NAMED A BEST BOOK OF
2020 BY NPR, PEOPLE,
AND O, THE OPRAH
MAGAZINE A NEW YORK
TIMES CRITICS' TOP BOOK

OF 2020 NATIONAL
BESTSELLER "As good as
The Friend, if not better."
—The New York Times
"Impossible to put down .
. . . leavened with wit and

tenderness.” —People “I was dazed by the novel’s grace.” —The New Yorker
 The New York Times–bestselling, National Book Award–winning author of *The Friend* brings her singular voice to a story about the meaning of life and death, and the value of companionship. A woman describes a series of encounters she has with various people in the ordinary course of her life: an ex she runs into by chance at a public forum, an Airbnb owner unsure how to interact with her

guests, a stranger who seeks help comforting his elderly mother, a friend of her youth now hospitalized with terminal cancer. In each of these people the woman finds a common need: the urge to talk about themselves and to have an audience to their experiences. The narrator orchestrates this chorus of voices for the most part as a passive listener, until one of them makes an extraordinary request, drawing her into an intense and transformative experience of her own. In *What Are*

You Going Through, Nunez brings wisdom, humor, and insight to a novel about human connection and the changing nature of relationships in our times. A surprising story about empathy and the unusual ways one person can help another through hardship, her book offers a moving and provocative portrait of the way we live now. *The Omnivore's Dilemma*
 Simon and Schuster
 Written by one of the founders of modern political philosophy, Thomas Hobbes, during

the English civil war, Leviathan is an influential work of nonfiction. Regarded as one of the earliest examples of the social contract theory, Leviathan has both historical and philosophical importance. Social contract theory prioritizes the state over the individual, claiming that individuals have consented to the surrender of some of their freedoms by participating in society. These surrendered freedoms help ensure that the government can be run

easily. In exchange for their sacrifice, the individual is protected and given a place in a steady social order. Articulating this theory, Hobbes argues for a strong, undivided government ruled by an absolute sovereign. To support his argument, Hobbes includes topics of religion, human nature and taxation. Separated into four sections, Hobbes claims his theory to be the resolution of the civil war that raged on as he wrote, creating chaos and taking casualties. The

first section, Of Man discusses the role human nature and instinct plays in the formation of government. The second section, Of Commonwealth explains the definition, implications, types, and rules of succession in a commonwealth government. Of a Christian Commonwealth imagines the religion's role government and societal moral standards. Finally, Hobbes closes his argument with Of the Kingdom of Darkness. Through the use of

philosophical theory and historical study, Thomas Hobbes attempts to convince citizens to consider the cost and reward of being governed. Without an understanding of the sociopolitical theories that keep government bodies in power, subjects can easily become complicit or allow society to slip into anarchy. Created during a brutal civil war, Hobbes hoped to educate and persuade his peers. Though Leviathan was a work of controversy in its time, Hobbes' theories

and prose has survived centuries, shaping the ideas of modern philosophy. This edition of Leviathan by Thomas Hobbes is now presented with a stunning new cover design and is printed in an easy-to-read font. With these accommodations, Leviathan is accessible and applicable to contemporary readers. Sophie's Dilemma (Daughters of Blessing Book #2) Simon and Schuster Christina Evans ha sedici anni, vive a Los Angeles e frequenta il terzo anno

dell'high school. Tra feste, amici e buoni voti, la sua è una vita perfetta. Finché la sua famiglia non decide di trasferirsi a Miami, e per Cris cambia tutto. Da un giorno all'altro viene catapultata in una nuova città e soprattutto in una nuova scuola. Nonostante senta la nostalgia di Los Angeles, riesce rapidamente ad ambientarsi e a stringere amicizia con gli studenti più popolari. Tutti la accolgono calorosamente... tutti tranne Cameron e la sua ragazza Susan, da subito

ostili nei suoi confronti. E così, tra grandi e piccole difficoltà, Cris trova una nuova amica, Sam, e un nuovo amore, Matt. Ogni cosa sembra procedere nel migliore dei modi, ma come spesso accade nelle faccende di cuore, i giochi sono destinati a complicarsi. Col passare del tempo, Cameron e Cris comprendono che l'antipatia che provano l'uno per l'altra nasconde in realtà un sentimento ben diverso, e accettare e assecondare questa scoperta vuol dire mettere di nuovo tutto in

discussione...

