The Model Rules of
Professional Conduct
provides an up-to-date
resource for information
on legal ethics. Federal,
state and local courts in
all jurisdictions look to the
Rules for guidance in
solving lawyer
malpractice cases,
disciplinary actions,
disqualification issues,

sanctions questions and
much more. In this
volume, black-letter Rules
of Professional Conduct
are followed by numbered
Comments that explain
each Rule's purpose and
provide suggestions for its
practical application. The
Rules will help you
identify proper conduct in
a variety of given
situations, review those
instances where
discretionary action is
possible, and define the
nature of the relationship
between you and your
clients, colleagues and
the courts.

sources on modern

accounting - includes books, handbooks, periodicals and information services, etc.

The United States Government manual 2003/04 | revised June 15, 2003 Elsevier Health Sciences

The Code of Federal Regulations is a codification of the general and permanent rules published in the Federal Register by the Executive departments and agencies of the United States Federal Government.

Comparative Health

Information Management

Government Printing Office

No other health information management book covers health care practice in such a wide variety of settings. From ambulatory care to long-term care, from dental practice to veterinary practice, from home health care to health care in correctional facilities, Comparative Health Information Management, Second Edition provides a comprehensive survey of current health information

practice. Each chapter includes didactic aids as well as opportunities for more in-depth analysis of subject matter to enhance learning.
