artistic exercises and projects to discover your style and grow as an artist. Follow the fully illustrated step-by-step guides and get inspiring advice and encouragement from practicing artists. Kickstart your creativity and develop your own style with *Artist's Painting Techniques*. *D'Artiste - Character Design* National Geographic Books "D'artiste Matte Painting presents the skills and techniques of leading Hollywood matte painters Alp Altiner, Dylan Cole, and Chris Stoski. The book takes readers through the matte painting techniques used to create breathtaking, photo-realistic sets and backdrops for films including *Star Wars: Episode III, Revenge of*

the Sith and the Lord of the Rings trilogy"-- Amazon.

*Good and Cheap* John Wiley & Sons

A perfect and irresistible idea: A cookbook filled with delicious, healthful recipes created for everyone on a tight budget. While studying food policy as a master's candidate at NYU, Leanne Brown asked a simple yet critical question: How well can a person eat on the \$4 a day given by SNAP, the U.S. government's Supplemental Nutrition Assistance Program informally known as food stamps? The answer is surprisingly well: Broiled Tilapia with Lime, Spicy Pulled Pork, Green Chile and Cheddar Quesadillas, Vegetable Jambalaya, Beet and Chickpea

Salad—even desserts like Coconut Chocolate Cookies and Peach Coffee Cake. In addition to creating nutritious recipes that maximize every ingredient and use economical cooking methods, Ms. Brown gives tips on shopping; on creating pantry basics; on mastering certain staples—pizza dough, flour tortillas—and saucy extras that make everything taste better, like spice oil and tzatziki; and how to make fundamentally smart, healthful food choices. The idea for *Good and Cheap* is already proving itself. The author launched a Kickstarter campaign to self-publish and fund the buy one/give one model. Hundreds of thousands of viewers watched her video and

donated \$145,000, and national media are paying attention. Even high-profile chefs and food writers have taken note—like Mark Bittman, who retweeted the link to the campaign; Francis Lam, who called it “Terrific!”; and Michael Pollan, who cited it as a “cool kickstarter.” In the same way that TOMS turned inexpensive, stylish shoes into a larger do-good movement, Good and Cheap is poised to become a cookbook that every food lover with a conscience will embrace.

Schuster

Dylan Thomas Sprouse and Cole Mitchell

Sprouse (born August 4, 1992) are American actors. They are twins and are collectively referred to as Dylan and Cole Sprouse or the Sprouse brothers, usually abbreviated as Sprouse Bros. Their first major theatrical film role was in *Big Daddy*, where they starred alongside Adam Sandler. They later appeared in several television sitcoms and starred in the straight-to-DVD films, *I Saw Mommy Kissing Santa Claus* and *Just for Kicks*. This book is your ultimate

resource for Dylan and Cole Sprouse. Here you will find the most up-to-date information, photos, and much more. In easy to read chapters, with extensive references and links to get you to know all there is to know about Dylan and Cole Sprouse's Early life, Career and Personal life right away. A quick look inside: Dylan and Cole Sprouse, A Dream Is a Wish Your Heart Makes, Alyson Stoner, Apple Jack, Arezzo, Big Daddy (1999 film), Brenda Song, Calabasas, California, Cody Martin, Disney Channel Circle of Stars, Disneymania 4, Emily Osment, Friends, Gallatin School of Individualized Study, Holidayze: The Christmas That Almost Didn't Happen, I Saw

Mommy Kissing Santa Claus (film), Just for Kicks (2003 film), MADtv (season 3), Ross Geller, Snow Buddies, The Astronaut's Wife, The Emperor's New School, The Heart Is Deceitful Above All Things, The Kings of Appletown, The Nightmare Room, The Suite Life Movie, The Suite Life of Zack, The Suite Life on Deck, Wizards on Deck with Hannah Montana, Zack Martin, Cole Sprouse 184 and more pages! Contains selected content from the highest rated entries, typeset, printed and shipped, combining the advantages of up-to-date and in-depth knowledge with the convenience of printed books. A portion of the proceeds of each book will be donated to the Wikimedia Foundation

to support their mission.

Liner Notes On Parents, Children, Exes, Excess, Decay & A Few More Of My Favourite Things

Springer

‘Liner Notes is, unsurprisingly, as good as its author’s songs, with moments of sharp humor alternating with real-life pain, and vivid reflections on love, death, and the whole damn thing. Loudon Wainwright is a true original: not like anyone else, just as he set out to be.’ Salman Rushdie In the late 1960s, Loudon Wainwright III established himself as a loner, deliberately standing outside the conventional. He recorded his first album in 1969, full of raw, angry poetry, but it was the 1972 novelty song ‘Dead Skunk’ that

brought him popular recognition.

Wainwright’s songs are as hilarious as they can be painful. In Liner Notes, he details the family history and fractured relationships that have informed him: the alcoholism, infidelities and competitiveness; the successes, joys and love. Wainwright writes poignantly about being a son, a parent, a brother and a grandfather while re-printing selections from his father’s columns and meditating upon family, inspiration and art. As plain-speaking on the page as in his songs, Wainwright lays everything bare in this heartfelt memoir of music and family. His lyrics adorn and inform the text, amplifying his prose and connecting

his songs to the life he led. 'He is unafraid and clear-eyed about the events of his life – and utterly engaging.'

