CSB Every Day with Jesus Daily Bible Open Book Publishers

The texts comprise the original isiZulu hymns as well as English translations, and are brought to life with an accompanying compact disc of song, story and interview excerpts. These include detail about the seminal moment of change and controversy in the 1990s, when the organ was introduced by church member and ethnomusicologist, Bongani Mthethwa, to accompany the Shembe hymnal repertory. The initiative gave birth to dozens of youth choirs who sang the hymns in a new style, and began to compose their own repertory about Shembe in a more 'gospel-inflected' musical version of their faith. --

The African Methodist Episcopal Hymn and Tune Book

Franklin Classics Trade Press

African Methodist Episcopal Church Hymnal. With Responsive Scripture Readings Adapted In Conformity With The Doctrines And Usages Of The African Methodist Episcopal Church.

Known Unknowns Kregel Publications

Ruth Finnegan's Oral Literature in Africa was first published in 1970, and since then has been widely praised as one of the most important books in its field. Based on years of fieldwork, the study traces the history of storytelling across the continent of Africa. This revised edition makes Finnegan's ground-breaking research available to the next generation of scholars. It includes a new introduction, additional images and an updated bibliography, as well as its original chapters on poetry, prose, "drum language" and drama, and an overview of the social, linguistic and historical background of oral literature in Africa. This book is the first volume in the World Oral Literature Series, an ongoing collaboration between OBP and World Oral Literature Project. A free online archive of recordings and photographs that Finnegan made during her fieldwork in the late 1960s is hosted by the World Oral Literature Project (<http://www.oralliterature.org/collections/rfinnegan001.html>) and can also be accessed from publisher's website.

The Hymn Book of the African Methodist Episcopal Church

Spend every day with Jesus as you read through the Bible in one

year. The CSB Every Day with Jesus Daily Bible provides a rich variety of bite-size readings for each day of the week, with guided devotions from beloved pastor, Selwyn Hughes. From day one, each of the 365 daily readings includes a selection from the Old Testament, New Testament, Psalms, and Proverbs. Encountering the four different Scripture selections together alongside the corresponding devotion will yield new insights as you read through God's Word in one year. Unlike other daily Bibles, the daily reading arrangement is not date specific (e.g. "January 1"), so you can jump into the plan at any point in the calendar year. **FEATURES** One-year Bible reading plan guided by pastor Selwyn Hughes Select daily Scripture portions from both the Old and New Testaments 365 devotions including daily prayer and reflective questions with journaling space Elegantly designed pages with area to mark completion of each day's reading Black-letter text 9.5-point type size Two-column text format Smyth-sewn durable binding Ribbon marker for easy referencing between pages Presentation page for gift-giving The CSB Every Day with Jesus Daily Bible features the highly readable, highly reliable text of the Christian Standard Bible® (CSB). The CSB stays as literal as possible to the Bible's original meaning without sacrificing clarity, making it easier to engage with Scripture's life-transforming message and to share it with others.

Oral Literature in Africa

Singing a new song is not an optional extra, but a faithful response to a divine command. This command is the opening phrase of Psalms 96 and 98. And, St John the Divine says, this is what the saints in heaven are doing all the time. But, on earth, things are not so easy. Sometimes it's because the latest new song in the old hymnbook is two centuries old. Or the congregation has been told by some sadist that it 'doesn't sing well'. Or sometimes the organist can only play what s/he hears on the radio. Or the guitarist can do anything, as long as it's only three major chords. However, even in such dire straits, the divine command has to be obeyed. So what if we kept familiar tunes - hymn tunes or folk tunes - and set words to them in 21st-century idioms? What if we gave some ancient psalms a makeover, replaced threadbare wedding and funeral songs or dealt with the things that people actually talk about when they're not in church? And what if most of the suggested tunes were so well known that - even if musicians took the huff - people could still sing the

verses on their own? What if you looked under the covers of this book and began to upset the quiet of the place in which you are

presently standing by beginning to hum? This book amounts to a modest proposal from the Wild Goose Resource Group on how to

make the most of minimal congregational song resources in an accessible and resilient way.
