Rome and the Mediterranean 290 to 146  
BC Cornell University Press

The Roman Republic: A History for Students is an approachable and engaging textbook that equips students with the foundational information and research they need to better understand ancient Roman history and culture. Written to pique the interest of students with scant previous knowledge of Roman history, the concern of the book is less with what that history is than what that history means. Throughout the text, students are challenged to think critically, ask big questions, and explore grand concepts.

Each of the book's 12 chapters offers an exploration of key moments in Roman Republic history, beginning with the dramatic story of the last king's overthrow and ending with the assassination of Julius Caesar. The basic terms and concepts needed to understand Roman politics and religion are provided in the first two chapters, and each subsequent chapter introduces students to a different aspect of Roman society and culture, such as food and dining, the military, money, the Latin language, and roads and aqueducts. The Roman Republic is part of the Cognella Antiquity Series, a collection of textbooks that explore the emergence and development of ancient civilizations. The books examine how ancient ideas, empires, social structures, art, literature,

and religious beliefs emerged in response to the challenges faced by ancient people as their worlds expanded and changed. Ancient Rome I John Wiley & Sons  
A History of the Roman People provides a comprehensive analytical survey of Roman history from its prehistoric roots in Italy and the wider Mediterranean world to the dissolution of the Roman Empire in Late Antiquity ca. A.D. 600. Clearly organized and highly readable, the text's narrative of major political and military events provides a chronological and conceptual framework for chapters on social, economic, and cultural developments of the periods covered. Major topics are treated separately so that students can easily grasp key concepts and ideas. **The Ancient Romans** Routledge

Trieste Publishing has a massive catalogue of classic book titles. Our aim is to provide readers with the highest quality reproductions of fiction and non-fiction literature that has stood the test of time. The many thousands of books in our collection have been sourced from libraries and private collections around the world. The titles that Trieste Publishing has chosen to be part of the collection have been scanned to simulate the original. Our readers see the books the same way that their first readers did decades or a hundred or more years ago. Books from that period are often spoiled by imperfections that did not exist in the original. Imperfections could be in the form of blurred text, photographs, or missing pages. It is highly unlikely that this would occur with one of our books. Our extensive quality control ensures that the readers of Trieste Publishing's books will be delighted with their purchase. Our staff has thoroughly reviewed every page of all the books in the collection, repairing, or if necessary, rejecting titles that are not of the highest quality. This process ensures that the reader of one of Trieste Publishing's titles receives a volume that

faithfully reproduces the original, and to the maximum degree possible, gives them the experience of owning the original work. We pride ourselves on not only creating a pathway to an extensive reservoir of books of the finest quality, but also providing value to every one of our readers. Generally, Trieste books are purchased singly - on demand, however they may also be purchased in bulk. Readers interested in bulk purchases are invited to contact us directly to enquire about our tailored bulk rates.

*The World of Ancient Rome [2 volumes]*  
Routledge

Taking the history of the world as its basis might seem a mammoth task but this fascinating book does just that, breaking the whole lot down into ten enthralling chapters that cover the ages and the world, from the Bronze Age up until the end of the Second World War. With over 5,500 years to choose from, and a whole world of events, you can be sure there is no shortage of intriguing history to explore. From the first empires and civilizations, through the Ancient world of the Middle East and Africa; the Parthian Empire; the Golden Age of India; the

ancient dynasties of China; the founding of Rome and the Roman republic; Peruvian cultures; The Middle Ages; the Byzantine Empire; Mayan culture; the Crusades; the rise of the Ottoman Empire; the Renaissance - this far-reaching book will test the knowledge of any history lover and provide the ultimate challenge for even the most knowledgeable historian. With questions ranging through multiple choice, truth or fiction, maps and pictures, you will find there is always something new to learn about the world.

*Aspects of Roman History AD14-117* charts the history of the Roman Imperial period, from the establishment of the Augustan principate to the reign of Trajan, providing a basic chronological framework of the main events and introductory outlines of the major issues of the period. The first half of the book outlines the linear development of the Roman Empire, emperor by emperor, accenting the military and political events. The second half of the book concentrates on important themes which apply to the period as a

whole, such as the religious, economic and social functioning of the Roman Empire. It includes: a discussion of the primary sources of Roman Imperial history clearly laid out chapters on different themes of the Roman Empire such as patronage, religion, the role of the senate, the army and the position of women and slaves designed for easy cross-referencing with the chronological outline of events maps and illustrations a guide to further reading. Richard Alston's highly accessible book is designed specifically for students with little previous experience of studying ancient/Roman history. Aspects of Roman History provides an invaluable introduction to Roman Imperial history, which will allow students to gain an overview of the period and will be an indispensable aid to note-taking, essay preparation and examination revision.

*The History of Rome, Books 1 to 8* Univ of California Press

□Ancient Rome I□ provides an overview of the origins and growth of the Roman Empire up to the First Triumvirate of Caesar, Pompey, and Crassus. Special emphasis is given to the sociology of life in Ancient Rome□the lives of ordinary

women, children, and families□as well as to the great political and cultural achievements which shaped the course of the Western world. Internal and external conflicts are also vividly documented in this richly illustrated text. Challenging map exercises and review questions encourage meaningful reflection and historical analysis. A unit test and answer key are included.

“This book will be of the greatest service . . . a scholarly and convenient presentation of a vast array of facts.” -Times Literary Supplement  
In this well-written and well-researched social history, F. R. Cowell succeeds in making Life in Ancient Rome alive and dynamic. The combination of acute historical detail and supplementary illustrations makes this book perfectly suited for the student preparing to explore classics, as well as the tourist preparing to explore twentieth-century Rome. Lucid and engaging, Life in Ancient Rome is for anyone seeking familiarity with the

greatness that was Rome.

