Victory in Jesus Andthe Lord's Healing Touch - Scholar's Choice Edition Destiny Image Publishers

Excerpt from Victory in Jesus The Holy Spirit, Jesus' gift to His church, is changeless; and God's purposes are never disappointed or defeated. Kathryn Kuhlman's earthly ministry ceased with her death in 1976; but countless lives are still being touched for God through her books and the many radio tapes that she prepared in her lifetime. Again and again she acknowledged her nothingness and that every miracle that took place in her meetings - from the healing of physical bodies to those who found Christ as Savior - was a direct result of the power of God. For many years her inspired and down-to-earth heart-to-heart talks over nearly one hundred radio stations proved to be a rich fountain-head of nourishing spiritual food relating to everyday living. The might and life-changing power of these messages has not diminished with the

passing of time. After carefully reviewing her taped subject matter, this series titled "Victory in Jesus," was chosen for print. In addition, we have included an earlier publication, "The Lord's Healing Touch." About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Whatever news you hear or see, fear not. Many are going through all manner of sufferings and afflictions around the world in these our days. No doubt, all the sufferings, wickedness and hatred we are facing in our time are already indicators of the end of this age, and consequently the heralding of the return of Christ. Yes, the world is drawing closer to the end, and no one except God and His Christ can -if they choose to- stop the chaos and turbulence all the world over, but there is a way of escape. "For I will restore health unto thee, and I will heal thee of thy wounds, saith the LORD", Jeremiah 30: 17. "Beloved, I wish above all things that thou mayest prosper and be in

Bless Jehovah, O my soul, and forget not all His benefits; who forgives all your iniquities; who HEALS ALL your diseases"(Psalms 103: 1-3). So does it mean God heals all kinds of sicknesses that can attack and harass our mortal bodies? Truly God has already made provision for our healing and healthy living... This story is God's strategic plan for one of his endtime Prophets. The narrative chronicles her life; it is not the sugar coated dialogue you read in a lot of inspirational self help books. Its a straightforward insight into the process leading up to her prophetic walk Christ - of molestation, rape, drug addiction, abusive relationships, racial discrimination, hate crime, prison hustling and living a true thugs life - becoming a sought after drug dealer. Page after page, this book illustrates the redeeming power of Jesus as he supernaturally transforms his chosen vessel with his healing power and delivering love. How the Holy Ghost

mold and shape her into one of its awesome weapons in the kingdom of God today and filled her with knowledge of his word which she applied to her walk with Him. God's word taught her how to forgive her molester, her rapist and the racist people who conspired against her. She has been transformed by the renewal of her mind and today her mind is the mind of Christ. Prophetess Gwendolyn has a compassion for the lost creations of God and has been gifted by God's Kingdom with a mantle, anointed and assigned to go and preach the life she lives. With a humble love for her brothers and sisters on prison lockdown because it could've been her in prison today; she candidly spreads the gospel, focusing on healing the heart and mind and bringing the lost to Christ. If there is someone in your family today who is struggling or has struggled with drug addiction, sexual abuse, racial bias, or any adversity, this book illustrates that there is hope. Always remember Jesus is Lord! The Holy Ghost is always on his post as the deliverer of the world. He can do anything but fail.

**MIRACLE OF HEALING** TATANG D. H. R. Have you ever prayed for a sick friend?

Does God heal today? If so, why are so many people in pain around us? We have all heard stories of miraculous healings. But can we believe them? Why are some people healed and some not? Does God give ordinary Christians the authority to heal? As Ken Blue explores these questions he found plenty of answers, but none that satisfied him. He wanted answers that were true to Scripture and true to a loving and just God. His search into the Bible and into the ministry of healing has produced a rich and very human book. Here is a book for everyone who has ever prayed for a sick friend.

INTRODUCTION In the past, although I had received healing supernaturally, it seemed magical. It was amazing. I was always grateful and in awe, yet the mystery still remained. I knew the source of the miracle and the source of the power, but what was it in me that caused my faith to receive this miracle? I was haunted by a scripture that seemed as though it was written like a riddle. "Now faith is the substance of things hoped for, the evidence of things not seen." -- Hebrews 11:1 (KJV) I went over the words repeatedly, I dissected them and broke them down, over and over in my head. I really played them out in my life as I tried to comprehend the spiritual application. Did I make it too complicated? I have highlighted the memories that are prominent and most important to this story. Those 13 years may have seemed like a lifetime but the things that I learned during this journey of self-discovery with God, were only a mere whisper of my lifetime.

Victory in The Storm "Fighting the good fight of faith." 1 Timothy 6:12A KJV  
Victory in The Storm is an exciting and inspirational book that will help you through your fight with cancer or any illness. What you learn in this book will build up your faith and strengthen you as you heal. What I wrote is what I learned after the doctors wanted to pull the plug on me. What I wrote here is how I was able to inspire others as I got my healing victory. My prayer as you read this inspirational book is that it will build up your faith. As you read this book. I pray you will build up an expectancy and an atmosphere for miracles. As your faith increases, you will be stirred up and you will get your breakthrough. Another place you can build up your faith is by reading the Bible. Romans 10:17 ESV says, "So faith comes from hearing, and hearing through the word of Christ." I once was in ICU for 37 days, 10 of them in a coma. The doctors gave me little hope. Several times they asked my family to pull the plug on me. The doctors gave me a death sentence, but God gave me a life sentence. He always has the final say. God said "your time, Butch Dias, is not up. You need to tell the world of My story." I had to make a conscious choice not to listen to the doctor's report. I read my Bible and researched every healing scripture there was in it. I spent time memorizing them and praying them over myself. I had many Bible believing friends that stuck with me and encouraged me, and prayed

