Parliamentary Debates Allied Publishers Evaluations of intervention programs seek to present high-quality design, measures and data to assess their merit and worth. While evaluations differ in their purpose, theoretical framework and methodology, their collective aim is to obtain relevant and meaningful information to inform practice, research, and policy. As such, evaluation findings serve to build a body of knowledge on effective approaches to promote designated psychological outcomes, critical to an individual's overall health and well-being. However, as examined in this e-book, methodological weaknesses directly limit the potential of evaluations of intervention programs. As discussed by Chacón-Moscoso and Sanduvete-Chaves, methodological weaknesses can be attributed to how to define and measure methodological quality and the contextual dependency of instruments designed to measure this quality. In response, this e-book provides a collection of studies on methodological approaches to promote the quality of psychological interventions. Specifically,

10 original works published in the Research Topic Methodological Quality of Interventions in Psychology are included. The papers are organized into two chapters. Concretely, Chapter 1 includes studies pertaining to methodological approaches to enhance the quality of psychological intervention, being context independent solutions. Furthermore, Chapter 2 presents original work in different areas (health, education, sport and social welfare) where methodological quality has been better assessed. Collectively, the papers in this e-book serve to expand the awareness of practitioners and researchers interested in psychological interventions of the critical role of methodological quality in this work. This research was funded by the projects 1150096 (Chilean National Fund of Scientific and Technological Development, FONDECYT); and PSI2015-71947-REDT (Spain's Ministry of Economy and Competitiveness).

General Studies Manual Paper-1

2022 EduGorilla Community Pvt. Ltd.

Two decades of commentary by the New York Times–bestselling author: “An electrifying political essayist . . . uplifting . . . galvanizing.” —Booklist From the Booker Prize-winning author of such works as *The God of Small Things* and *The Ministry of Utmost Happiness*, My Seditious Heart collects nonfiction spanning over twenty years and chronicles a battle for justice, rights, and freedoms in an increasingly hostile world. Taken together, these essays are told in a voice of unique spirit, marked by compassion, clarity, and courage. Radical and superbly readable, they speak always in defense of the collective, of the individual, and of the land, in the face of the destructive logic of financial, social, religious, military,

and governmental elites. “Her lucid and probing essays offer sharp insights on a range of matters, from crony capitalism and environmental depredation to the perils of nationalism and, in her most recent work, the insidiousness of the Hindu caste system. In an age of intellectual logrolling and mass-manufactured infotainment, she continues to offer bracing ways of seeing, thinking and feeling.” —Pankaj Mishra, Time Magazine Praise for Arundhati Roy: “Arundhati Roy combines her brilliant style as a novelist with her powerful commitment to social justice in producing these eloquent, penetrating essays.” —Howard Zinn “One of the most confident and original thinkers of our time.” —Naomi Klein “The scale of what Roy surveys is staggering. Her pointed indictment is devastating.” —The New York Times Book Review
