### Understanding Human Nature (Psychology Revivals)

Routledge

A novel about men, love and relationships by the author of the Book of the Year, *Man and Boy*.

### Magic Hour

Tate Publishing

Originally published in 1928 this book was an attempt to acquaint the general public with the fundamentals of Individual Psychology. At the same time it is a demonstration of the practical application of these principles to the conduct of everyday relationships, and the organization of our personal life. Based upon a years' lectures to audiences at the People's Institute in Vienna, the purpose of the book was to point out how the mistaken behaviour of the individual affects harmony of our social and communal life; to teach the individual to recognize their own mistakes; and finally, to show them how they may effect a harmonious adjustment to the communal life. Adler felt that mistakes in business or in science were costly and deplorable, but mistakes in the conduct of life are usually dangerous to life itself. This book is dedicated by the author in his preface 'to the task of illuminating man's progress toward a better understanding of human nature.'

The love story of Emperor Jahangir and Mehrunnisa, begun in the critically praised debut novel *The Twentieth Wife*, continues in Indu Sundaresan's *The Feast of Roses*. This lush new novel tells the story behind one of the great tributes to romantic love and one of the seven wonders of the world -- the Taj Mahal. Mehrunnisa, better known as Empress Nur Jahan, comes into Jahangir's harem as his twentieth and last wife. Almost from the beginning of her royal life she fits none of the established norms of womanhood in seventeenth-century India. Mehrunnisa is the first woman Jahangir marries for love, at the "old" age of thirty-four. He loves her so deeply that he eventually transfers his powers of sovereignty to her. Power and wealth do not come easily to Mehrunnisa -- she has to fight for them. She has a formidable rival in the imperial harem, Empress Jagat Gosini, who has schemed and plotted against Mehrunnisa from early on. Mehrunnisa's problems do not just lie within the harem walls, but at court, too, as she battles powerful ministers for supremacy. These ministers, who have long had Emperor Jahangir's confidence and trust, consider Mehrunnisa a mere woman who cannot have a voice in the outside world. Mehrunnisa combats all of this by forming a junta of sorts with three men she can rely on -- her father, her brother, and Jahangir's son Prince Khurram. She demonstrates great strength of character and cunning to get what she wants, sometimes at a cost of personal sorrow when she almost loses her daughter's love. But she never loses the love of the man who bestows this power upon her -- Emperor Jahangir. *The Feast of Roses* is a tale of this power and love, the story of power behind a veil.

### When the Scoundrel Sins Forever

The Fortress is one of the most significant and fascinating novels to come out of the former Yugoslavia. Ahmet Shabo returns home to eighteenth-century Sarajevo from the war in Russia, numbed by the death in battle or suicide of nearly his entire military unit. In time he overcomes the anguish of war, only to find that he has emerged a reflective and contemplative man in a society that does not value, and will not tolerate, the subversive implications of these qualities.

From the sensuous voice of novelist Brenda Joyce comes Firestorm, the extraordinary second book in the Bragg family saga that has captured the hearts of readers everywhere. Here is the beginning of the Bragg empire-opulent and glamorous-vast, dangerous, and as untamed as the sweeping plains of Texas... Storm Bragg could outshoot and outride any man, but her family decided it was time she traded in her buckskins for a ballgown and made her debut in San Francisco society. Quickly pursued by every eligible gentleman in town, the young hellcat from Texas had eyes for only one, and he was no gentleman. Brett D'Archand was a self-made success -- arrogant, impossibly attractive, blatantly sensual -- and looking for a wife who would give him respectability. Storm was completely bewitched by him, but she made him lose his head as well as his heart. And, threatened by scandal and ruin, they are forced to wed -- a tempestuous union of free spirits, shackled only by the irrepressible bonds of love.
