Nicomachean Ethics Aristotle - The Nicomachean Ethics is one of Aristotle's most widely read and influential works. Ideas central to ethics—that happiness is the end of human endeavor, that moral virtue is formed through action and habituation, and that good action requires prudence—found their most powerful proponent in the person medieval scholars simply called "the Philosopher." Drawing on their intimate knowledge of Aristotle's thought, Robert C. Bartlett and Susan D. Collins have produced here an English-language translation of the Ethics that is as remarkably faithful to the original as it is graceful in its rendering. Aristotle is well known for the precision with which he chooses his words, and in this elegant translation his work has found its ideal match. Bartlett and Collins provide copious notes and a glossary providing context and further explanation for students, as well as an introduction and a substantial interpretive essay that sketch central arguments of the work and the seminal place of Aristotle's Ethics in his political philosophy as a whole. The Nicomachean Ethics has engaged the serious interest of readers across centuries and civilizations—of peoples ancient, medieval, and modern; pagan, Christian, Muslim, and Jewish—and this new edition will take its place as the standard English-language translation.

Love Without Reason Farrar, Straus and Giroux

In *Love for No Reason*, transformational expert Marci Shimoff offers a breakthrough approach to experiencing a lasting state of unconditional love—the kind of love that doesn’t depend on another person, situation, or romantic partner, and that you can access at any time and in any circumstance. This is the deepest and truest form of love and is the key to lasting joy and fulfillment in life. Like her New York Times bestselling book *Happy for No Reason*, this compelling and life-changing book draws on cutting-edge scientific research, ancient, time-tested wisdom from cultures across the globe, interviews with 150 experts (*Love Luminaries*), and practical, proven tools and techniques. *Love for No Reason* provides a revolutionary 7-step program that will open your heart, make you a magnet for love, and transform your life. You’ll learn how to: Open your heart fully and experience a profound and lasting love from the inside rather than needing to get it from the outside Bring more love to your family, friends, community and the world without overgiving and burning out Feel unconditional love for yourself and stop beating yourself up, criticizing and condemning yourself. Turn off your body’s stress response and activate the physiology of love to improve your health and well-being. Make your romantic relationships more fulfilling. Experience more success and satisfaction at work. Respond with love even to the things that you find most challenging in your life. Break through the boundaries that block love’s flow—including past negative experiences, limiting beliefs about love, judgments and self-doubt. Connect to that state of unconditional love inside that will make you naturally more loving and draw more love into your life. This is love at its highest and best – it’s what people want most deeply and it’s what the world needs most urgently. Whatever your experience of love is right now—whether you’re in pain or feeling great—you can learn to love at a higher level starting today!

Life-Changing Love Simon and Schuster

“[A] landmark book . . . Solnit illustrates how the uprisings that begin on the streets can upend the status quo and topple authoritarian regimes” (*Vice*). A book as powerful and influential as Rebecca Solnit’s *Men Explain Things to Me*, her *Hope in the Dark* was written to counter the despair of activists at a moment when they were focused on their losses and had turned their back to the victories behind them—and the unimaginable changes soon to come. In it, she makes a radical case for hope as a commitment to act in a world whose future remains uncertain and unknowable. Drawing on her decades of activism and a wide reading of environmental, cultural, and political history, Solnit argues that radicals have a long, neglected

history of transformative victories, that the positive consequences of our acts are not always immediately seen, directly knowable, or even measurable, and that pessimism and despair rest on an unwarranted confidence about what is going to happen next. Now, with a moving new introduction explaining how the book came about and a new afterword that helps teach us how to hope and act in our unnerving world, she brings a new illumination to the darkness of our times in an unforgettable new edition of this classic book. “One of the best books of the 21st century.” —The Guardian “No writer has better understood the mix of fear and possibility, peril and exuberance that’s marked this new millennium.” —Bill McKibben, New York Times–bestselling author of *Falter* “An elegant reminder that activist victories are easily forgotten, and that they often come in extremely unexpected, roundabout ways.” —The New Yorker

The Forty Rules of Love Houghton Mifflin Harcourt

Our greatest suffering is that we do not feel complete as we are. Right here, right now! We have been trained to reject our uniqueness and our value.

We live in a prison; a cage of guilt, anxiety and worthlessness, believing that we are never 'good enough' just as we are. Mark Kahn, a practicing clinical psychologist of 35 years, and management consultant with 17 years' worth of experience, has devoted his life to helping people to realise self-love, without arrogance. In this unique Self-Esteem work, penned straight from the heart and shooting straight from the hip; readers will be taken through the theory, as well as a range of simple, yet powerful techniques enabling individuals: -Dissolve your feelings of victimhood in the face of conflict and threat.-To no longer be a slave to the conditioned rules of society.-To reclaim the power and confidence you have given away to others.-To choose to risk yourself more than you avoid.-To let go of the noose of guilt and performance anxiety, which society has placed around your neck.-To move from the hell of wanting to be loved, to the heaven of loving yourself for no reason!"This insightful book is both a direct and powerful response to the prison walls created by our conditioning. To dismantle these walls enables a freedom of spirit and psyche to emerge, that honours the individuality, the uniqueness and the genius of every one of us."Dr. John F. Demartini

Alice, a novelist, meets Felix, who works in a warehouse, and asks him if he’d like to travel to Rome with her. In Dublin, her best friend, Eileen, is getting over a break-up, and slips back into flirting with Simon, a man she has known since childhood. Alice, Felix, Eileen, and Simon are still young—but life is catching up with them. They desire each other, they delude each other, they get together, they break apart. They have sex, they worry about sex, they worry about their friendships and the world they live in. Are they standing in the last lighted room before the darkness, bearing witness to something? Will they find a way to believe in a beautiful world?

