"Eerie and addictive. . . Like Wuthering Heights, The Whispering House is a melancholy novel, its characters filled with dark longings." — The New York Times Book Review From the acclaimed author of The Orphan of Salt Winds It was like holding a couple of jigsaw pieces in my palm, knowing there was a whole picture to be made, if I could only find the rest. Freya Lyell is struggling to move on from her sister Stella's death five years ago. Visiting the bewitching Byrne Hall, only a few miles from the scene of the tragedy, she discovers a portrait of Stella—a portrait she had no idea existed, in a house Stella never set foot in. Or so she thought. Driven to find out more about her sister's secrets, Freya is drawn into the world of Byrne Hall and its owners: charismatic artist Cory and his sinister, watchful mother. But as Freya lingers in this mysterious, centuries-old house, her relationship with Cory crosses the line into obsession and the darkness behind the locked doors of the estate threatens to spill out. In prose as lush and atmospheric as Byrne Hall itself, Elizabeth Brooks weaves a simmering, propulsive tale of art, sisterhood, and all-consuming love: the ways it can lead us toward tenderness, nostalgia, and longing, as well as shocking acts of violence.

Who is the shadowy young man who lurks in the grounds, and why does his exact likeness appear in a sketch from 1917? What is the strange whispering that echoes through the corridors? And why is Luisa so afraid when a storm makes it necessary for Michael to spend the night inside the house? Back in Oxford, when Nell West uncovers the story of the infamous 1917 'Holzminden sketch' - the lost, legendary drawing from World War I - a dark fragment of the past begins to stir. This new collection of seventy-two poems will allow readers to

delight in the richness of Logan's language and the boldness of his vision.

Already celebrated far beyond his native Iceland, the novels of Sjón arrive on waves of praise from writers, critics, and readers worldwide. Sjón has won countless international awards and earned ringing comparisons to Borges, Calvino, and Iceland's other literary superstar, the Nobel Prize winner Halldór Laxness. *The Whispering Muse* is his masterpiece so far. The year is 1949 and Valdimar Haraldsson, an eccentric Icelander with elevated ideas about the influence of fish consumption on

Nordic civilization, has had the extraordinary good fortune to be invited to join a Danish merchant ship on its way to the Black Sea. Among the crew is the mythical hero Caeneus, disguised as the second mate. Every evening after dinner he entrances his fellow travelers with the tale of how he sailed with the fabled vessel the *Argo* on its quest to retrieve the Golden Fleece. What unfolds is a slender but masterful, brilliant, and always entertaining novel that ranges deftly from the comic to the mythic as it weaves together tales of antiquity with the modern world in a voice so singular as to seem possessed.