Rosanne Cash 'Fans of the self-lacerating, painfully funny

Wainwright III will find the memoir they want here'

### *Matte Painting* Penguin

Writing and Enjoying Haiku shows how haiku can bring a centered, calming atmosphere into one's life, by focusing on the outer realities of life instead of the naggings of the inner mind, by gaining a new appreciation for the world of nature, and by preserving moments, days, and events so that they are not lost forever in the passage of time. Haiku are clearly shown to be a means of discovering and recording the miracles of the world, from the humorous to the tragic. This is one

of the major themes underlying Writing and Enjoying Haiku — that haiku can provide a way to a better life. After looking at why the reading and writing of haiku is important from a spiritual point of view, the book shows, as has never been done before, the techniques of writing—the when and the where, punctuation and capitalization, choice of words, figures of speech, sharing haiku, and much, much more. Having come this far, having learned to read and write haiku with a discerning mind, the reader will never again look upon the world in quite the same way.

**The Case for Marriage** Penguin  
Plumb the depths of core motion design fundamentals and

harness the essential techniques of this diverse and innovative medium. Combine basic art and design principles with creative storytelling to create compelling style frames, design boards, and motion design projects. Here, in one volume, Austin Shaw covers all the principles any serious motion designer needs to know in order to make their artistic visions a reality and confidently produce compositions for clients, including:  
Illustration techniques  
Typography  
Compositing  
Cinematography  
Incorporating 3D elements  
Matte painting  
Concept development, and much more  
Lessons are augmented by illustrious full color

imagery and practical exercises, allowing you to put the techniques covered into immediate practical context. Industry leaders and pioneers, including Karin Fong, Bradley G Munkowitz (GMUNK), Will Hyde, Erin Sarofsky, Danny Yount, and many more, contribute their professional perspectives, share personal stories, and provide visual examples of their work. Additionally, a robust companion website ([www.focalpress.com/cw/shaw](http://www.focalpress.com/cw/shaw)) features project files, video tutorials, bonus PDFs, and rolling updates to keep you informed on the latest developments in the field.

*Design for Motion* John Wiley & Sons

The basis for the new

Amazon Prime Original Series! Perfect for fans of E.T. and Stranger Things—the first narrative artbook from acclaimed author and artist Simon Stålenhag about a fictionalized suburban town in the 1980s inhabited by fantastic machines and strange, imaginative beasts. In 1954, the Swedish government ordered the construction of the world’s largest particle accelerator. The facility was complete in 1969, located deep below the pastoral countryside of Mäläröarna. The local population called this marvel of technology The Loop. These are its strange tales. From the same author who wrote the imaginative artbook *The Electric State*, this “haunting,” (The Verge) “sophisticated sci-fi”

(The Nerdist) follows the bizarre stories from otherworldly creatures and is a page-turner you won't be able to put down.

The Poetry of Kabbalah

Omnibus Press

A groundbreaking look at marriage, one of the most basic and universal of all human institutions, which reveals the emotional, physical, economic, and sexual benefits that marriage brings to individuals and society as a whole. The Case for Marriage is a critically important intervention in the national debate about the future of family. Based on the authoritative research of family sociologist Linda J. Waite, journalist Maggie Gallagher, and a number of other scholars, this book's

findings dramatically contradict the anti-marriage myths that have become the common sense of most Americans. Today a broad consensus holds that marriage is a bad deal for women, that divorce is better for children when parents are unhappy, and that marriage is essentially a private choice, not a public institution. Waite and Gallagher flatly contradict these assumptions, arguing instead that by a broad range of indices, marriage is actually better for you than being single or divorced— physically, materially, and spiritually. They contend that married people live longer, have better health, earn more money, accumulate more wealth, feel more

fulfillment in their lives, enjoy more satisfying sexual relationships, and have happier and more successful children than those who remain single, cohabit, or get divorced. *The Case for Marriage* combines clearheaded analysis, penetrating cultural criticism, and practical advice for strengthening the institution of marriage, and provides clear, essential guidelines for reestablishing marriage as the foundation for a healthy and happy society. "A compelling defense of a sacred union. *The Case for Marriage* is well written and well argued, empirically rigorous and learned, practical and commonsensical." -- William J. Bennett, author of *The Book of*

*Virtues* "Makes the absolutely critical point that marriage has been misrepresented and misunderstood." -- *The Wall Street Journal* [www.broadwaybooks.com](http://www.broadwaybooks.com)  
*Digital Painting Techniques* Taylor & Francis  
*Sleeping Beauty* remains one of the most celebrated of all fairy tales. First published by Charles Perrault in 1697, his vision of the ageless, enchanted princess slumbering in her vine-encrusted tower has fascinated readers and artists for more than 300 years - three times as long as the heroine slept. This heavily-illustrated book will trace the history of that fascination, which has manifested itself in literature, fine art, poetry, music and film.

Includes lots of behind the scenes content for 2014's new film Maleficent, starring Angelina Jolie. Exodus by Tebbo This is a comprehensive book that gives aspiring artists an honest, informative, and concise look at what it takes to become a concept artist in the video game industry. Author Elliott Lilly uses his own student work as a teaching tool along with personal experiences to help you on your journey. From finding the right school and getting the most out of your education, to preparing your portfolio and landing your first job, the advice and strategies Elliott offers are organized for easy reference and review. The book also features

an extensive list of resources that students will find useful, as well as interviews with renowned concept artists David Levy, Sparth, Stephan Martiniere, Ben Mauro, and Farzad Varahramyan, all offering their own invaluable advice. **Kingdom of the Wicked** Good Press "Laux writes gritty, tough, lyrical poems that depict the actual nature of life in the West today."—Philip Levine The narrative poems in Dorianne Laux's fifth collection charge through the summer of love, where Vietnam casts a long shadow, and into the present day, where she compassionately paints the smoky bars, graffiti, and addiction of urban life. Laux is

"continually engaging and, at her best, luminous" (San Diego Union-Tribune). from "To Kiss Frank," make out with him a bit, this is what my friend would like to do oh these too many dead summers later, and as much as I want to stroll with her into the poet's hazy fancy all I can see is O'Hara's long gone lips fallen free of the bone, slumbering beneath the grainy soil.