Emma tries to keep her favorite nanny from going on vacation
How to Change Your Mind
12-21

The woods were insane in

the dark, terrifying and magical at the same time. But best of all were the stars, which trumpeted their light into the misty dark. Castella Cresswell and her five siblings???Hannan, Casper, Mortimer, Delvive, and Jerusalem??? know what it's like to be different. For years, their world has been confined to their ramshackle family home deep in the woods of upstate New York. They abide by the strict rule of God, whose messages come directly from their father. Slowly, Castley

and her siblings start to test the boundaries of the laws that bind them. But, at school, they're still the freaks they've always been to the outside world. Marked by their plain clothing. Unexplained bruising. Utter isolation from their classmates. That is, until Castley is forced to partner with the totally irritating, totally normal George Gray, who offers her a glimpse of a life filled with freedom and choice. Castley's world rapidly expands beyond the woods she knows so well and the

beliefs she once thought were the only truths. There is a future waiting for her if she can escape her father's grasp, but Castley refuses to leave her siblings behind. Just as she begins to form a plan, her father makes a chilling announcement: the Cresswells will soon return to their home in heaven. With time running out on all of their lives, Castley must expose the depth of her father's lies. The forest has buried the truth in darkness for far too long. Castley might be their last

hope for salvation.

SUMA INTERNACIONAL
#1 NEW YORK TIMES
BESTSELLER • From the author of Small Great Things and A Spark of Light comes a “powerful” (The Washington Post)

novel about the choices that alter the course of our lives. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY MARIE CLAIRE Everything changes in a single moment for Dawn Edelstein. She's on a plane when the flight attendant makes an announcement: Prepare for a crash landing. She braces herself as thoughts flash through her mind. The shocking thing is, the thoughts are not of her husband but of a man she last saw fifteen years ago: Wyatt Armstrong. Dawn, miraculously, survives the

crash, but so do all the doubts that have suddenly been raised. She has led a good life. Back in Boston, there is her husband, Brian, their beloved daughter, and her work as a death doula, in which she helps ease the transition between life and death for her clients. But somewhere in Egypt is Wyatt Armstrong, who works as an archaeologist unearthing ancient burial sites, a career Dawn once studied for but was forced to abandon when life suddenly intervened. And now, when it seems that

fate is offering her second chances, she is not as sure of the choice she once made. After the crash landing, the airline ensures that the survivors are seen by a doctor, then offers transportation to wherever they want to go. The obvious destination is to fly home, but she could take another path: return to the archaeological site she left years before, reconnect with Wyatt and their unresolved history, and maybe even complete her research on The Book of Two Ways—the first known

map of the afterlife. As the story unfolds, Dawn's two possible futures unspool side by side, as do the secrets and doubts long buried with them. Dawn must confront the questions she's never truly asked: What does a life well lived look like? When we leave this earth, what do we leave behind? Do we make choices . . . or do our choices make us? And who would you be if you hadn't turned out to be the person you are right now?

La esperada segunda parte del fenómeno My Dilemma Is You, la irresistible historia de amor entre Cris y Cam. ¿Y si cuando la cabeza habla el corazón no escucha? El dilema continúa. Si durante las vacaciones navideñas la historia de amor entre Cris y Cameron parecía la envidia de sus amigos, con el inicio del curso vuelven las dudas y las discusiones. Además, la competición con Susan le hace sentir fatal, pero su

verdadera pesadilla es Carly, un nombre que no deja de oír últimamente. ¿Qué ha significado para Cam? ¿Y por qué no para de escuchar rumores en los pasillos del instituto? Aunque cada vez está más feliz en su vida en Miami, Cris ha de solucionar lo que de verdad la atormenta: su relación con Cam se ha convertido en una montaña rusa de emociones. Pero cuando la cabeza está en contra del corazón, ¿a quién haces caso? El amor de verdad nunca se rinde. My

