JAYVON RILEY

American Desperado
Derek Padula

A lush, dramatic biographical novel of one of the most glamorous and alluring legends of Hollywood's golden age, Marlene Dietrich—from the

gender-bending cabarets of Weimar Berlin to the lush film studios of Hollywood, a sweeping story of passion, glamour, ambition, art, and war from the author of *Mademoiselle Chanel*. Raised in genteel poverty after the First World War, Maria Magdalena Dietrich dreams of a life on the stage. When a budding career as a violinist is cut short, the willful teenager vows to become a singer, trading her family's proper, middle-class society for the free-spirited, louche world of Weimar Berlin's cabarets and drag balls. With her sultry beauty, smoky voice, seductive silk cocktail dresses, and androgynous tailored suits, Marlene performs to packed houses and

becomes entangled in a series of stormy love affairs that push the boundaries of social convention. For the beautiful, desirous Marlene, neither fame nor marriage and motherhood can cure her wanderlust. As Hitler and the Nazis rise to power, she sets sail for America. Rivaling the success of another European import, Greta Garbo, Marlene quickly becomes one of Hollywood's leading ladies, starring with legends such as Gary Cooper, John Wayne, and Cary Grant. Desperate for her return, Hitler tries to lure her with dazzling promises. Marlene instead chooses to become an American citizen, and after her new nation is forced into World War II, she

tours with the USO, performing for thousands of Allied troops in Europe and Africa. But one day she returns to Germany. Escorted by General George Patton himself, Marlene is heartbroken by the war's devastation and the evil legacy of the Third Reich that has transformed her homeland and the family she loved. An enthralling and insightful account of this extraordinary legend, Marlene reveals the inner life of a woman of grit, glamour, and ambition who defied convention, seduced the world, and forged her own path on her own terms.

Under the Never Sky

Random House

When the Great War ended in 1918, the West was broken.

Religious faith, patriotism, and the belief in human progress had all been called into question by the mass carnage experienced by both sides. Shell shocked and traumatized, the West faced a world it no longer recognized: the old order had collapsed, replaced by an age of machines. The world hurtled forward on gears and crankshafts, and terrifying new ideologies arose from the wreckage of past belief. In *Fracture*, critically acclaimed historian Philipp Blom argues that in the aftermath of World War I, citizens of the West directed their energies inwards, launching into hedonistic, aesthetic, and intellectual adventures of self-discovery. It was a

period of both bitter disillusionment and visionary progress. From Surrealism to Oswald Spengler's *The Decline of the West*; from Fritz Lang's *Metropolis* to theoretical physics, and from Art Deco to Jazz and the Charleston dance, artists, scientists, and philosophers grappled with the question of how to live and what to believe in a broken age. Morbid symptoms emerged simultaneously from the decay of World War I: progress and innovation were everywhere met with increasing racism and xenophobia. America closed its borders to European refugees and turned away from the desperate poverty caused by the Great Depression. On both

sides of the Atlantic, disenchanted voters flocked to Communism and fascism, forming political parties based on violence and revenge that presaged the horror of a new World War. Vividly recreating this era of unparalleled ambition, artistry, and innovation, Blom captures the seismic shifts that defined the interwar period and continue to shape our world today.

Understanding Nature

Harper Collins

Science is not the only route to understanding nature. This volume presents a series of case studies in comparative epistemology, critically comparing the works of prominent representatives of the life sciences, such as Aristotle, Darwin, and

Mendel, with the writings of literary masters, such as Andersen, Melville, Verne, and Ibsen. It constitutes a major contribution to the growing field of science and literature studies.

Studies in the Iconography of Northwest Semitic Inscribed Seals
Harvard University Press

Packend. Fantastisch. Überraschend. Sie hob den Stein, den sie eigenhändig während der Schießerei aus dem Pflaster gekratzt hatte, mit ihren blutenden Fingern hoch und ging auf John zu. »Verzeih mir, mein Liebster«, sagte sie und holte aus... Als John in einer kalten Winternacht auf der Straße erwacht, stellen sich ihm mehrere Fragen: Wer ist er? Wer oder was

macht Jagd auf ihn? Und vor allem: aus welchem Grund? Während er noch versucht, in sein altes Leben zurückzufinden, ereignen sich in seiner Heimatstadt unheimliche Dinge, die unaufhaltsam ihrem Höhepunkt zustreben. Und nicht nur sein Schicksal, sondern auch das der ganzen Menschheit liegt in seinen Händen... DAS ERWACHEN DER ENGEL, der Debüt-Roman des deutschen Schriftstellers Paul Brandl (Jahrgang 1966), ist eine überaus geschickte Mischung aus Krimi, Fantasy und Horror, die den Leser bis zum überraschenden Ende nicht aus seinem Bann entlässt.

