*Pope Francis'  
Revolution of  
Tenderness and Love*  
Zondervan  
Winner of the Student  
Vote, UKLA Book Award  
2017 Winner of the  
Warwickshire Schools  
Book Award 2017  
Shortlisted for the  
Branford Boase Award  
2017 Nominated for  
the 2017 CILIP  
Carnegie Medal I've  
put this story together  
from the diaries I kept  
when Zac and I were  
children. I wrote them  
because I felt we were  
almost invisible and I  
wanted to make sure  
our story was told, and  
also in the hope that  
life would get better for  
the small unloved girl

that was me, and my  
even smaller unloved  
brother. And if life  
didn't get better or at  
least more interesting I  
was going to make it  
up - to put in witches  
and castles and rides  
in fast cars. But I didn't  
need to. Life got  
exciting all by itself...  
It's 1987 and Ira and  
Zac are being uprooted  
once again, this time to  
Skilly House, a home  
for social care children.  
Their lives over the  
next few years are  
beautifully realised  
amongst the antipathy  
of the authorities, the  
drama of the poll tax  
riots and the moments  
of peace and hope Ira  
finds at Skilly and  
further afield. This is a  
memorable and  
moving tale about  
growing up, making  
friends and finding a  
home. Featuring a  
brand new short story,

'Glenda'. "This remarkable debut novel reads as if written by an experienced children's author at the height of her powers. The story of looked-after siblings of 9 and 11, it is reminiscent of Jacqueline Wilson in its subject and Sharon Creech in its style and generosity of spirit. Instantly engaging, and sustaining emotional involvement throughout... this is an uplifting and convincing evocation of time and place, of two vivid young lives, and of the hope that kindness can offer. It is a gentle story, although sad things happen (expect tears), and it tells us clearly how the feelings of adults and children can be complicated." - The Sunday Times,

Children's Book of the Week "...a beautiful book... the characters are brilliantly drawn. SE Durrant writes both economically and subtly as she tells the story of the children and the mysterious Glenda. In spite of its lyrical quality, realism permeates the book and the ending, whilst optimistic, is entirely believable. I can offer no higher compliment than that this is worthy of Elizabeth Laird at her very best." - The Scotsman "Set against the backdrop of the 1990 poll tax strikes and written in diary-like entries, this is a personal and heartfelt tale of growing up as a child in care. It's wonderfully honest and does not shy away from the heartache of loss and longing. What makes it even more

special is how Durrant keeps it realistic but maintains a sense of hope and optimism. A must-read but have a box of tissues at the ready." - BookTrust "Little Bits of Sky is a truly, truly, truly lovely story. It's rather difficult to credit it as a debut novel because it is completely comfortable in its own skin from the first page to the last. It doesn't try too hard. It doesn't proselytise. It's just there, feeling deeply authentic and real ... Uplifting and heartwarming without ever being twee, this debut will find a place in the heart of readers of any age. It deserves to do well. I hope it does." - The Bookbag "...this is a rare book that is perfect for young readers who want a proper story,

real characters and situations without being harrowed and where there is the warmth of optimism. This is the author's debut and to be highly commended: a new voice to welcome." - Books for Keeps Also by S. E. Durrant: *Running on Empty* *Talking to the Moon* "We Are Not Scared to Die" Paulist Press Within all of us there is an "inner core." It is there where we can behold our own pulse, rhythmically, harmoniously blending with the divine. For many of us, this "silent core" folded in its unique rhythm, is hidden. We have yet to know of it and to experience its presence. This manual is to guide you as you seek to unfold the continuum of the

eternal, divine pulse within you. Your handwriting is a "mirror" of your inner pulse. Symbolically, it reveals your attitudes, behavioral tendencies, inner resourcefulness, self-direction, and interpersonal motivations. That inner "essence" however, may not be known because of fears, anxieties, ego motivations, and self-destructive patterns. Thus there is disharmony clouding the inner rhythm. The lessons of this manual assist you in bringing into harmony and balance your modes of thinking, feelings, and willing. To involve different conscious levels, the lessons include form drawings, visualizations, reflections and affirmations, along with

Queer Dance Michael  
O'Mara Books  
The first and only  
coloring book based on  
the art of the beloved  
and acclaimed painter  
and television  
personality. This  
exclusive authorized  
collection of art,  
derived directly from  
Bob Ross's own  
paintings, offers his  
legions of fans a  
contemplative,  
relaxing, and inspiring  
way to connect with  
the work and  
personality of the pop-  
culture icon. Featuring

many of Ross's most famous quotes and catchphrases about happy little trees, friendly squirrels, and more, the book also includes a gallery of his original artwork. But as he would no doubt want, coloring fans of all ages are encouraged to make their own decisions, embrace their mistakes, and make each painting their own. Bob Ross is a cult figure around the world among varying age groups, especially Generation X. And everyone agrees he is about more than just painting. His fans—few of whom identify themselves as artists—agree that his quiet, nurturing disposition is a form of therapy, making his work the absolutely perfect subject of an

adult coloring book. This coloring book presents more than seventy-five line drawings created from Ross's own artwork.

