Etaf Rum’s debut novel is a must-read about women mustering up the bravery to follow their inner voice.” —Refinery 29 The New York Times bestseller and Read with Jenna TODAY SHOW Book Club pick telling the story of three generations of Palestinian-American women struggling to express their individual desires within the confines of their Arab culture in the wake of shocking intimate violence in their community. "Where I come from, we’ve learned to silence ourselves. We’ve been taught that silence will save us. Where I come from, we keep these stories to ourselves. To tell them to the outside world is unheard of—dangerous, the ultimate shame.” Palestine, 1990. Seventeen-year-old Isra prefers reading books to entertaining the suitors her father has chosen for her. Over the course of a week, the naïve and dreamy girl finds herself quickly betrothed and married, and is soon living in Brooklyn. There Isra struggles to adapt to the expectations of her oppressive mother-in-law Fareeda and strange new husband Adam, a pressure that intensifies as she begins to have children—four daughters instead of the sons Fareeda tells Isra she must bear. Brooklyn, 2008. Eighteen-year-old Deya, Isra’s oldest daughter, must meet with potential husbands at her grandmother Fareeda’s insistence, though her only desire is to go to college. Deya can’t help but wonder if her options would have been different had her parents survived the car crash that killed them when Deya was only eight. But her grandmother is firm on the matter: the only way to secure a worthy future for Deya is through marriage to the right man. But fate has a will of its own, and soon Deya will find herself on an unexpected path that leads her to shocking truths about her family—knowledge that will force her to question everything she thought she knew about her parents, the past, and her own future.

The Silent Patient Simon and Schuster

Without Merit You will recognize Colleen Hoover for relatable characters and even more relatable storylines, with themes that hook a reader in while giving their heart an emotional squeeze. Suffice it to say you won't regret spending a few hours with the Voss family. They're quirky and dysfunctional to a high degree, but it's when secrets get told that the redemption begins. Not every mistake justifies a consequence. Sometimes the only thing it warrants is forgiveness. The Voss family is anything but typical. They live in a repurposed church, recently baptized Dollar Voss. The cancer survivor mother lives in the basement, the father is wedded to the mother's former nurse, the young half-brother isn't allowed to do or eat anything fun, and the eldest siblings are irritatingly perfect. Then, there's Merit. This family is crazy and has so many secrets; their secrets have secrets. Merit Voss collects trophies she hasn't merited and secrets her family urges her to keep. While browsing the neighborhood antique shop for her next award, she finds Sagan. His wit and unapologetic idealism disarm and spark renewed life into her until the discovery that he's unavailable. Merit retreats farther into herself, seeing her family from the sidelines when she discovers a secret that no trophy in the world can correct. Merit decides to destroy the happy family fantasy that she's never been a part of before escaping them behind for good. When her

leave plan fails, Merit is obligated to deal with the tremendous consequences of telling the truth and losing the one man she loves. This book was nothing like any other book Colleen has written. It's unconventional, quirky, and completely relatable. This story is the first book of Colleen's that doesn't make you cry. But it still makes you feel so many emotions, just as all of her books do. I love how she always touches on real-life topics that not usually discussed in novels, such as the Syrian War and gender roles/identity. Colleen is brilliant and a pure genius. In every book she writes, she always takes a black and white situation and shows us the shades of gray. A different side of the issue. She has, more than once, it will change the way you look at many things. If she is trying to make the world a better place with her books, then she's on the right path. You are now, closer to a better world. Her mark will most definitely stay on this earth, and many people's heart. The Celestine Prophecy Simon and Schuster

From the No. 1 New York Times bestselling author of It Ends With Us and November 9 comes a moving and haunting novel of family, love, and the power of the truth. 'Not every mistake deserves a consequence. Sometimes the only thing it deserves is forgiveness.' The Voss family is anything but normal. They live in a repurposed church, newly baptized Dollar Voss. The once cancer-stricken mother lives in the basement, the father is married to the mother's former nurse, the little half-brother isn't allowed to do or eat anything fun, and the eldest siblings are irritatingly perfect. Then, there's Merit. Merit Voss collects trophies she hasn't earned and secrets her family forces her to keep. While browsing the local antiques shop for her next trophy, she finds Sagan. His wit and unapologetic idealism disarm and spark renewed life into her - until she discovers that he's completely unavailable. Merit retreats deeper into herself, watching her family from the sidelines, when she learns a secret that no trophy in the world can fix. Fed up with the lies, Merit decides to shatter the happy family illusion that she's never been a part of before leaving them behind for good. When her escape plan fails, Merit is forced to deal with the staggering consequences of telling the truth and losing the one boy she loves. Poignant and powerful, Without Merit explores the layers of lies that tie a family together and the power of love and truth. 'Emotionally wrenching and utterly original, Without Merit's characters stayed with me long after I finished' Sara Shepard, New York Times bestselling author of Pretty Little Liars

