Barçargentinos - Historia de los futbolistas argentinos del FC Barcelona
Edicions Universitat Barcelona
El fútbol es el deporte más popular del mundo, pero no es sólo un juego, es un hecho social que levanta pasiones y un fenómeno político, económico, cultural, solidario y educativo, cuya influencia se siente en múltiples ámbitos. En Vigo, cuando el Celta gana, los profesionales rinden más en su trabajo; si el Club Atlético Osasuna pierde, se nota una bajada de la productividad en la planta de Volkswagen en Pamplona; varios estudios concluyen que el número de días de huelga en Fiat está relacionado con los resultados que consiga la Juve. Con esta interesante obra, repleta de anécdotas, personajes y datos, disfrutarás aún más con el deporte rey y aprenderás por qué en muchas zonas del planeta el fútbol es una forma de vida
De Lexicografia Editorial Almuzara
La Universidad de Barcelona custodia uno de los depósitos de pintura más

antiguos, extensos y variados del Museo del Prado, integrado por 56 obras, la mayor parte de las cuales llegó entre 1877 y 1882 a la plaza Universidad para engalanar el nuevo edificio que había proyectado Elias Rogent. Este fondo constituye un signo de identidad de la institución, que inicia la renovación de su catálogo artístico con este libro —el primero de una serie— en el que han colaborado una treintena de especialistas de las universidades y los centros de investigación más importantes de Cataluña. En sus contribuciones, los autores destacan tanto la revisión en profundidad de una colección singular como la voluntad de dar a conocer nuevas atribuciones a obras inéditas y propuestas interpretativas hasta ahora desconocidas.

"Visual Propaganda, Exhibitions, and the Spanish Civil War " Walter de Gruyter GmbH & Co KG

"Este libro recoge, con toda la capacidad documental y la sensibilidad de los distintos autores, no solo la notable historia de todos estos años, sino también aquellos detalles, anécdotas,

vivencias y recuerdos que se han ido produciendo desde el nacimiento del Espanyol como entidad futbolística" -- Understanding Football Hooliganism Springer Nature

Entre 1931 y 1982 la oferta de cine es enorme: salas de estreno, de re-estreno, de parroquia o de verano. El cine se hizo presente en los juegos de los españoles, en sus noviazgos y en los comentarios de café entre jubilados. Las respuestas de aquellos espectadores sobre sus modos de asistir al cine, sus estrellas y películas, aportan las claves de algunos cambios culturales, sociales y políticos, y manifiestan el nacimiento de una cultura popular unida al entretenimiento de las masas.

Indice Historico Espanol Editorial Edinumen

Este libro cierra la tetralogía fundamental de Arturo Colorado sobre el estudio del devenir del patrimonio artístico español durante la Guerra Civil y la posguerra. En este caso, trata de la llamada Caja de Reparaciones, que era el conjunto de bienes de los sediciosos requisados con el objetivo de poder afrontar con ellos los quebrantos que la guerra había provocado al país, el viaje del yate "Vita" a México y la gestión franquista en la inmediata posguerra de estos bienes.

La oferta formativa del profesorado de E/LE Ediciones Rialp

A landmark account that reveals the long history behind the current Catalan and Scottish independence movements. A distinguished historian of Spain and Europe provides an enlightening account of the development of nationalist and separatist movements in contemporary Catalonia and Scotland. This first sustained comparative study uncovers the similarities and the contrasts between the Scottish and Catalan

experiences across a five-hundred-year period, beginning with the royal marriages that brought about union with their more powerful neighbors, England and Castile respectively, and following the story through the centuries from the end of the Middle Ages until today's dramatic events. J. H. Elliott examines the political, economic, social, cultural, and emotional factors that divide Scots and Catalans from the larger nations to which their fortunes were joined. He offers new insights into the highly topical subject of the character and development of European nationalism, the nature of separatism, and the sense of grievance underlying the secessionist aspirations that led to the Scottish referendum of 2014, the illegal Catalan referendum of October 2017, and the resulting proclamation of an independent Catalan republic.

pinturas de la Universidad de Barcelona (I), Las. El depósito del Museo del Prado Editorial Samarcanda

Luis Villarejo reflexiona sobre la figura y el peso en un vestuario del capitán en un equipo de fútbol y su función como líder y aglutinador de voluntades. El capitán, en definitiva, como insignia. El capitán como expresión de fuerza, determinación y sentido común.

