Imagine being famous.  
Being recognized on the  
street, adored by people  
who have never even met  
you, known the world  
over. Wouldn't that be  
great? But what if, one  
day, you got stuck in a  
country where celebrity  
means nothing, where no

one spoke your language  
and you didn't speak  
theirs, where no one knew  
your face (no book  
jackets, no TV) and you  
had no way of calling  
home? How would your  
fame help you then? What  
if someone got hold of  
your cell phone? What if  
they spoke to your  
girlfriends, your agent,  
your director, and started  
making decisions for you?  
And worse, what if no one  
believed you were you  
anymore? When you saw  
a look-alike acting your  
roles for you, what would  
you do? And what if one  
day you realized your  
magnum opus, like  
everything else you'd  
ever written, was a total  
waste of time, empty  
nonsense? What would  
you do next? Would your  
audience of seven million  
people keep you going?  
Or would you lose the  
capacity to keep on doing  
it? Fame and

facelessness, truth and  
deception, spin their way  
through all nine episodes  
of this captivating,  
wickedly funny, and  
perpetually surprising  
novel as paths cross and  
plots thicken, as  
characters become real  
people and real people  
morph into characters.  
The result is a dazzling  
tour de force by one of  
Europe's finest young  
writers.

Longlisted for The Center for Fiction First Novel Prize When a young DeafBlind man learns the girl he thought was lost forever might still be out there, he embarks on a life-changing journey to find her—and his freedom. Arlo Dilly is young, handsome, and eager to meet the right girl. He also happens to be DeafBlind, a Jehovah's Witness, and under the strict guardianship of his controlling uncle. His chances of finding someone to love seem slim to none. And yet, it happened once before: many years ago, at a boarding school for the Deaf, Arlo met the love of his life—a mysterious girl with onyx eyes and beautifully expressive hands which told him the most amazing stories. But tragedy struck, and their love was lost forever. Or

so Arlo thought. After years trying to heal his broken heart, Arlo is assigned a college writing assignment which unlocks buried memories of his past. Soon he wonders if the hearing people he was supposed to trust have been lying to him all along, and if his lost love might be found again. No longer willing to accept what others tell him, Arlo convinces a small band of misfit friends to set off on a journey to learn the truth. After all, who better to bring on this quest than his gay interpreter and wildly inappropriate Belgian best friend? Despite the many forces working against him, Arlo will stop at nothing to find the girl who got away and experience all of life's joyful possibilities.

The Heart Always Knows Lando My muse is gone, and I haven't written a word of music in over a year. Every time I close my eyes, all I can see is Dawson. Nine years ago, just before Downward Spiral's first major tour, I met my soulmate and then I walked away. Now that I've finally tracked him down again, things have changed. I'll have to make him fall for me all over again. But is it

possible I put our single weekend together on a pedestal or could Dawson really be The One?

Dawson A traumatic brain injury nine years ago left me deaf and with spotty memory of the first twenty years of my life. When one of the biggest rock stars in the world shows up and seems to know me, I'm not sure what to believe. Is it possible he's telling the truth when he says he's been in love with me for nine years, even if I can't remember ever meeting him?\*\*\*Play it by Ear is the second book in the Replay series. Each book in the series will focus on a different band member getting a second chance at love. Each book can be read as a stand-alone.

Penguin

The European Dada movement of the early 20th century has long been regarded as a male preserve, one in which women have been relegated to footnotes or mentioned only as the wives, girlfriends, or sisters of Dada men. This fascinating book challenges that assumption, focusing on the creative contributions made to Dada by five pivotal European women. Ruth Hemus establishes

the ways in which Emmy Hennings and Sophie Taeuber in Zurich, Hannah Höch in Berlin, and Suzanne Duchamp and Céline Arnaud in Paris made important interventions across fine art, literature, and performance. Hemus highlights how their techniques and approaches were characteristic of Dada's rebellion against aesthetic and cultural conventions, analyzes the impact of gender on each woman's work, and shows convincingly that they were innovators and not imitators. In its new and original perspective on Dada, the book broadens our appreciation and challenges accepted understandings of this revolutionary avant-garde movement.

Wake Unto Me St. Martin's Griffin

By day, celebrated beauty Helena Nash works as a proper companion to one of London's most disagreeable ladies. By night she acts as an illicit messenger between two separated lovers.

Simon and Schuster  
The field of American Jewish studies has recently trained its focus on the transnational

dimensions of its subject, reflecting in more sustained ways than before about the theories and methods of this approach. Yet, much of the insight to be gained from seeing American Jewry as constitutively entangled in many ways with other Jewries has not yet been realized.

Transnational American Jewish studies are still in their infancy. This issue of PaRDeS presents current research on the multiple entanglements of American with Central European, especially German-speaking Jewries in the 19th and 20th centuries. The articles reflect the wide range of topics that can benefit from a transnational understanding of the American Jewish experience as shaped by its foreign entanglements. Ludwig Boltzmann Rocky Nook, Inc.