****THE INSTANT #1 NEW YORK TIMES BESTSELLER**** "An unforgettable—and Hollywood-bound—new thriller... A mix of Hitchcockian suspense, Agatha Christie plotting, and Greek tragedy." —Entertainment Weekly The Silent Patient is a shocking psychological thriller of a woman’s act of violence against her husband—and of the therapist obsessed with uncovering her motive. Alicia Berenson’s life is seemingly perfect. A famous painter married to an in-demand fashion photographer, she lives in a grand house with big windows overlooking a park in one of London’s most desirable areas. One evening her husband Gabriel returns home late from a fashion shoot, and Alicia shoots him five times in the face, and then never speaks another word. Alicia’s refusal to talk, or give any kind of explanation, turns a domestic tragedy into something far grander, a mystery that captures the public imagination and casts Alicia into notoriety. The price of

her art skyrockets, and she, the silent patient, is hidden away from the tabloids and spotlight at the Grove, a secure forensic unit in North London. Theo Faber is a criminal psychotherapist who has waited a long time for the opportunity to work with Alicia. His determination to get her to talk and unravel the mystery of why she shot her husband takes him down a twisting path into his own motivations—a search for the truth that threatens to consume him....

A time-travel story that is both a poignant exploration of human identity and an absorbing tale of suspense. It’s natural to feel a little out of place when you’re the new girl, but when Charlotte Makepeace wakes up after her first night at boarding school, she’s baffled: everyone thinks she’s a girl called Clare Mobley, and even more shockingly, it seems she has traveled forty years back in time to 1918. In the months to follow, Charlotte wakes alternately in her own time and in Clare’s. And instead of having only one new set of rules to learn, she also has to contend with the unprecedented strangeness of being an entirely new person in an era she knows nothing about. Her teachers think she’s slow, the other girls find her odd, and, as she spends more and more time in 1918, Charlotte starts to wonder if she remembers how to be Charlotte at all. If she doesn’t figure out some way to get back to the world she knows before the end of the term, she might never have another chance.

LARGE PRINT EDITIONThe #1 New York Times bestselling author of Verity and It Ends With Us delivers another breathtaking novel with a magnetic suspense that will keep you glued to the pages. "Phenomenal. Outstanding. Unputdownable." - Stephanie's Book Report"One of the most spellbinding, profound, beautifully told new adult romances I've ever read. It is the kind of story that stays with you, moves you. A breathlessly romantic tale of courage and growth, of patience and trust, of wild abandonment. I read the book cover to cover, in one sitting, I simply couldn't put

it down." - KDRBCK Life and a dismal last name are the only two things Beyah Grim's parents ever gave her. After carving her path all on her own, Beyah is well on her way to bigger and better things, thanks to no one but herself. With only two short months separating her from the future she's built and the past she desperately wants to leave behind, an unexpected death leaves Beyah with no place to go during the interim. Forced to reach out to her last resort, Beyah has to spend the remainder of her summer on a peninsula in Texas with a father she barely knows. Beyah's plan is to keep her head down and let the summer slip by seamlessly, but her new neighbor Samson throws a wrench in that plan. Samson and Beyah have nothing in common on the surface. She comes from a life of poverty and neglect; he comes from a family of wealth and privilege. But one thing they do have in common is that they're both drawn to sad things. Which means they're drawn to each other. With an almost immediate connection too intense for them to continue denying, Beyah and Samson agree to stay in the shallow end of a summer fling. What Beyah doesn't realize is that a rip current is coming, and it's about to drag her heart out to sea. "This book deserves a whole galaxy of stars, but alas, five is all I can give." -Shades of Rebecca
Tropic of Cancer New Directions Publishing

A stream-of-consciousness story of a poverty-stricken young American, living in Paris.