Dilemma Is You recibió más de 20 millones de visitas en la plataforma de autoedición en la que fue publicado inicialmente. Es el fenómeno del que todo el mundo habla. Reseñas: «En esta novela también tendrán un papel muy importante los personajes secundarios, dándoles verdadera importancia en la trama y haciendo que la novela sea más amena a la hora de leerla (#) Algo que también destacaría es como se nota en algunas situaciones o decisiones que toma la protagonista

a lo largo de la novela, la edad de la autora y su experiencia.» Blog Al ritmo de mis tacones *Roll of Thunder, Hear My Cry* Black & White Publishing
The Founder's Dilemmas examines how early decisions by entrepreneurs can make or break a startup and its team. Drawing on a decade of research, including quantitative data on almost ten thousand founders as well as inside stories of founders like Evan Williams of Twitter and

Tim Westergren of Pandora, Noam Wasserman reveals the common pitfalls founders face and how to avoid them.
In the midst of all the chaos, he found his treasure... Routledge
Simon Lamont is an ice-cold corporate pirate. He buys companies, strips them of their assets, and moves on. With money. Lots and lots of money. But when he arrives in San Francisco to acquire a floundering company and is accosted by a cute engineer with fire in her

eyes, it takes all Simon has to maintain his legendary cool. Helen Winston has mastered hiding behind geeky clothes and an obsessive dedication to her job. So what's with her desire for the arrogant-and sexy as sin-Simon Lamont? He may have only been wearing a towel when they met, but he's planning to destroy her company, and Helen will do whatever it takes to change his mind. If that means becoming the sexy woman Simon didn't know he wanted, so be it. If only

she wasn't about to walk into her own trap... Each book in the Guide to Love series is a standalone, full-length story that can be enjoyed out of order. Series Order: Book #1 Played by the Billionaire Book #2 His Billion Dollar Dilemma Book #3 Masquerading with the Billionaire

Serie My Dilemma Is You 1. Un Nuevo Amor. O Dos... St. Martin's Press

In this delightfully charming teen spin on You've Got Mail, the one guy Bailey Rydell can't stand is actually the boy

of her dreams—she just doesn't know it yet. Classic movie buff Bailey “Mink” Rydell has spent months crushing on a witty film geek she only knows online by “Alex.” Two coasts separate the teens until Bailey moves in with her dad, who lives in the same California surfing town as her online crush. Faced with doubts (what if he's a creep in real life—or worse?), Bailey doesn't tell Alex she's moved to his hometown. Or that she's landed a job at the local tourist-trap museum. Or

that she's being heckled daily by the irritatingly hot museum security guard, Porter Roth—a.k.a. her new arch-nemesis. But life is whole lot messier than the movies, especially when Bailey discovers that tricky fine line between hate, love, and whatever-it-is she's starting to feel for Porter. And as the summer months go by, Bailey must choose whether to cling to a dreamy online fantasy in Alex or take a risk on an imperfect reality with Porter. The choice is both simpler and

more complicated than she realizes, because Porter Roth is hiding a secret of his own: Porter is Alex...Approximately.

A Novel Ballantine Books
My life has always been pretty predictable. Run into burning buildings, save those in distress, be a hero. Shoot the shit with my fireman buddies, come home, and do it all again tomorrow. Little did I know that a random SOS call from a woman stuck in a plaster cast with nothing underneath (I swear I only caught a flash of skin) would throw

me for a complete loop. Until I see the flighty artist again. At my mom's engagement party. To her dad. Suddenly the unpredictable woman I couldn't stop thinking about is my soon-to-be-stepsister. Yeah, the same one I mortified when I accidentally saw her a tiny bit naked. This should make family gatherings way more interesting. Except when your mom's as loaded as mine is, you can never fully let your guard down when a guy comes sniffing around. So I can't help but be

suspicious, even though his daughter's the perfect blend of beautiful and wild. As we spend more time together, prepping for our parents' wedding, we both agree that maybe there's nothing wrong with having a little bit of fun in the meantime. But if she knew I was investigating her dad on the side, she would never forgive me... Each book in the Mile High Firefighters series is STANDALONE: * The Wedding Dilemma * The Dating Dilemma *The Dilemma* Penguin "Pollan keeps you turning

the pages . . . cleareyed and assured.” —New York Times A #1 New York Times Bestseller, New York Times Book Review 10 Best Books of 2018, and New York Times Notable Book A brilliant and brave investigation into the medical and scientific revolution taking place around psychedelic drugs--and the spellbinding story of his own life-changing psychedelic experiences When Michael Pollan set out to research how LSD and psilocybin (the active ingredient in magic