In a Glass Grimmly
Bloomsbury Publishing
USA

Walter Bagehot's *Lombard Street*, published in 1873 in the wake of a devastating London bank collapse, explained in clear and straightforward terms why central banks must serve as the lender of last resort to ensure liquidity in a faltering credit system. Bagehot's book set down the principles that helped define the role of modern central banks, particularly in times of crisis—but the recent global financial meltdown has posed unforeseen challenges. *The New Lombard Street* lays out the innovative principles needed to address the instability of today's markets and to rebuild our financial system. Revealing how we arrived at the current crisis, Perry Mehrling

traces the evolution of ideas and institutions in the American banking system since the establishment of the Federal Reserve in 1913. He explains how the Fed took classic central banking wisdom from Britain and Europe and adapted it to America's unique and considerably more volatile financial conditions. Mehrling demonstrates how the Fed increasingly found itself serving as the dealer of last resort to ensure the liquidity of securities markets—most dramatically amid the recent financial crisis. Now, as fallout from the crisis forces the Fed to adapt in unprecedented ways, new principles are needed to guide it. In *The New Lombard*

Street, Mehrling persuasively argues for a return to the classic central bankers' "money view," which looks to the money market to assess risk and restore faith in our financial system.

The People Vs. Democracy Harper Collins

American Desperado is possibly the most jaw-dropping, event-filled, adrenaline-soaked criminal autobiography ever written. Like a real-life Scarface Jon was born into the upper levels of the Gambino crime family and witnessed his first murder at age seven. He became a one-man juvenile crime wave before joining an assassination squad in Vietnam.

HarperCollins

The inspirational bestseller that ignited a movement and asked us to find our WHY Discover the book that is captivating millions on TikTok and that served as the basis for one of the most popular TED Talks of all time—with more than 56 million views and counting. Over a decade ago, Simon Sinek started a movement that inspired millions to demand purpose at work, to ask what was the WHY of their organization. Since then, millions have been touched by the power of his ideas, and these ideas remain as relevant and timely as ever. START WITH WHY asks (and answers) the questions: why are some people and organizations more innovative, more

influential, and more profitable than others? Why do some command greater loyalty from customers and employees alike? Even among the successful, why are so few able to repeat their success over and over? People like Martin Luther King Jr., Steve Jobs, and the Wright Brothers had little in common, but they all started with WHY. They realized that people won't truly buy into a product, service, movement, or idea until they understand the WHY behind it. START WITH WHY shows that the leaders who have had the greatest influence in the world all think, act and communicate the same way—and it's the opposite of what everyone else does. Sinek calls this

powerful idea The Golden Circle, and it provides a framework upon which organizations can be built, movements can be led, and people can be inspired. And it all starts with WHY. Zeitschrift für Bücherfreunde Springer Science & Business Media
Seventeen year-old Jonah Daniels has lived in Verona Cove, California, his whole life, and only one thing has ever changed: his father used to be alive, and now he is not. With a mother lost in a deep bout of depression, Jonah and his five siblings struggle to keep up their home and the restaurant their dad left behind. But at the start of summer, a second change rolls in: Vivi Alexander, the new girl

in town. Vivi is in love with life. Charming and unfiltered, she refuses to be held down by the medicine she's told should make her feel better. After meeting Jonah, she slides into the Daniels' household seamlessly, winning over each sibling with her imagination and gameness. But it's not long before Vivi's zest for life begins to falter. Soon her adventurousness becomes all-out danger-seeking. Through each high and low, Vivi and Jonah's love is put to the test . . . but what happens when love simply isn't enough?

Drau-Post Cambridge University Press

Disinformation and so-called fake news are contemporary phenomena with rich histories.

Disinformation, or the willful introduction of false information for the purposes of causing harm, recalls infamous foreign interference operations in national media systems. Outcries over fake news, or dubious stories with the trappings of news, have coincided with the introduction of new media technologies that disrupt the publication, distribution and consumption of news -- from the so-called rumour-mongering broadsheets centuries ago to the blogosphere recently. Designating a news organization as fake, or der Lügenpresse, has a darker history, associated with authoritarian regimes or populist bombast diminishing the

reputation of 'elite media' and the value of inconvenient truths. In a series of empirical studies, using digital methods and data journalism, we inquire into the extent to which social media have enabled the penetration of foreign disinformation operations, the widespread publication and spread of dubious content as well as extreme commentators with considerable followings attacking mainstream media as fake.