*A Companion to the Roman Empire*  
Routledge

This carefully crafted ebook: "THE HISTORY OF THE DECLINE AND FALL OF THE ROMAN EMPIRE (All 6 Volumes)" is formatted for your eReader with a functional and detailed table of contents. The History of the Decline and Fall of the Roman Empire is a book of history which traces the trajectory of Western civilization (as well as the Islamic and Mongolian conquests) from the height of the Roman Empire to the fall of Byzantium. The work covers the history of the Roman Empire, Europe, and the Catholic Church from 98 to 1590 and discusses the decline of the Roman Empire in the East and West: I. The first period may be traced from the age of Trajan and the Antonines, when the Roman monarchy, having attained its full strength and maturity, began to verge towards its decline; and will extend to the subversion of the Western Empire, by the barbarians of Germany and Scythia, the rude ancestors of the most polished nations of modern Europe. This extraordinary revolution, which subjected Rome to the power of a Gothic conqueror,

was completed about the beginning of the sixth century. II. The second period commences with the reign of Justinian, who, by his laws, as well as by his victories, restored a transient splendor to the Eastern Empire. It will comprehend the invasion of Italy by the Lombards; the conquest of the Asiatic and African provinces by the Arabs, who embraced the religion of Mahomet; the revolt of the Roman people against the feeble princes of Constantinople; and the elevation of Charlemagne, who, in the year eight hundred, established the second, or German Empire of the West III. The last and longest period includes about six centuries and a half; from the revival of the Western Empire, till the taking of Constantinople by the Turks, and the extinction of a degenerate race of princes. Edward Gibbon (1737-1794) was an English historian and Member of Parliament.

The Destruction of Ancient Rome

Delacorte Press

Rarely, if ever, does a new writer dazzle us with such a vivid imagination and storytelling, flawlessly capturing the essence of a land, a people, a legend. Conn Iggulden is just such a writer, bringing to vivid life one of the most fascinating eras in human history. In a true masterpiece of historical fiction, Iggulden takes us on a breathtaking journey through ancient Rome, sweeping us into a realm of tyrants and slaves, of dark intrigues and seething passions. What emerges is both a grand romantic tale of coming-of-age in the Roman Empire and a vibrant portrait of the early years of a man who would become the most powerful ruler on earth: Julius Caesar. On the lush Italian peninsula, a new empire is taking shape. At its heart is the city of Rome, a place of glory and decadence, beauty and bloodshed. Against this vivid backdrop, two boys are growing to manhood, dreaming of battles, fame, and glory in service of the mightiest empire the world

has ever known. One is the son of a senator, a boy of privilege and ambition to whom much has been given and from whom much is expected. The other is a bastard child, a boy of strength and cunning, whose love for his adoptive family—and his adoptive brother—will be the most powerful force in his life. As young Gaius and Marcus are trained in the art of combat—under the tutelage of one of Rome’s most fearsome gladiators—Rome itself is being rocked by the art of treachery and ambition, caught in a tug-of-war as two rival generals, Marius and Sulla, push the empire toward civil war. For Marcus, a bloody campaign in Greece will become a young soldier’s proving ground. For Gaius, the equally deadly infighting of the Roman Senate will be the battlefield where he hones his courage and skill. And for both, the love of an extraordinary slave girl will be an honor each will covet but only one will win. The two friends are forced to walk different paths, and by the time they meet again everything will have changed. Both will have known love, loss, and violence. And the land where they were once innocent will be thrust into the grip of bitter

conflict—a conflict that will set Roman against Roman . . . and put their friendship to the ultimate test. Brilliantly interweaving history and adventure, Conn Iggulden conjures a stunning array of contrasts—from the bloody stench of a battlefield to the opulence of the greatest city in history, from the tenderness of a lover to the treachery of an assassin. Superbly rendered, grippingly told, Emperor, The Gates of Rome is a work of vaulting imagination from a powerful new voice in historical fiction.

**The Roman Empire** Bloomsbury Publishing USA

The early history of Rome is a fascinating and complex subject, and in this classic work, Titus Livius offers a comprehensive account of the city's first eight centuries. From the legendary founding of the city by Romulus to the rise of the Roman Republic, this epic narrative is a must-read for anyone interested in ancient history and the foundations of Western civilization. This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work is in the "public domain in the United States of

[Ancient Rome on the Silver Screen](#)

Cambridge Stanford Books

This textbook provides comprehensive coverage of the political, military, and social history of ancient Rome from the earliest days of the Republic to its collapse and the subsequent foundations of the empire established by Augustus prior to his death in AD 14. Interspersed through the discussion of the political history of the period are crucial chapters on all aspects of Roman culture, including women, religion, slavery and manumission, overseas conquests and their impact, and life in the city of Rome, giving students a full understanding of republican society, culture, and politics. With over 130 maps, illustrations, and photographs, *The Ancient Romans* is lavishly illustrated, with a particular emphasis on coins as a valuable

historical resource. It also closely references the authors' sourcebook, *Ancient Rome: Social and Historical Documents from the Early Republic to the Death of Augustus*, second edition,

allowing students to engage with the documentary evidence and written sources in a deep and meaningful way. *The Ancient Romans: History and Society from the Early Republic to the Death of Augustus* is an indispensable resource for

undergraduate students of the Roman Republic and its society and culture, as well as offering a comprehensive and compelling introduction for the interested reader.
