Basic jazz techniques such as improvisation are broken down and explained for classically trained flutists and others who have an interest in playing jazz music but do not know where to begin. The Garland Handbook of Latin American Music is comprised of essays from The Garland Encyclopedia of World Music: Volume 2, South America, Mexico, Central America, and the Caribbean, (1998). Revised and updated, the essays offer detailed, regional studies of the different musical cultures of Latin America and examine the ways in which music helps to define the identity of this particular area. Part One provides an in-depth introduction to the area of Latin America and describes the history, geography, demography, and cultural settings of the regions that comprise Latin America. It also explores the many ways to research Latin American music, including archaeology, iconography, mythology, history, ethnography, and practice. Part Two focuses on issues and processes, such as history, politics, geography, and immigration, which are responsible for the similarities and the differences of each region's uniqueness and individuality. Part Three focuses on the different regions, countries, and cultures of Caribbean Latin America, Middle Latin America, and South America with selected regional case studies. The second edition has been expanded to cover Haiti, Panama, several more Amerindian musical cultures, and Afro-Peru. Questions for Critical Thinking at the end of each major section guide focus attention on what musical and cultural issues arise when one studies the music of Latin America -- issues that might not occur in the study of other musics of the world. Two audio compact discs offer musical examples of some of the music of Latin America.

To play the flute with a clear and convincing sound depends on the understanding of the physical concepts required to make the

instrument sound without using undue force and applying just the right amount of physical help where needed. Edmund Raas has explored and taught these fine-points for over 60 years. Born in Switzerland, he has been influenced by the teachings of Emil Niosi (pupil of the great Georges Barrère), Hugo Haldemann, Jean-Pierre Rampal and Aurèle Nicolet. Besides teaching, he had the opportunity to play solo concerti and act in many chamber music groups including Renaissance and Baroque music on period instruments. From 1977 to 2005 he also acted as first flutist in the Municipal Symphony Orchestra of São Paulo, Brazil. Since his retirement from this orchestra he is pursuing a career as composer.

*Split by Sun* Faber & Faber

Winner of the 2004 Man Booker Prize and a finalist for the Lambda Literary Award and the NBCC award. From Alan Hollinghurst, the acclaimed author of *The Sparsholt Affair*, *The Line of Beauty* is a sweeping novel about class, sex, and money during four extraordinary years of change and tragedy. In the summer of 1983, twenty-year-old Nick Guest moves into an attic room in the Notting Hill home of the Feddens: conservative Member of Parliament Gerald, his wealthy wife Rachel, and their two children, Toby-whom Nick had idolized at Oxford-and Catherine, who is highly critical of her family's assumptions and ambitions. As the boom years of the eighties unfold, Nick, an innocent in the world of politics and money, finds his life altered by the rising fortunes of this glamorous family. His two vividly contrasting love affairs, one with a young black clerk and one with a Lebanese millionaire, dramatize the dangers and rewards of his own private pursuit of beauty, a pursuit as compelling to Nick as the desire for power and riches among his friends. Richly textured, emotionally charged, disarmingly comic, this is a major work by one of our finest writers.

#1 NEW YORK TIMES BESTSELLER • "Is it as good as Red Dragon and Silence of the Lambs? No . . . this one is better."—Stephen King, *The New York Times Book Review* You remember Hannibal Lecter: gentleman, genius, cannibal. Seven years have passed since Dr. Lecter escaped from custody. And for seven years he's been at large, free to savor the scents, the essences, of an unguarded world. But intruders have entered Dr. Lecter's world, piercing his new identity, sensing the evil that surrounds him. For the multimillionaire Hannibal left maimed, for a corrupt Italian policeman, and for FBI agent Clarice Starling, who once stood before Lecter and who has never been the same, the final hunt for Hannibal Lecter has begun. All of them, in their separate ways, want to find Dr. Lecter. And all three will get their wish. But only one will live long enough to savor the reward. . . . Praise for Hannibal "Interested in getting the hell scared out of you? Buy this book on a Friday . . . lock all doors and windows. And by Monday , you might just be able to sleep without a night-light."—*Newsday* "Strap yourself in for one heck of a ride. . . . It'll scare your socks off."—*Denver Post* "A stunner . . . writing in language as bright and precise as a surgeon's scalpel, Harris has created a world as mysterious as Hannibal's memory palace and as disturbing as a Goya painting. This is one book you don't want to read alone at night."—*The Atlanta Journal-Constitution* "Relentless . . . endlessly terrifying . . . 486 fast-paced pages, in which every respite is but a prelude to further furious action . . . Hannibal begins with a murderous paroxysm that leaves the reader breathless. . . . Hannibal speaks to the imagination, to the feelings, to the passions, to exalted senses and to debased ones. Harris's voice will be heard for a while."—*Los Angeles Times* "A pleasurable sense of dread."—*The Wall Street Journal* "Enormously satisfying . . . a smashing good time, turning the pages for thrills, chills, horror and finally, a bracing, deliciously wicked slap in the face . . . perhaps the very best the thriller/horror genre is capable of producing."—*San Diego Union-Tribune*