Spanish Tourism Geographies Frontline Books

En 1988, un reducido grupo de futbolistas soviéticos cruzó el telón de acero gracias a las políticas aperturistas que Mijaíl Gorbachov empezaba a aplicar en la URSS. Uno de ellos, Rinat Dasáyev, fue el primero en la Liga española y abrió el camino a la continua llegada de compatriotas suyos en los noventa: Onopko, Mostovói y Karpin fueron algunos de esos venidos del frío, cuya huella aún perdura entre los aficionados. *Manual of Judaeo-Romance Linguistics*

La lexicografia exigeix rigor, amplitud, complexitat i laboriositat. L'interès actual és tenir diccionaris variats i idonis des de perspectives diverses i per a tot tipus d'usuaris variats. El I Symposium Internacional de Lexicografia va convidar a considerar l'activitat lexicogràfica des d'un horitzó obert, que enllaci, uneixi i travi les nostres llengües amb unes altres i els productes de les quals representin realment una ajuda, ja que el gènere comú o descriptor de tot tipus de diccionari és el terme instrument; de precisió, si pot ser.

[The Desclergues of la Villa Ducal de Montblanc](#) Editorial Libros.com

This book, consisting of almost 70 chapters, spread over ten parts and a foreword section, covers the following topics. A prelude and introduces the reader to the world of Heraldry, the Town and the Duchy of Montblanc in Spain and Onomastics. Finally, it provides a brief history to understand the book's chronological context better. A part on genetics is provided to outline the DNA analysis, made by different commercial companies, of the genes of the author and his brother-in-law. The investigations compare genetics with the genealogy provided in this work and are consistent. They show, for instance, that the author is a male descendent of the Desclergues of Montblanc and is equally blood-related to them through his mother, consistent with what the records provide. Furthermore, an autosomal analysis reveals a percentage-wise appearance, in agreement with the documents, of DNA strings originating from Spain, where the Desclergues came from, and Brittany, where they had their ancient paternal roots. Concerning the DNA of his brother in law, illustrative for his wife, the author discovered results in

agreement with his wife's ancestors' history. A Part Brittany in France goes deeper into the life of Bertrand Du Guesclin and the fact that he begot offspring in Spain. The latter is well-known, and the book provides a comprehensive literature survey on this subject. Apart from autosomal DNA, pointing at ancient roots in Brittany, the author also uncovered indications in documents retrieved in Spain in the archives of de Pedrolo, equally descendants of the Desclergues. A major Part describes the Desclergue family of Montblanc and their settlement in Belgium. A lot of this knowledge had already been described by earlier investigators, and an exhaustive overview of all existing knowledge about the family is provided insofar as published in the past. In addition, the author provides extensive research results not described formerly, particularly of the Desclergues who left Spain for Flanders around 1600 and their descendants. The unravelled archives include civil and ecclesiastic records and documents found in the libraries of some Spanish military strongholds in Flanders. The book situates the facts in history and supplies valuable general knowledge to broad readers. The data range from the 1500s until the present and cover the author's paternal ancestry line. Numerous military campaigns in the 16th and 17th centuries are clarified, with particular attention to the lives and involvements of the Desclergues. As a coincidence, the author's mother also stems from the Desclergues, and this line is equally represented. A large part is devoted to the de Silva family of Uduwara from whom the author's wife stems. This is particularly interesting to globe trotters and describes the long paternal history of the author's wife,

Shirani de Silva. The bloodline originated in the North West of India and migrated through Persia to Byzantine. They continued to Iberia, where they arrived as new settlers and mixed with locals. The family line of Carvalho, so initiated, later blended with de Silva, consequently migrated to Goa during the Iberian expansion to India. From Goa, they relocated to Uduwara in Sri Lanka to protect a fortification on the Kalu Ganga river. The evidence contains documents, DNA analysis and new archaeological findings in Uduwara and Goa. Other ancestry lines are described separately. Some may only be interesting to his descendants; others are, again, of general interest, such as the family of de Patin that played an essential role during the Belgian Austrian era. Although not anticipated early in this research, the author discovered Antoni Desclergue's (DC06) involvement in establishing a chapel in Deerlijk in Belgium. The evidence is provided by archaeological discoveries and records and is extensively described in a separate part. The facts are essential in understanding the influence of Monblanquians in Flanders but are also thought-provoking for the inhabitants of Deerlijk. Indeed, the village's ancient legend of a miracle in 1634 is based on solid ground and not on a fairy tale as one believed during the previous decennia. The nobleman in the story was Antoni Desclergue, while the events were almost an exact copy of the legend of Mare de Deu de la Serra in Montblanc. The main difference is that oxen were involved in Montblanc and horses in Deerlijk. The oldest known depiction of the miracle exposes an image of Monblancs Mare de Deu de la Serra and discloses Antoni Desclergue's initials. Furthermore, Antoni Desclergue later ornamented the chapel with the

artwork. For instance, he provided a polychrome panel depicting the Main Square of Montblanc, including the House of Desclergue and also a beautiful statuette by Cano.