What We Talk About When We Talk About Love Simon & Schuster

To make the journey into the Now we will need to leave our analytical mind and its false created self, the ego, behind. From the very first page of Eckhart Tolle's extraordinary book, we move rapidly into a significantly higher altitude where we breathe a lighter air. We become connected to the indestructible essence of our Being, “The eternal, ever present One Life beyond the myriad forms of life that are subject to birth and death.” Although the journey is challenging, Eckhart Tolle uses simple language and an easy question and answer format to guide us. A word of mouth phenomenon since its first publication, *The Power of Now* is one of those rare books with the power to create an experience in readers, one that can radically change their lives for the better.

7 Steps to Creating a Life of Unconditional Love Random House

In this lyrical, exuberant tale, acclaimed Turkish author Elif Shafak, author of *The Island of Missing Trees* (a Reese's Book Club Pick), incarnates Rumi's timeless message of love. *The Forty Rules of Love* unfolds two tantalizing parallel narratives—one contemporary and the other set in the thirteenth century, when Rumi encountered his spiritual mentor, the whirling dervish known as Shams of Tabriz—that together explore the enduring power of Rumi's work. Ella Rubenstein is forty years old and unhappily married when she takes a job as a reader for a literary agent. Her first assignment is to read and report on *Sweet Blasphemy*, a novel written by a man named Aziz Zahara. Ella is mesmerized by his tale of Shams's search for Rumi and the dervish's role in transforming the successful but unhappy cleric into a committed mystic, passionate poet, and advocate of love. She is also taken with Shams's lessons, or rules, that offer insight into an ancient philosophy based on the unity of all people and religions, and the presence of love in each and every one of us. As she reads on, she realizes that Rumi's story mirrors her own and that Zahara—like Shams—has come to set her free.

THE REPUBLIC Plato's Republic is widely acknowledged as one of the most influential works in the history of philosophy. Presented in the form of a dialogue between Socrates and three different interlocutors, it is an inquiry into the notion of a perfect community and the ideal individual within it. During the conversation, other questions are raised: what is goodness; what is reality; what is knowledge; what is the purpose of education? With remarkable lucidity and deft use of allegory, Plato arrives at a depiction of a state bound by harmony and ruled by 'philosopher kings'. THE REPUBLIC The Republic is a philosophical dialogue about the nature of justice and the order and character of the just city-state and the just individual. The dialogues, among Socrates and various Athenians and foreigners, discuss the meaning of justice and examine whether or not the just man is happier than the unjust man, by proposing a society ruled by philosopher-kings and the guardians. THE REPUBLIC In this intellectually and historically influential work of philosophy and political theory, Plato discusses the theory of forms, the immortality of the soul, and the roles of the philosopher and of poetry in society. NEW YORK TIMES BESTSELLER • “A meditation on sense-making when there’s no sense to be made, on letting go when we can’t hold on, and on being unafraid even when we’re terrified.”—Lucy Kalanithi “Belongs on the shelf alongside other terrific books about this difficult subject, like Paul Kalanithi’s *When Breath Becomes Air* and Atul Gawande’s *Being Mortal*.”—Bill Gates NAMED ONE OF THE BEST BOOKS OF THE YEAR BY REAL SIMPLE Kate Bowler is a professor at Duke Divinity School with a modest Christian upbringing, but she specializes in the study of the prosperity gospel, a creed that sees fortune as a blessing from God and misfortune as a mark of God’s disapproval. At thirty-five, everything in her life seems to point toward “blessing.” She is thriving in her job, married to her high school sweetheart, and loves life with her newborn son. Then she is diagnosed with stage IV colon cancer. The prospect of her own mortality forces Kate to realize that she has been tacitly subscribing to the prosperity gospel, living with the conviction that she can control the shape of her life with “a surge of determination.” Even as this type of Christianity celebrates the American can-do spirit, it implies that if you “can’t do” and succumb to illness or misfortune, you are a failure. Kate is very sick, and no amount of positive

thinking will shrink her tumors. What does it mean to die, she wonders, in a society that insists everything happens for a reason? Kate is stripped of this certainty only to discover that without it, life is hard but beautiful in a way it never has been before. Frank and funny, dark and wise, Kate Bowler pulls the reader deeply into her life in an account she populates affectionately with a colorful, often hilarious retinue of friends, mega-church preachers, relatives, and doctors. *Everything Happens for a Reason* tells her story, offering up her irreverent, hard-won observations on dying and the ways it has taught her to live. Praise for *Everything Happens for a Reason* “I fell hard and fast for Kate Bowler. Her writing is naked, elegant, and gripping—she’s like a Christian Joan Didion. I left Kate’s story feeling more present, more grateful, and a hell of a lot less alone. And what else is art for?”—Glennon Doyle, #1 New York Times bestselling author of *Love Warrior* and president of Together Rising

The Life-Changing Magic of Tidying Up Booklocker.com

Everyone wants to be happy--yet so many people are unhappy today. What are they doing wrong? Clearly, a new approach is needed. Self-help guru Shimoff presents three new ideas and a practical program to change the way readers look at creating happiness in their lives: 1. Happiness is not an emotion, a spike of elation or euphoria, but a lasting, neuro-physiological state of peace and well-being. 2. True happiness is not based on what people do or have--it doesn't depend on external reasons or circumstances. 3. Research indicates that everyone has a happiness set-point. No matter what happens to a person, they will tend to return to a set range of happiness. This book shows how you can actually reprogram your set-point to a higher level.--From publisher description.
