QUENTIN WILCOX

The Spirit of the English Language

Viking Adult

100 Great Poets provides a concise but comprehensive overview of the poetic tradition in English. Chronologically arranged, the book presents the major poets from Beowulf to the present with representative examples from each author. The headnotes and selections reflect the high notes of each poet's career: the classic poems that have earned an enduring place in the canon of English language literature.

Poets of the English Language Atlantic Publishers & Distri

Anthology of English and American poems, each followed by a critical essay by writers such as Robert M. Bender, Mark Van Doren, Cleanth Brooks, Lionel Trilling, and others.

Master Poems of the English Language

Mrs Nowotny's chief aim in this 'valuable book which could serve as a

useful introduction to practical criticism' (Review of English Studies) is to inquire as to what it is that makes the language of poetry poetic. The book grows out of the leading trends today in ideas about language and the way it works but to the matters discussed Mrs Nowotny brings a keen mind of her own and considerable powers as a literary critic. Stressing the continuity of poetry with other uses of language she shows how under the control of the poet's purpose everyday language contributes to the achievement of the most complex and profound effects, and she illustrates these effects with a wealth of examples. Mrs Nowotny is Lecturer in English at University College, London.

Poets of the English language. 1.

Langland to Spenser New York, Russell
A timeless and comprehensive anthology of enduring English language poetry, featuring entries from 150 British and American poets, including Alexander Pope, Lord Byron, Edna St. Vincent Millay, and Emily Dickinson. The last six hundred years in British and American literature have given us some of the

most moving and memorable poems in all literature. Now, discover many of these same works in one gorgeously wrought collection, featuring entries from poets as legendary and beloved as Elizabeth Barrett Browning, John Keats, Rudyard Kipling, Ralph Waldo Emerson, D.H. Lawrence, and many more. From Lewis Carroll's "Jabberwocky" to Robert Frost's "The Road Not Taken" and from Shakespeare's sonnets to anonymous classics, this is the ultimate gift for poetry lovers of all ages and backgrounds. Arranged chronologically, the 150 poems featured in this stunning collection reflect the immortality of the poetic soul.

Poets of the English Language Viking Adult

John Wulsin approaches the English language not as a conventional linguist, but as a poet interested in the spirit and evolution of our language. To show "how sound works in English and American poetry," the author traces the many changes, both subtle and radical, in how English has sounded over the past thirteen centuries, while also showing how those changes are related to the evolution of human consciousness in Western, English-speaking peoples. *The Spirit of the English Language* is never dry but filled with the textures of the lives and works of the great English-language poets. Wulsin describes the evolving activity of poetry in the biography of each poet, beginning with the Old Anglo-Saxon in *Beowulf* and the later works of Chaucer, and following the spirit of the English language through to the nineteenth century's "primal/modern" language of Gerard Manley Hopkins and Dickinson's diamond-distilled language. Along the way, we discover how the very sounds of English have changed the ways in which

not only poets think and express themselves, but, more important, how sound works and changes our human consciousness. The author also discusses specifically how, in teaching poetics, stages of the developing English language quicken corresponding stages of thinking in maturing adolescents. Twelve years in the making, *The Spirit of the English Language* is the fruit of John Wulsin's thirty years of teaching language and literature to adolescents. The book is further informed and fructified by the author's fifteen years of teaching poetics to adults, as well as decades of writing poetry and participating in numerous poetry workshops. This practical guide will become a classic for all poets, teachers of poetry and language, and students. It is a truly valuable resource for anyone interested in English, its development, its effects on consciousness, and how sound works in poetry. Contents: Introduction Part I A Language Is Born Old Anglo-Saxon Evolving Language in Evolving Adolescents: Ninth and Tenth Grades The Norman Conquest Chaucer's Middle English The Language Wakes up, Renewed Elizabethan English: Shakespeare Expansion and Contraction: King James Bible Part II Lyric Activity in Metaphysical Poetry: John Donne The English Epic: Milton The Eighteenth Century and Blake Wordsworth Coleridge Byron Shelley Keats Elizabeth Barrett Browning Robert Browning Tennyson Gerard Manley Hopkins Eleventh Grade(Ages 16-17) Part III Alteration of the Early American Mind Poetry in American Prose: The Novel Whitman Emily Dickinson Twelfth Grade(Ages 17-18) Contemporary American Speech Speech and Drama in High School Conclusion

Poets of the English Language:

Milton to Goldsmith Wesleyan University Press

Examines the way in which poetry in English makes use of rhythm. The author argues that there are three major influences which determine the verse-forms used in any language: the natural rhythm of the spoken language itself; the properties of rhythmic form; and the metrical conventions which have grown up within the literary tradition. He investigates these in order to explain the forms of English verse, and to show how rhythm and metre work as an essential part of the reader's experience of poetry.

The Lost Beauties of the English

Language Viking Adult

An accessible introduction to poetry's unusual uses of language that tackles a wide range of poetic features from a linguistic point of view. Equally appealing to the non-expert and more experienced student of linguistics, this book delivers an engaging and often witty summary of how we define what poetry is.

Poets of the English Language: Langland to Spenser Viking Adult

This comprehensive anthology attempts to give the common reader possession of six centuries of great British and American poetry. The book features a large introductory essay by Harold Bloom called "The Art of Reading Poetry," which presents his critical reflections of more than half a century devoted to the reading, teaching, and writing about the literary achievement he loves most. In the case of all major poets in the language, this volume offers either the entire range of what is most valuable in their work, or vital selections that illuminate each figure's contribution. There are also headnotes by Harold Bloom to every poet in the volume as well as to the most important

individual poems. Much more than any other anthology ever gathered, this book provides readers who desire the pleasures of a sublime art with very nearly everything they need in a single volume. It also is regarded as his final meditation upon all those who have formed his mind.

Poets of the English Language

Harper Collins

Poetry in America is flourishing in this new millennium and asking serious questions of itself: Is writing marked by gender and if so, how? What does it mean to be experimental? How can lyric forms be authentic? This volume builds on the energetic tensions inherent in these questions, focusing on ten major American women poets whose collective work shows an incredible range of poetic practice. Each section of the book is devoted to a single poet and contains new poems; a brief "statement of poetics" by the poet herself in which she explores the forces — personal, aesthetic, political — informing her creative work; a critical essay on the poet's work; a biographical statement; and a bibliography listing works by and about the poet. Underscoring the dynamic give and take between poets and the culture at large, this anthology is indispensable for anyone interested in poetry, gender and the creative process. CONTRIBUTORS: Rae Armantrout, Meimei Berssenbrugge, Lucie Brock Broido, Jorie Graham, Barbara Guest, Lyn Hejinian, Brenda Hillman, Susan Howe, Ann Lauterbach, Harryette Mullen.
