Karan Johar is

synonymous with success, panache, quick wit, and outspokenness, which sometimes inadvertently creates controversy and makes headlines. With his flagship Dharma Production, he has constantly challenged the norms, written and rewritten rules, and set trends. But who is the man behind the icon that we all know? Baring all for the first time in his autobiography, *An Unsuitable Boy*, KJo reminisces about his

* Tiger populations the world over are

endangered* A unique look at individual tigers and family groups* Written and photographed by a former government official, actress and photographer well-versed in Ranthambhore's more remote locations Ranthambhore National Park is a vast wildlife reserve in Rajasthan, northern India. It is a former royal hunting ground and home to tigers, leopards and marsh crocodiles. Its landmarks - both natural and manmade - include the imposing 10th-century Ranthambhore Fort, the Ganesh Mandir temple, and Padam Talao Lake, known for its abundance of water lilies. It is one of the world's finest places to view wildlife. The Park is also a crucial tiger habitat. As Rajasthan's former Minister for

Tourism, as well as for Forests and the Environment, Bina Kak had unprecedented access to the Park. There she focused on individual tigers, tigresses, and tiger families. Unlike other photography books on the Park, this book focuses on the unique traits - or personalities - of single animals or groups, for example how a male tiger mothered his cubs when they were separated from the tigress. Her stunning photographs include views not easily accessible or are completely unavailable to other photographers, and will certainly appeal to conservationists, environmentalists, travelers, those interested in nature photography, or anyone engaged with the future of these magnificent animals.

There was a time when children used to go to their grandpa and grandma often. In a playful way, they would learn and absorb the beautiful values of life. But today, when everyone is becoming busier, at such a time, it is only the stories which can bring us closer to the future generation. Those moments at night before sleeping, when we and our little ones enjoy the stories together, are

invaluable. In these moments, unknowingly, the love between us becomes stronger, and the children learn the first lesson of their lives—the value of beautiful relationships. The attempt has been to see each story through the eyes of a child, and to listen to each story with the ears of a child, and understand it with a child's heart. The effort has been that if there is any word which pricks their innocent minds, then that should not reach them through the medium of these stories. The effort here has been that each story has a positive end, from which the dreams of the children get a positive beginning.

'Extraordinary ... details what makes women characters iconic in Hindi cinema and analyses them in relation to their directors and more importantly to the society at that point of time' -Rani Mukerji It's been a long hundred years since Dadasaheb Phalke had to settle for a man to play the heroine in India's first feature film, *Raja Harishchandra* (1913) -

and women in Hindi cinema have come a long way since then. *Mother Maiden Mistress* documents that journey: from a time in which cinema was considered a profession beneath the dignity of 'respectable' women to an era when women actors are icons and idols. Bhawana Somaaya, Jigna Kothari and Supriya Madangarli sift through six decades of history, bringing to life the women that peopled cinema and the popular imagination, and shaped fashion and culture. Contemporary readers will also find here a nuanced historical perspective - of the social milieu of the time, of the nation and of Hindi cinema itself. Also riveting are the first-person narratives of a leading actress from each decade - Waheeda Rehman, Asha Parekh, Hema Malini, Shabana Azmi, Madhuri Dixit and Rani Mukerji - all close-up examinations of how some of the iconic characters of Hindi cinema came to be. At once a guide, an archive and a cracking good read, the book records and reviews the woman in Hindi cinema - the mythical, the Sati-Savitri, the rebel, the avant-garde and the contemporary. In

a journey through six decades of cinema, seemingly, the more things have changed, the more they have remained the same.

methodological dimensions of feminist film history, essays on silent and studio era women in film, and histories of female filmmakers in a variety of non-Western contexts. Akshay Kumar Routledge Indian Film Stars offers original insights and important reappraisals of film stardom in India from the early talkie era of the 1930s to the contemporary period of global blockbusters. The collection represents a substantial intervention to our understanding of the development of film star cultures in India during the 20th and 21st centuries. The contributors seek to inspire and inform further inquiries into the histories of film stardom-the industrial construction and promotion of star personalities, the actual labouring and imagined lifestyles of professional stars, the stars' relationship to specific aesthetic cinematic conventions (such as frontality and song-dance) and production technologies (such as the play-back system and post-synchronization), and audiences' investment in and devotion to specific star bodies-across the country's multiple centres

of film production and across the overlapping (and increasingly international) zones of the films' distribution and reception. The star images, star bodies and star careers discussed are examined in relation to a wide range of issues, including the negotiation and contestation of tradition and modernity,

the embodiment and articulation of both Indian and non-Indian values and vogues; the representation of gender and sexuality, of race and ethnicity, and of cosmopolitan mobility and transnational migration; innovations and conventions in performance style; the construction and

transformation of public persona; the star's association with film studios and the mainstream media; the star's relationship with historical, political and cultural change and memory; and the star's meaning and value for specific (including marginalised) sectors of the audience.