Queer Reading ist eine Methode, die die Konstruktionen des Geschlechts und des Begehrens lesbar macht. Eine queere Lektüre öffnet etwa den Blick dafür, wie Heterosexualität als postulierte soziale Norm in Texten stetig untergraben wird, und ermöglicht die Entdeckung

homoerotischer oder homosexueller Subtexte. Ziel ist allerdings nicht, im Gegenzug andere Identitäten zur Norm zu erklären oder Autor\*innen und Figuren Prädikate wie homosexuell oder transsexuell zuzuschreiben. Vielmehr legt Queer Reading ein anderes Begehren offen, das nicht den Äußerungen der Figuren und unseren Erwartungen entspricht. Es erweitert so unseren Horizont und bedeutet damit eine Bereicherung jeder literaturwissenschaftlichen Arbeit. Das Studienbuch verdeutlicht anhand von Lektüren ganz unterschiedlicher Prosa, wie ein Text queer gelesen werden kann, und will seine Leser\*innen ermutigen, sich Leitlinien zu erarbeiten, mit denen sie Texte selbst queer lesen können. Das Buch leistet neben der Methodendiskussion auch einen Beitrag zur Erforschung kanonisierter Autor\*innen und Werke aus neuer Perspektive.

Caitlyn Monahan knows she belongs somewhere else. It's what her dead mother's note suggested, and it's what her recurring nightmares allude to.

Desperate to flee these terrifying dreams—and her small town—she accepts a spot at a boarding school in France. Only, when she arrives, her nightmares get worse. But then there are her amazing dreams, so vivid and so real, with visits from an alluring, mysterious, and gorgeous Italian boy from the 1500s. Caitlyn knows they are soul mates, but how can she be in love with someone who exists only in her dreams? Then, as her reality and dream world collide, Caitlyn searches for the real reason why she was brought to this school. And what she discovers will change her life forever.

Trish Doller's *The Suite Spot* is a charming romance novel about taking a chance on a new life and a new love. Rachel Beck has hit a brick wall. She's a single mom, still living at home and trying to keep a dying relationship alive. Aside from her daughter, the one bright light in Rachel's life is her job as the night reservations manager at a luxury hotel in Miami Beach—until the night she is fired for something she didn't do. On impulse, Rachel

inquires about a management position at a brewery hotel on an island in Lake Erie called Kelleys Island. When she's offered the job, Rachel packs up her daughter and makes the cross country move. What she finds on Kelleys Island is Mason, a handsome, moody man who knows everything about brewing beer and nothing about running a hotel. Especially one that's barely more than foundation and studs. It's not the job Rachel was looking for, but Mason offers her a chance to help build a hotel—and rebuild her own life—from the ground up.

"No one suspected what the unleashing of irregular warfare would mean. No one considered what the victory of the civilian over the soldier would mean if one day the citizen put on the uniform while the partisan took it off to continue the fight without it." *Theory of the Partisan* consists of two lectures, delivered by Carl Schmitt in 1962, addressing the transformation of war in the post-European age. This accessible work analyzes the origin, evolution, and practical effects of the modern partisan. With the rise of political terrorism and the universal acceptance of critical theory, Schmitt's *Theory of the Partisan* emerges today more relevant than ever. The C.J. Miller translation is the third complete English translation of Carl Schmitt's *Theory of the Partisan*, being made available in 2020 to the general public through Antelope Hill Publishing. This translation is more faithful to the original German and avoids any commentary or apologia for the plain words of this formidable legal and political thinker.

From the New York Times bestselling author of *The Drowning Kind* comes a genre-defying novel, inspired by Mary Shelley's masterpiece *Frankenstein*, that brilliantly explores the eerie mysteries of childhood and the evils perpetrated by the monsters among us. 1978: At her renowned treatment center in picturesque Vermont, the brilliant psychiatrist, Dr. Helen Hildreth, is acclaimed for her compassionate work with the mentally ill. But when she's home with her cherished grandchildren, Vi and Eric, she's just Gran—teaching them how to take care of their pets, preparing them home-cooked meals, providing them with care and attention and love. Then one day Gran brings home a child to stay with the family. Iris—silent, hollow-eyed, skittish, and feral—does not behave like a normal girl. Still, Violet is thrilled to have a new playmate. She and Eric invite Iris to join their Monster Club, where they dream up ways to defeat all manner of monsters. Before long, Iris begins to come out of her shell. She and Vi and Eric do everything together: ride

their bicycles, go to the drive-in, meet at their clubhouse in secret to hunt monsters. Because, as Vi explains, monsters are everywhere. 2019: Lizzy Shelley, the host of the popular podcast *Monsters Among Us*, is traveling to Vermont, where a young girl has been abducted, and a monster sighting has the town in an uproar. She's determined to hunt it down, because Lizzy knows better than anyone that monsters are real—and one of them is her very own sister. "A must for psychological thriller fans" (*Publishers Weekly*, starred review), *The Children on the Hill* takes us on a breathless journey to face the primal fears that lurk within us all.