13 Minutes Simon and Schuster

"Climate change is already under way with unpredictable consequences. Evidence of changes to the earth's physical, chemical and biological processes is obvious everywhere. Greenhouse gas emissions have increased the carbon cycle concentration in the atmosphere. In the past, half of this carbon was stored in forests, while the other half was removed by oceans, but with deforestation and warming oceans, oxygen is at its lowest breathable point. Climate change deepens ethical issues explored and discussed by ecofeminists around the world. This book describes the academic field of material ecofeminism, provides an overview of the land question, and explores how reigning discourses of "sustainable development" have led to a commodification of nature and have effaced the multiple visions, uses, and relationships of local human communities. The articles in this book are spaces of political projects and values that nurture anticapitalist, antipatriarchal, and anticolonial oppressions. We argue that the centrality of resisting the colonization of Mother Earth and Pachamama is supreme."--

INSTANT NEW YORK TIMES BESTSELLER The #1 New York Times bestselling author of *It Starts with Us* and *It Ends with Us*—whose writing is “emotionally wrenching and utterly original” (Sara Shepard, New York Times bestselling author of the *Pretty Little Liars* series)—delivers a tour de force novel about a troubled marriage and the one old forgotten promise that might be able to save it. Quinn and Graham’s perfect love is threatened by their imperfect marriage. The memories, mistakes, and secrets that they have built up over the years are now tearing them apart. The one thing that could save them might also be the very thing that pushes their marriage beyond the point of repair. *All Your Perfects* is a profound novel about a damaged couple whose potential future hinges on promises made in the past. This is a heartbreaking page-turner that asks: Can a resounding love with a perfect beginning survive a lifetime between two imperfect people?

From the New York Times bestselling author of *The Midnight Library*. “A quirky romcom dusted with philosophical observations....A delightfully witty...poignant novel.” —The Washington Post “She smiled a soft, troubled smile and I felt the whole world slipping away, and I wanted to slip with it, to go wherever she was going... I had existed whole years without her, but that was all it had been. An existence. A book with no words.” Tom Hazard has just moved back to London, his old home, to settle down and become a high school history teacher. And on his first day at school, he meets a captivating French teacher at his school who seems fascinated by him. But Tom has a dangerous secret. He may look like an ordinary 41-year-old, but owing to a rare condition, he's been alive for centuries. Tom has lived history--performing with Shakespeare, exploring the high seas with Captain Cook, and sharing cocktails with Fitzgerald. Now, he just wants an ordinary life. Unfortunately for Tom, the Albatross Society, the secretive group which protects people like Tom, has one rule: Never fall in love. As painful memories of his past and the erratic behavior of the Society's watchful leader threaten to derail his new life and romance, the one thing he can't have just happens to be the one thing that might save him. Tom will have to decide once and for all whether to remain stuck in the past, or finally begin living in the present. *How to Stop Time* tells a love story across the ages—and for the ages—about a man lost in time, the woman who could save

him, and the lifetimes it can take to learn how to live. It is a bighearted, wildly original novel about losing and finding yourself, the inevitability of change, and how with enough time to learn, we just might find happiness. Soon to be a major motion picture starring Benedict Cumberbatch.

Turtle Alveston is a survivor. At fourteen, she roams the woods along the northern California coast. The creeks, tide pools, and rocky islands are her haunts and her hiding grounds, and she is known to wander for miles. But while her physical world is expansive, her personal one is small and treacherous: Turtle has grown up isolated since the death of her mother, in the thrall of her tortured and charismatic father, Martin. Her social existence is confined to the middle school (where she fends off the interest of anyone, student or teacher, who might penetrate her shell) and to her life with her father. Then Turtle meets Jacob, a high-school boy who tells jokes, lives in a big clean house, and looks at Turtle as if she is the sunrise. And for the first time, the larger world begins to come into focus: her life with Martin is neither safe nor sustainable. Motivated by her first experience with real friendship and a teenage crush, Turtle starts to imagine escape, using the very survival skills her father devoted himself to teaching her. What follows is a harrowing story of bravery and redemption. With Turtle's escalating acts of physical and emotional courage, the reader watches, heart in throat, as this teenage girl struggles to become her own hero—and in the process, becomes ours as well. Shot through with striking language in a fierce natural setting, *My Absolute Darling* is an urgently told, profoundly moving read that marks the debut of an extraordinary new writer.