'Queer Dance' challenges social norms and enacts queer coalition across the LGBTQ community. The text joins forces with feminist, anti-racist, and anti-colonial work to consider how bodies are forces of social change.

*Green Box* White Lion Publishing

How to find the solution for fulfilling relationships within yourself. "The solution lies within yourself!": This practice-oriented guide, written by Wieland Stolzenburg, explains why the

solution for conflicts and challenges in relationships lies within ourselves. Unless we stop searching for the cause and solution within our partner, we won't be living the relationship we desire. Straight from the practice of a relationship psychologist The author uses examples from his practice for relationship counselling and couple's therapy to illustrate that these changes are possible - practice-oriented, solution-oriented and understandable. He also communicates psychological background knowledge, offers impulses, asks questions and enables the reader to find solutions on their own and with easily implementable

exercises. A book for couples and singles  
This relationship guide is aimed at everyone who wishes to understand themselves and their relationship pattern better and to contribute to changes by accepting responsibility. With the goal to re-design relationships to be happier, more fulfilled and harmonic. A book written by Wieland Stolzenburg, [www.wielandstolzenburg.com](http://www.wielandstolzenburg.com)

Elegantly repackaged, The Morning Pages Journal is one of The Artist's Way's most effective tools for cultivating creativity, personal growth, and change. Now more compact and featuring spiral binding to make for easier use, these Morning Pages invite you to do three pages daily of longhand writing, strictly stream-of-consciousness, which provoke, clarify, comfort, cajole, prioritize, and synchronize the day at hand. This daily writing, coupled with the twelve-week program outlined in The Artist's Way, will help you discover and recover your personal creativity, artistic confidence, and productivity. The Artist's Way Morning Pages Journal includes

an introduction by Julia Cameron, complete instructions on how to use the Morning Pages and benefit fully from their daily use, and inspiring quotations that will guide you through the process.

Water Nosy Crow

An eye-catching information book filled with one hundred interesting facts to learn about food: for example, learn about how cooking came about, the different methods used (grilling, boiling, fermentation etc) and what purposes it served in terms of nutrition. It will also be a great way to educate children about nutrition and the issues around overeating, junk food and obesity.

"I was desperate. . . . I couldn't turn off the dark thoughts, no matter how hard I tried or how much I prayed. And then I spent a whole weekend in bed, and the crying wouldn't stop, and I got really scared. I've had bouts with depression before—it's kind of a cloud I've learned to live with—but this time

was different. I felt like I was going under, like I'd never feel hopeful again, and then that just made my anxiety worse and it all spiraled from there."

Wren Crawford is a social worker who finds herself overwhelmed with the troubles of the world. Her lifelong struggles with anxiety and depression are starting to overcome her. She finds solace in art, spiritual formation, and pastoral care along with traditional therapeutic interventions. But a complicated relationship from her past also threatens to undo her progress. Fans of Sharon Brown's bestselling Sensible Shoes Series will be delighted to discover some old friends along the way. As Wren seeks healing in this

beautifully written novel, readers are invited to move beyond pat answers and shallow theology into an experience of hope and presence that illuminates even the darkness.

**Terminplaner 2020**

For Dummies  
Sacred Pathways reveals nine distinct spiritual temperaments--and their strengths, weaknesses, and tendencies--to help you improve your spiritual life and deepen your personal walk with God. It's time to strip away the frustration of a one-size-fits-all spirituality and discover a path of worship that frees you to be you. Experienced spiritual directors, pastors, and church leaders recognize that all of us engage with

God differently, and it's about time we do too. In this updated and expanded edition of Sacred Pathways, Gary Thomas details nine spiritual temperaments and--like the Enneagram and other tools do with personality--encourages you to investigate the ways you most naturally express yourself in your relationship with God. He encourages you to dig into the traits, strengths, and pitfalls in your devotional approach so you can eliminate the barriers that keep you locked into rigid methods of worship and praise. Plus, as you begin to identify and understand your own temperament, you'll soon learn about the temperaments that aren't necessarily

"you" but that may help you understand the spiritual tendencies of friends, family, and others around you.

Whatever temperament or blend of temperaments best describes you, rest assured it's not by accident. It's by the design of a Creator who knew what he was doing when he made you according to his own unique intentions. If your spiritual walk is not what you'd like it to be, you can change that, starting here.

Sacred Pathways will show you the route you were made to travel, marked by growth and filled with the riches of a close walk with God.

*Shades of Light*

Castrovilli Giuseppe  
'Terrifying and terrifyingly real, a must-read for fans of Stephen King and John

Ajvide Lindqvist' - Elizabeth Hand, author of *Hard Light Welcome* aboard the *Baltic Charisma*. Tonight, twelve hundred expectant passengers have joined the booze-cruise between Sweden and Finland. The creaking old ship travels this same route, back and forth, every day of the year. But this trip is going to be different. In the middle of the night the ferry is cut off from the outside world. There is nowhere to escape. There is no way to contact the mainland. And no one knows who to trust . . . On the Baltic Sea, no one can hear you scream. 'I will never set foot on a cruise ship again!' - Åsa Larsson, bestselling author of *The Second Deadly Sin* and *Until thy Wrath Be*