me through the bad days. I would learn to stand on the Word of God and in tougher times, stand more. I was blessed to have a great support system. People prayed relentlessly for me. They had "Pit Bull" faith. They would not let go of my healing promises. Miracle after miracle happened and I had to step out in faith to survive. The more I stepped out in faith, the more I got well. I learned that baby steps were still steps forward. Baby steps were just building blocks of faith. This book was written with the love and compassion to help hurting people with what I learned. This is how I found victory for my situation. Sometimes you have to position yourself to receive. A tight end in football has to run the right route to be able to receive the pass from the quarterback. He has to position himself to receive the ball or he will never get his touchdown. By releasing our faith we can create an atmosphere to receive our miracle. Praying for your miracle today and believing for your healing. Sincerely yours in Christ, Butch Dias Matthew 14:12 NASB, "When He went ashore, He saw a large crowd, and felt compassion for them and healed their sick."

"I encourage anyone who wants to have a better grounding in the biblical, historical, and theological basis for believing in the continuation of the gifts—especially gift of healing—to make this a part of his or her library. This book is not milk; it is meat." —Randy Clark  
Jesus brought people into direct contact with the power and authority of God. Every healing and miracle revealed the glory of God and the reality of His kingdom. Jesus gave the disciples authority to proclaim the gospel of the kingdom, to heal the

sick, and to deliver the oppressed. *Receive Your Miracle Now* presents a strong argument for the legitimacy of a Christian healing ministry in today's church. By studying key passages of Scripture in both the Old and New Testaments, examining the thread of healing throughout church history, and presenting a theological basis for healing and deliverance ministry, Bob Sawvelle demonstrates that through the healing gifts Jesus is still glorified, the sick are still healed, the oppressed are still freed, and God's kingdom advances in the earth, as it ever has.

For years Billy Gibson fasted and prayed to God about the destructive path his son was following. One day, God simply answered, "Shout to it." Gibson obeyed, and just three weeks after he began shouting to the Lord over his son, God answered his prayer and brought healing and restoration. Does God want you to shout in your life as well? In *Shout*, Gibson uses his own story along with substantial biblical research to give you the keys to understanding the power of the shout. You will learn to... Over and over in the Bible, God tells us to shout to our victory. Today, God is calling His church to begin to shout unto God with a voice of triumph. Let us not just come in with a shout and go out with a shout, but continue to shout in celebration of God's victory.

By His Stripes We Are Healed God loves us and He wants us healthy, not sick. He has given me a mandate to reach the world with the message that God is still healing, and delivering people today. God can turn your negative report around; He did it for me, by healing me twice from cancer, and He wants to do it for you. God has blessed me to tell my testimony and pray for many people that were deaf, lame, had M.S., cancer, growths, injuries, back problems and much more, that are now healed. To God be the Glory! Our Church, New Creation Ministries, located in Cobbs Creek, Virginia, has also seen God move miraculously over the years through Healing and Deliverance. There is nothing too hard for God. Surely He has borne our griefs and carried our sorrows; yet we esteemed Him stricken, smitten by God, and afflicted. But He was wounded for our transgressions, He was bruised for our iniquities; the chastisement for our peace was upon Him, and by His stripes we are healed. Isaiah 53:4-5 Cheryl Forrest is the Co-

pastor of New Creation Ministries, along with her husband Apostle Steven and is an ordained Prophet. They have four sons, Willie, Anthony, Michael and Steven, Jr., and a beautiful granddaughter Chloe. She's also a spiritual mother, to many wonderful anointed men and women of God. Hearts divided between the flesh and the Spirit know only heartache, but spiritual healing takes place when God knits your heart back together with His love. We are living in tumultuous days. God knows us and is with us. What does He see in His children? Does He see them walking in victory? Does He see hearts that have been transformed, making His Holy Spirit's dwelling place one of holiness? Victory, transformation, holiness—most believers have no life knowledge of these truths, but their heads are crammed to overflowing with what they can tell you about them. Today's believer deeply needs a message of the availability of victory, of true heart transformation, and of holiness that meets the demand of God's heart. Spiritual Healing is for the anemic believer; it is for the anemic church. *Victim To Victory* Xulon Press  
We live in a fallen world. There's no way around it. Countless men, women, and children struggle with God's scriptural promise of supernatural, and miraculous healing. Most individuals, many who are Christian, express disappointment with seemingly unanswered prayers related to sickness, life-threatening disease, tragedy, loss, or life-altering events. They are not alone in their struggles. Neither are you. What is healing all about, anyway? Why do some individuals experience physical healing or cure, while the numerous prayers of others seemingly go unanswered? Is God's

healing real, or some divine joke meant to confuse us? In her book, *The Victory Dance of God, His Promise of Healing is Yours*, the author imparts seven power-packed kingdom principles about the nature of God, His ability to heal, and the secrets of reaping a spiritually joy-filled life; despite illness, suffering or tragedies that come our way. She articulates evidence of this power through the nuts and bolts of scripture, her personal story

of healing from an incurable form of cancer, and a compelling encounter she had with the living God who not only calls each of us by name, but deeply loves us, and wants to heal us! Does God still heal today? Yes! He has ultimate power to restore us through the supernatural, miraculous, extraordinary, and even the ordinary circumstances in our lives. Believe!
