Loneliness has reached epidemic proportions. We have lost the art of connection and relationship, and it's killing us. Odds are good that you have a loved one or friend whose struggle with addiction, mental illness, suicidal thoughts, or self-injury stems from loneliness. Maybe it's you.

Perhaps you're feeling depressed or anxious, struggling with compulsive behavior, or simply questioning whether you are truly seen, loved, and valued. The culprit could well be that you're lonely. Dr. Mark Mayfield understands the crisis well, as it led to him nearly taking his own life as a teen. As a board-certified counselor, he has built a reputable counseling practice on the forefront of brain science and attachment therapies, dedicating his life to

helping adults and adolescents confront their feelings of isolation and alienation. He is relied upon by new and experienced counselors for training, and he has become an anchor and guide for community leaders, educators, and faith leaders. When you read and apply the practices in *The Path out of Loneliness*, you'll develop habits that move you from isolation to connection. You'll learn the importance of attachment, the art of connection, the power of

relationships, the priority of personal responsibility, the gift of vulnerability, and the vision of God, who knew from the beginning that it's not good for us to be abandoned to ourselves. This book will guide you, the people you love, and the community you live in toward a richer, fuller, healthier life.

What if God wants you to wait? Most of us know what it's like to wait for God to change our circumstances. But,

whether we're waiting for physical healing, emotional breakthrough, or better relationships, waiting is something we usually try to avoid. Why? Because waiting is painful and hard. The truth is, it's also inevitable. In *Still Waiting*, Ann Swindell explores the depths of why God wants us to wait by chronicling her own compelling story of waiting for healing from an incurable condition. She offers a vibrant retelling of the biblical account of the Bleeding Woman that parallels her

story—and yours, too. Let Ann help you see the promise that is hidden in the ache of waiting and the hope of what God can—and will—do as you wait on him.

"It is my feeling that debilitating shame and guilt are at the root of all dysfunctions in families," says Jane Middleton-Moz. A few common characteristics of adults shamed in childhood: You may suffer extreme shyness, embarrassment

and feelings of being inferior to others. You don't believe you make mistakes, you believe you are a mistake. You feel controlled from the outside and from within. You feel that normal spontaneous expression is blocked. You may suffer from debilitating guilt; you apologize constantly. You have little sense of emotional boundaries; you feel constantly violated by others; you frequently build false boundaries. If you see yourself in any of these characteristics, you can

learn how shame keeps you from being the person you were born to be and how to change that. Shame And Guilt describes how debilitating shame is created and fostered in childhood and how it manifests itself in adulthood and in intimate relationships. Through the use of myths and fairytales to portray different shaming environments, Dr. Middleton-Moz allows you to reach the shamed child within you and to add clarity to what could be difficult concepts. The Cry of the Soul Farrar, Straus and Giroux
 Hope for the Restless, Hurting Heart "Shame on you." We've all heard those words and felt the sting in our souls. We might try hard to earn love and acceptance for a while, but eventually we find ourselves exhausted, anxious, despaired. Shame can motivate us to try harder but it never sets us free. It is, in short, a lie that steals real peace and hides true joy. Now Alan D. Wright shares in a

refreshing new way how to let the grace and power of Jesus Christ transform you and unlock the key to an entirely new way of living and loving. While he experienced this liberation for himself, as a pastor he has also guided countless others to the same place of freedom. Here's how to give up your tireless quest for the approval of others, find rest in God's love, and turn the exhortation upside down: where the shame comes off you...for good! They Say Success Is Sweet... Too Bad You

Don't Enjoy It. You could be relishing your accomplishments. Instead, are you plagued with: □ Feeling like the pressure's always on? □ Wishing it didn't matter so much what others think of you? □ The same reoccurring sins or addictions? □ Regret for criticizing those you love? Then it's time to overthrow the tyrant within. It's a lie called shame that whispers, You're not good enough. With a brilliant combination of humor, biblical wisdom, and

practical guidance, pastor Alan Wright invites you to get grounded in God's grace. It's the only Truth powerful enough to banish the lie. And it's the only way you can receive the life you struggle so hard for, but never attain. A place of contentment and love is waiting for you—if you dare accept the gift. Don't wait. Get the shame off you—for good! Story Behind the Book "When I was in the fourth grade, we had a 'family meeting' at which my dad announced that he wouldn't be living at

home anymore. Thus ended my happy world. I launched into a life of superlative success. But my secret master motivation was not joy, but fear. Some years ago I began a ruthless self inventory that uncovered the various manifestations of shame in my life. I found that it was not as powerful as I once thought and that I could change by the healing grace of Jesus Christ. Over the years, I developed a passion for telling people how they could release their shame to Christ and

be healed by His love and grace.” — Alan D. Wright
To Be Told Penguin Books
 With over a million copies sold, this classic work is essential reading for all who ask, “Where has my struggle led me?” A chance encounter with a reproduction of Rembrandt’s *The Return of the Prodigal Son* catapulted Henri Nouwen on an unforgettable spiritual adventure. Here he shares the deeply personal and resonant meditation that led him to discover the place within

where God has chosen to dwell. As Nouwen reflects on Rembrandt’s painting in light of his own life journey, he evokes a powerful drama of the classic parable in a rich, captivating way that is sure to reverberate in the hearts of readers. Nouwen probes the several movements of the parable: the younger son’s return, the father’s restoration of sonship, the elder son’s resentment, and the father’s compassion. The themes of homecoming, affirmation, and

reconciliation will be newly discovered by all who have known loneliness, dejection, jealousy, or anger. The challenge to love as God loves, and to be loved as God's beloved, will be seen as the ultimate revelation of the parable known to Christians throughout time, and is here represented with a vigor and power fresh for our times.

We are people of desire. In *The Soul of*

Desire, psychiatrist Curt Thompson suggests that underneath all our longings is the desire to be known—and what's more, that this fundamental yearning manifests itself in our deep need to make things of beauty, revealing who we are to others. Desire and beauty go hand in hand. But both our craving to be known and our ability to create beauty have been marred by trauma and shame, collapsing our imagination for what God has for us and blinding us to the

possibility that beauty could ever emerge from our ashes. Drawing on his work in interpersonal neurobiology and clinical practice, Thompson presents a powerful picture of the capacity of the believing community to reshape our imaginations, hold our desires and griefs together, and invite us into the beauty of God's presence. *The Soul of Desire* is a mature, creative work, weaving together neuroscience and spiritual formation to open up new horizons for

thinking not only about the nature of the mind, but about what it means to be human.

Unwanted: How Sexual Brokenness

Reveals Our Way to Healing is a groundbreaking resource that explores the “why” behind self-destructive sexual choices. The book is based on research from over 3,800 men and women seeking freedom from unwanted sexual behavior, be that the use of pornography, an affair, or buying sex. Jay Stringer’s (M.Div, MA, LMHC) original research

found that unwanted sexual behavior can be both shaped by and predicted based on the parts of our story—past and present—that remain unaddressed. When we pay attention to our unwanted sexual desires and identify the unique reasons that trigger them, the path of healing is revealed. Although many of us feel ashamed and unwanted after years of sexual brokenness, the

book invites the reader to see that behavior as the very location God can most powerfully work in their lives. Counselors, pastors, and accountability partners of those who experience sexual shame will also find in this book the deep spiritual and psychological guidance they need to effectively minister to the sexually broken around them.