Memorias en blanco y negro Penn State Press

Setenta años de la historia del Betis. Setenta años de pasiones, alegrías, tristezas y de lealtad. Una fascinante obra que resume, temporada tras temporada, lo más destacable a nivel deportivo e institucional, así como la radiografía de la sociedad sevillana en cada momento. Los más de 320.000 kilómetros recorridos por el autor en más de 400 partidos fuera del Villamarín aportan el conocimiento, la credibilidad y las anécdotas necesarias para que el aficionado disfrute con su lectura. La opinión de futbolistas, expresidentes, periodistas o destacados aficionados, sirven de introducción a algunos capítulos, además de contar con numerosas fotografías la mayoría de ellas inéditas. Se pretende que el lector participe de los partidos memorables, de los ascensos o con el equipo histórico y recuerde a los campeones del 35, a los que nos hicieron campeones de España o con lo mejor de nuestras participaciones europeas. Como buen retrato transversal del Betis, hay espacio para la cantera, como fuente de riqueza y sentimiento, para las emociones vividas por el aficionado y para el "cambio de rumbo" que estamos viviendo. Una obra completa, apasionada y única que permitirá disfrutar con su recuerdo a los más veteranos y nutrirá de conocimiento a los más jóvenes.

RCD Espanyol. Historia de un sentimiento Editorial Circulo Rojo
Football hooliganism periodically generates widespread political and

public anxiety. In spite of the efforts made and resources invested over the past decades, football hooliganism is still perceived by politicians, policymakers and media as a disturbing social problem. This highly readable book provides the first systematic and empirically grounded comparison of football hooliganism in different national and local contexts. Focused around the six Western European football clubs on which the author did his research, the book shows how different clubs experience and understand football hooliganism in different ways. The development and effects of anti-hooligan policies are also assessed. The emphasis throughout is on the importance of context, social interaction and collective identity for understanding football hooliganism. This book will be essential reading for anyone interested in football culture, hooliganism and collective violence.

Arte y Caja de Reparaciones Reverte

The news media have given us potent demonstrations of the ambiguity of ostensibly truthful representations of public events. Jordana Mendelson uses this ambiguity as a framework for the study of Spanish visual culture from 1929 to 1939—a decade marked, on the one hand, by dictatorship, civil war, and Franco's rise to power and, on the other, by a surge in the production of documentaries of various types, from films and photographs to international exhibitions. Mendelson begins with an examination of *El Pueblo Español*, a model Spanish village featured at the

1929 International Exposition in Barcelona. She then discusses Buñuel's and Dalí's documentary films, relating them not only to French Surrealism but also to issues of rural tradition in the formation of regional and national identities. Her highly original book concludes with a discussion of the 1937 Spanish Pavilion, where Picasso's famed painting of the Fascist bombing of a Basque town—Guernica—was exhibited along with monumental photomurals by Josep Renau. Based upon years of archival research, Mendelson's book opens a new perspective on the cultural politics of a turbulent era in modern Spain. It explores the little-known yet rich intersection between avant-garde artists and government institutions. It shows as well the surprising extent to which Spanish modernity was fashioned through dialogue between the seemingly opposed fields of urban and rural, fine art, and mass culture.

Cien años de historia del RCD Espanyol de Barcelona Routledge

The Routledge Handbook of Variationist Approaches to Spanish provides an up-to-date overview of the latest research examining sociolinguistic approaches to analyzing variation in Spanish. Divided into three sections, the book includes the most current research conducted in Spanish variationist sociolinguistics. This comprehensive volume covers phonological, morphosyntactic, social, and lexical variation in Spanish. Each section is further divided into subsections focusing on specific areas of language variation, highlighting the most salient and current developments in each subfield of Hispanic sociolinguistics. As such, this Handbook delves further into the details of topics relating to variation and change in Spanish than previous publications, with a focus on

the symbolic sociolinguistic value of specific phenomena in the field. Encouraging readers to think critically about language variation, this book will be of interest to advanced undergraduate and graduate students, as well as researchers seeking to explore lesser-known areas of Hispanic sociolinguistics. The Routledge Handbook of Variationist Approaches to Spanish will be a welcome addition to specialists and students in the fields of linguistics, Hispanic linguistics, sociolinguistics, and linguistic anthropology.

