Many Christians think of end times prophecy as a gigantic, intimidating puzzle -- difficult to piece together and impossible to figure out. But every puzzle can be solved if you approach it the right way. Paul Benware compares prophecy to a picture puzzle. Putting the edge pieces together first builds the 'framework' that makes it easier to fit the other pieces in their place. According to Benware, the framework for eschatology is the biblical covenants. He begins his comprehensive survey by explaining the major covenants. Then he discusses several different interpretations of end times prophecy. Benware digs into the details of the Rapture, the Great Tribulation, the judgements and resurrections, and the millennial kingdom. But he also adds a unique, personal element to the study, answering questions as: -Why study bible prophecy? -What difference does it make if I'm premillennial or amillennial? If what the Bible says about the future puzzles you, Understanding End Times Prophecy will help you put together the pieces and see the big picture.

The Book of Daniel is a prophecy given by God to Daniel 600 years before Christ that reaches clear down to the end of earth's history. It is especially applicable to our day, pointing out the immediate future. In The Story of Daniel the Prophet, a few of the interesting facts in regard to God's dealings with His people have been gathered into a simple narrative.This book is the result of much prayerful study. It is sent forth with an earnest prayer, that in the hands of the parents it may be the means of making the study of the Bible in the family a blessing to young and old; and that the teacher in the schoolroom may see precious rays of light flashing from its pages, pointing both teacher and pupil to the Great Divine Teacher.We trust that while its simplicity will attract many who might not be inclined to read a deep argumentative treatise, the most studious will find food for thought, and thus become better acquainted with the character of our Heavenly Father. Those who wish to enter into more comprehensive study, will find that the marginal references open up many veins of precious ore in the deep mines of God's Word.Throughout the entire book the special providence of God over those who are faithful to Him is brought out in clear contrast to the fate of those who ignore His guiding hand. The truth is the same, whether in the history of nations or individuals.As The Story of Daniel the Prophet goes forth on its mission of love for the Great Master, may it prove a blessing to all classes, young and old, rich and poor, learned and unlearned.

Understanding the Dreams You Dream: Biblical Keys for Hearing God's Voice in the Night not only provides insight into your dreams and life, but also includes a comprehensive dictionary of dream symbols! You will be guided through the complex world of dreams by a minister with decades of experience receiving, understanding, and interpreting dreams of his own and for others. I have received many helpful messages from God through dreams. In addition to being helped through my own dreams, I have seen many other people obtain help and comfort by using their dreams as an aid to healing in pastoral counseling. -Ira Milligan Through Scripture-based meditation, much can be understood about your dreams, but many Christians don't know how to meditate. This problem is addressed in three different ways: • Specific, detailed directions are given on how and upon what to meditate. • Personal examples of dreams from the author's own experiences. • Practical dictionary of symbol definitions is included. This book presents both normal and not-so-normal dream situations. You will learn that to apply only one type of dream interpretation to all dreams is restricting each symbol to only one possible definition, which is incorrect. And you will learn how to tell the difference between a dream from God—and those from evil sources.

Understanding the Dreams You Dream Revised and Expanded Kenneth Hagin Ministries

The ministry of angels is part of our inheritance as believers. Yet, many are not receiving full benefit of their ministry because they don't know how to activate it on their behalf. From my interaction with today's Christians, very few have seen or encountered angelic visitations. Many of them are not even aware of angelic presence or don't even know that they can be around them. This is because there are fewer teachings about angels and many Christians are never taught how to engage walk and work with angels in the first place. In this publication, Apostle Frequency Revelator hands over the keys to activating the ministry of angels in your life, church, business or any human endeavour. This book breeds a powerful revelation and insight on how to activate the work of angels in your life. The truth is that multitudes of people are trapped in a debilitating morass of poverty, lack, financial constraints and faces difficulties in their lives, ministries, marriages and carriers because they are not involving angels in what they are doing. God has released battalions of angels to help us but if we are ignorant of their presence or existence, we will not access all the help we need. Read this book and tap into the realm of walking with angels and have all blessings of God manifested in your life. The reading of this revelation will culminate in the following realities in your life: -It will cause you to be sensitive to angelic presence-It will launch into a deeper angelic realm whereby you shall walk and talk with angels as if they are your friends.-It will give you authority and boldness to command and instruct angels to perform certain divine tasks on your behalf.-It will empower you with an anointing to cause angels to manifest physically in such a way that they are visibly seen in the natural realm just like human beings.Presiding over a global network of apostolic and prophetic visions, in the capacity of the President of Christ Resurrection Movement (CRM), the Director of Global School of Resurrection (GSR), Senior Pastor of Resurrection Embassy (RE), the founder of Resurrection TV (The Dead-Raising Channel) and the pioneer of the renowned Global School of Signs and Wonders (GSSW), Apostle Frequency Revelator unpacks a plethora of rare but provocative revelations on the ministry of angels which is foreign to many believers across the Body of Christ

today.

Building on Keown's earlier two-volume work, *Jesus in a World of Colliding Empires*, *Understanding Mark's Gospel* gives an easily readable introduction to Mark's Gospel. Designed as a textbook, it includes eleven lessons on Mark's Gospel. The first lesson covers background issues important for understanding Mark. The Gospel is then divided into ten sections, each forming a lesson. After reading the biblical passages, students can read each lesson and get a succinct commentary with exegetical insights on the Markan passages. Each lesson ends with questions that can be discussed by readers. All Greek is transliterated, and the book is an excellent and simple introduction to Mark's Gospel.