[The Black Prism](#)

HarperCollins

For hundreds of years, psychology has looked into the dysfunctions and symptoms of the mind. It's only over the last few decades that the field has started to pay attention to what constitutes a functional and content life. Instead of using disease to understand health, positive psychology studies the components of a good life and helps people not only avoid mental health

problems but develop happiness. The work done in positive psychology is now at a point where applications are being developed in positive psychotherapy and extended to those with psychiatric diagnoses in positive psychiatry. While these fields are a recent development they hold the promise of helping all of us live a fulfilled life. Medicine in general, and psychiatry in particular, suffers from a worldview that is symptom- and deficit-oriented. By adopting a positive approach, psychology, psychotherapy, and psychiatry add a more holistic, integrative, resource oriented, and preventive perspective. There is great urgency in developing resources and potentials in our patients, not only freeing them from their disorders. Psychiatrists and psychotherapists alike are incorporating these positive tools into their practices with positive clinical outcomes. Standing on the shoulders of pioneers like Nossrat Peseschkian, in positive psychotherapy, and Dilip Jeste, in positive psychiatry, this textbook is the first to bring together these innovations in one volume

that will serve as an excellent resource for medical professionals looking to reap the benefits gained by the studies in these areas. Currently, the majority of texts that are available are targeting psychologists and researchers, whereas this book seeks to use positive psychology as the foundation on which the clinical applications are built. As such, this book will be of interest to psychiatrists, psychologists, social workers, and other mental health professionals. It may be used in educating a new generation of mental health professionals in these tenets that are expanding the reach of psychology, the practice of psychotherapy, and the scope of psychiatry. *Tarzan: the Complete Russ Manning Newspaper Strips Volume 1 (1967-1969)* OUP Oxford Ein Lost Place, eine alte verlassene Irrenanstalt, verborgen in einem dunklen Wald ist Schauplatz einer neuartigen Fernsehshow! On 2 March 1998 ten-year-old Natascha Kampusch was snatched off the street by a stranger and bundled into a white van. Hours later she found herself in a dark cellar. When she emerged eight years later, her childhood had gone. In *3,096 Days* Natascha tells her incredible story for the first time: her difficult childhood, what exactly happened on the day of her abduction, her imprisonment and the mental and physical abuse she suffered from her abductor, Wolfgang Priklopil. *3,096 Days* is a story about the triumph of the human spirit and how,

against inconceivable odds, Natascha managed to escape unbroken.

### **So This Is Ever After**

Simon and Schuster  
This book presents the life and personality, the scientific and philosophical work of Ludwig Boltzmann, one of the great scientists who marked the passage from 19th- to 20th-Century physics. His rich and tragic life, ending by suicide at the age of 62, is described in detail. A substantial part of the book is devoted to discussing his scientific and philosophical ideas and placing them in the context of the second half of the 19th century. The fact that Boltzmann was the man who did most to establish that there is a microscopic, atomic structure underlying macroscopic bodies is documented, as is Boltzmann's influence on modern physics, especially through the work of Planck on light quanta and of Einstein on Brownian motion. Boltzmann was the centre of a scientific upheaval, and he has been proved right on many crucial issues. He anticipated Kuhn's theory of scientific revolutions and proposed a theory of knowledge

based on Darwin. His basic results, when properly understood, can also be stated as mathematical theorems. Some of these have been proved: others are still at the level of likely but unproven conjectures. The main text of this biography is written almost entirely without equations. Mathematical appendices deepen knowledge of some technical aspects of the subject.

### The Duel Orbit

In a world where magic is tightly controlled, the most powerful man in history must choose between his kingdom and his son in the first book in the epic NYT bestselling Lightbringer series. Guile is the Prism. He is high priest and emperor, a man whose power, wit, and charm are all that preserves a tenuous peace. Yet Prisms never last, and Guile knows exactly how long he has left to live. When Guile discovers he has a son, born in a far kingdom after the war that put him in power, he must decide how much he's willing to pay to protect a secret that could tear his world apart. If you loved the action and adventure of

the Night Angel trilogy, you will devour this incredible epic fantasy series by Brent Weeks. *No Bullshit* Simon and Schuster  
Modern-day teenagers meet a palace of terrors locked up since the French Revolution in this surprising and haunting thriller from Stefan Bachmann, the internationally bestselling author of *The Peculiar* and *The Whatnot*. *A Drop of Night* will thrill fans of Neal Shusterman and Jessica Khoury. Seventeen-year-old Anouk has finally caught the break she's been looking for—she's been chosen to participate in an exclusive program that includes an all-expense-paid trip to France and a chance to explore the hidden underground Palais des Papillons, or Palace of Butterflies. Along with four other gifted teenagers, Anouk will be one of the first people to set foot in the palace in more than two hundred years. Bachmann's masterful scene-building alternates between Anouk's flight through the palace and the struggles of Aurelie, who escaped the French Revolution by fleeing into the Palais des Papillons in 1792.