Historia del tradicionalismo español
Edicions Universitat Barcelona
El Barça ha sido cuna y plataforma de lanzamiento de un buen número de futbolistas argentinos, que han dejado una profunda huella en la historia del fútbol. Este libro recoge las biografías de los futbolistas y entrenadores argentinos cuyas gestas todavía se mantienen vivas en la memoria de los culés. Pero no se limita solamente a esto: se retrata la época de cada uno, se facilitan estadísticas y datos de su vida futbolística en este gran club, se ofrecen testimonios directos de familiares o de los propios protagonistas y anécdotas, así como entrevistas, citas de prensa, opiniones... Todo esto hace de esta obra un testimonio único para los aficionados al fútbol en general y para los culés en particular, ya que revela aspectos inéditos de figuras indiscutibles que han vestido ovisten los colores del que en la actualidad ostenta el título del mejor equipo del mundo.

The Routledge Handbook of Variationist Approaches to Spanish
Documenta Universitaria

Spanish cinema is emerging as one of the most exciting, fascinating, and special cinemas in the world. Not only

are others viewing Spanish films, but they are adopting Spanish producers and Spanish actors as their own. While Spanish cinema has been maturing for a long time and has been producing excellent directors, actors, and films for decades—including during the dark times of the Franco regime—only now is it winning numerous fans not only at home but also abroad. And with directors like Pedro Almod-var, actors and actresses like Javier Bardem and PenZlope Cruz, and films such as *Abre los ojos* and *Alatriste* to build upon, the outlook for Spanish Cinema appears brighter than ever. The Historical Dictionary of Spanish Cinema provides a better understanding of the role Spanish cinema has played in film history through a chronology, an introductory essay, a bibliography, and hundreds of cross-referenced dictionary entries on producers, directors, film companies, actors, and films.

Historia y anécdota del '92 en Priego
CÓRNER

Since the explosion of the indignados movement beginning in 2011, there has been a renewed interest in the concept of the “public sphere” in a Spanish context: how it relates to society and to political power, and how it has evolved over the centuries. The Configuration of the Spanish Public Sphere brings together contributions from leading scholars in Hispanic studies, across a wide range of disciplines, to investigate various aspects of these processes, offering a long-term, panoramic view that touches on one of the most urgent issues for contemporary European societies.

Venidos del frío
CÓRNER

The book constitutes the first attempt to provide an overview of the reception of foreign drama in Spain during the Franco dictatorship. John London analyses

performance, stage design, translation, censorship, and critical reviews in relation to the works of many authors, including Noel Coward, Arthur Miller, Eugene Ionesco, and Samuel Beckett. He compares the original reception of these dramatists with the treatment they were given in Spain. However, his study is also a reassessment of the Spanish drama of the period. Dr London argues that only by tracing the reception of non-Spanish drama can we understand the praise lavished on playwrights such as Antonio Buero Vallejo and Alfonso Sastre, alongside the simultaneous rejection of Spanish avant-garde styles. A concluding reinterpretation of the early plays of Fernando Arrabal indicates the richness of an alternative route largely ignored in histories of Spanish theatre.

El gran libro de los récords Routledge Visual Propaganda, Exhibitions, and the Spanish Civil War is a history of art during wartime that analyzes images in various media that circulated widely and were encountered daily by Spaniards on city walls, in print, and in exhibitions. Tangible elements of the nation's past: monuments, cultural property, and

art-historical icons?were displayed in temporary exhibitions and museums, as well as reproduced on posters and in print media, to rally the population, define national identity, and reinvent distant and recent history. Artists, political-party propagandists, and government administrators believed that images on the street, in print, and in exhibitions would create a community of viewers, brought together during the staging of public exhibitions to understand their own roles as Spaniards. This book draws on extensive archival research, brings to light unpublished documents, and examines visual propaganda, exhibitions, and texts unavailable in English. It engages with questions of national self-definition and historical memory at their intersections with the fine arts, visual culture, exhibition history, tourism, and propaganda during the Spanish Civil War and immediate post-war period, as well as contemporary responses to the contested legacy of the Spanish Civil War. It will be of interest to scholars in art history, visual and cultural history, history, and museum studies.
