The Grammar of Spelling - 3rd Grade CreateSpace

Spelling is an under-researched and often under-taught elementary school subject. This book details an investigation of traditional versus extended word study spelling instruction that includes results of 3rd graders' spelling achievement. Traditional

spelling instruction was based on the use of spelling lists from 3rd grade basal readers. The extended word study instruction brought together the Words Their Way "word study" curriculum plus the use of reliable spelling generalizations. Overall spelling achievement, general spelling knowledge, transfer of spelling knowledge and ability to verbalize spelling knowledge were measured. Extend word study significantly improved overall spelling development, ability to discuss common spelling usage patterns and transfer of spelling knowledge to unfamiliar low-frequency words. This book will be helpful to elementary school administrators and teachers interested in how to provide engaging and evidenced-based spelling instruction that is integrated into a literacy framework.

Extended Word Study Spelling Instruction with Third Grade Students
 Carson-Dellosa Publishing

"Ugg! I will never learn these spelling words." My oldest son grumbled to me one Saturday night. With a solid "F" grade listed on last week's spelling test and faced with a list of fifteen new words he had to memorize by Friday, his little soul shrank within his frame as self-doubt crept into his mind. "Well, what if

your words were incorporated in a story?" I asked him. "The stories we read at school are boring." He complained. "What if I wrote the story?" I asked back. He squinted at me and replied skeptically "It could work..." He continued "Only if you make it a cool story with ninjas and zombies and stuff." I replied "I can do that." Ever weekend since then, throughout the entirety of his third-grade year, I wrote one short story after another making sure to include his spelling words for that week in the tale. What follows here is those stories. The spelling words in each story are highlighted in bold. This can be used as a learning aid for typical 3rd-grade level spelling words, or just for a series of interesting stories. Either way, enjoy.