mushrooms) are being used to provide relief to people suffering from difficult-to-treat conditions such as depression, addiction and anxiety, he did not intend to write what is undoubtedly his most personal book. But upon discovering how these remarkable substances are improving the lives not only of the mentally ill but also of healthy people coming to grips with the challenges of everyday life, he decided to explore the landscape of the mind in the first person as well as

the third. Thus began a singular adventure into various altered states of consciousness, along with a dive deep into both the latest brain science and the thriving underground community of psychedelic therapists. Pollan sifts the historical record to separate the truth about these mysterious drugs from the myths that have surrounded them since the 1960s, when a handful of psychedelic evangelists inadvertently catalyzed a powerful backlash against what was then a promising field

of research. A unique and elegant blend of science, memoir, travel writing, history, and medicine, *How to Change Your Mind* is a triumph of participatory journalism. By turns dazzling and edifying, it is the gripping account of a journey to an exciting and unexpected new frontier in our understanding of the mind, the self, and our place in the world. The true subject of Pollan's "mental travelogue" is not just psychedelic drugs but also the eternal puzzle of human consciousness and

how, in a world that offers us both suffering and joy, we can do our best to be fully present and find meaning in our lives.

A woman's birthday party takes a dark turn in a poignant, heart-stopping new novel from the reigning queen of suspense, New York Times and USA Today bestselling author of *Behind Closed Doors*, *The Breakdown*, and *Bring Me Back*. "A

heartbreaking page-turner that will have you up at night reading just one more chapter.”

—Catherine Steadman, #1 New York Times bestselling author of *Something in the Water* “The phenomenal B.A. Paris has done it again! I devoured *The Dilemma* in one sitting—it grabbed me from the very first page and wouldn’t let go until I’d finished. Secrets, guilt, shame and heartbreak—this story has it all in spades.”—Sandie Jones, New York Times bestselling author of *The*

Other Woman Knowing the truth will destroy her. Keeping it secret will destroy him. It’s Livia’s 40th birthday, and her husband Adam is throwing her the party of a lifetime to make up for the wedding they never had. Everyone she loves will be there, except her daughter Marnie, who’s studying abroad. But Livia is secretly glad Marnie won’t be there. Livia has recently uncovered a secret about their daughter which, if revealed, will shake the foundation of their family

to its core. She needs to tell Adam, but she’s waiting until the party is over so they can have this last happy time together. Adam, meanwhile, has his own surprise for Livia: he’s arranged for Marnie to secretly fly back for the party. But before Marnie arrives, Adam hears some terrible news. Now he too is faced with a dilemma: Does he share what he’s learned with his wife? Is hiding the truth the same as telling a lie? And how far are Adam and Livia willing to go to protect the ones they love—and give

each other a last few hours of happiness?

The Negro Problem and Modern Democracy

Bethany House

In this landmark effort to understand African American people in the New World, Gunnar Myrdal provides deep insight into the contradictions of American democracy as well as a study of a people within a people. The title of the book, 'An American Dilemma', refers to the moral contradiction of a nation torn between allegiance

to its highest ideals and awareness of the base realities of racial discrimination. The touchstone of this classic is the jarring discrepancy between the American creed of respect for the inalienable rights to freedom, justice, and opportunity for all and the pervasive violations of the dignity of blacks. The appendices are a gold mine of information, theory, and methodology. Indeed, two of the appendices were issued as a separate work given their importance for

systematic theory in social research. The new introduction by Sissela Bok offers a remarkably intimate yet rigorously objective appraisal of Myrdal—a social scientist who wanted to see himself as an analytic intellectual, yet had an unbending desire to bring about change. 'An American Dilemma' is testimonial to the man as well as the ideas he espoused. When it first appeared 'An American Dilemma' was called "the most penetrating and important book on

contemporary American civilization" by Robert S. Lynd; "One of the best political commentaries on American life that has ever been written" in The American Political Science

Review; and a book with "a novelty and a courage seldom found in American discussions either of our total society or of the part which the Negro plays in

it" in 'The American Sociological Review'. It is a foundation work for all those concerned with the history and current status of race relations in the United States.
