." This fresh approach to spiritual growth explains the biblical reasons why Christians need to undergo change in six aspects of life: thought, feeling, will, body, social context, and soul. Willard also outlines a general pattern of transformation in each area, not as a sterile formula but as a practical process that you can follow without the guilt or perfectionism so many Christians wrestle with. Don't settle for complacency. Accept the challenge

Renovation of the Heart offers to become an intentional apprentice of Jesus Christ, changing daily as you walk with Him.