Summer Sons

Cambridge University Press

Toward the beginning of 2013, I received reports of passages in the Black Notebooks that offered observations on Jewry, or as the case may be, world Jewry. It

immediately became clear to me that the publication of the Black Notebooks would call forth a wide-spread international debate. Already in the Spring of 2013, I had asked Professor Friedrich-Wilhelm von Herrmann, last private assistant – and in the words of my grandfather, the “chief co-worker of the complete edition”, – if he might review the Notebooks as a whole, based on his profound insight into the thought of Martin Heidegger, and in particular, review those Jewish-related passages that were the focus of the public eye. Publications about the Black Notebooks quickly came to propagate catchy expressions such as “being-historical anti-Semitism” and

“metaphysical anti-Semitism”. The first question that obviously arises is: Does the thought of Martin Heidegger exhibit any kind of anti-Semitism at all? In this book Professor von Herrmann now advances his hermeneutic explication. With Professor Francesco Alfieri of the Pontificia Università Lateranense he has found a colleague who has drawn up a comprehensive philological analysis of volumes GA 94 through GA 97 of the Complete Edition. The fact that Heidegger designated the hitherto published “black notebooks” as Ponderings (Überlegungen) and as Observations (Anmerkungen) has been given little

consideration. He intentionally placed them at the conclusion of the Complete Edition because without acquaintance with the lectures, and above all, with the being-historical treatises that would come to be published in the framework of the Complete Edition, they would not be comprehensible.

Jahrbuch für das deutsche Theater
Princeton University Press

"The Corona crisis and the Need for a Great Reset" is a guide for anyone who wants to understand how COVID-19 disrupted our social and economic systems, and what changes will be needed to create a more inclusive, resilient and

sustainable world going forward. Thierry Malleret, founder of the Monthly Barometer, and Klaus Schwab, founder and executive Chairman of the World Economic Forum, explore what the root causes of these crisis were, and why they lead to a need for a Great Reset. Theirs is a worrying, yet hopeful analysis. COVID-19 has created a great disruptive reset of our global social, economic, and political systems. But the power of human beings lies in being foresighted and having the ingenuity, at least to a certain extent, to take their destiny into their hands and to plan for a better future. This is the purpose of this book: to shake up and to show the deficiencies which

were manifest in our global system, even before COVID broke out.

Ingolstädter

Tagblatt Basic Books

The Great Recession has shuffled Clay Jannon out of his life as a web-design drone, and serendipity, sheer curiosity and the ability to climb a ladder like a monkey have landed him a new gig working the night shift at Mr. Penumbra's 24-Hour Bookstore. But Clay begins to realize that this store is even more curious than its name suggests. There are only a few customers, but they come in repeatedly and never seem to actually buy anything. Instead they "check out" impossibly obscure volumes from strange corners of the store, all according to some elaborate, long-

standing arrangement with the gnostic Mr. Penumbra. The store must be a front for something larger, Clay concludes, and soon he has embarked on a complex analysis of the customers' behaviour and roped his friends into helping him figure out just what's going on. But once they take their findings to Mr. Penumbra, they discover the secrets extend far beyond the walls of the bookstore. Evoking both the fairy-tale charm of Haruki Murakami and the enthusiastic novel-of-ideas wizardry of Neal Stephenson or Umberto Eco, Mr. Penumbra's 24-Hour Bookstore is exactly what it sounds like—an establishment you have to enter and will never want to leave. *The Black Book of*

Fighting to survive in a ravaged world, a Dweller and a Savage form an unlikely alliance in New York Times bestselling author Veronica Rossi's "unforgettable dystopian masterpiece" (Examiner.com). Exiled from her home, the enclosed city of Reverie, Aria knows her chances of surviving in the outer wasteland—known as The Death Shop—are slim. Then Aria meets an Outsider named Perry. He's wild—a savage—and her only hope of staying alive. A

hunter for his tribe in a merciless landscape, Perry views Aria as sheltered and fragile—everything he would expect from a Dweller. But he needs Aria's help too; she alone holds the key to his redemption. In alternating chapters told in Aria's and Perry's voices, *Under the Never Sky* subtly and powerfully captures the evolving relationship between these characters and sweeps readers away to a harsh but often beautiful world. Continuing with *Through the Ever Night* and concluding with *Into the Still Blue*, the *Under the Never Sky* trilogy has already been embraced by readers in twenty-six countries and been optioned for film by Warner Bros. Explores European civilisation as a concept of twentieth-century political practice and the project of a transnational network of European elites. This title is available as Open Access.

The New Lombard
Street Penguin

A compellingly candid memoir that details Jackson's life in seclusion, by the bodyguards who were with him in his final days - with a new introduction to commemorate the tenth anniversary of Michael Jackson's death . Hounded by the tabloid media, driven from his self-made sanctuary, Neverland, Michael Jackson spent his final years moving from city to city, living with his three children in virtual seclusion -- a futile attempt to escape a world that wouldn't leave him alone. During that time, two men served as the singer's personal security team: Bill Whitfield, a former cop and veteran of the security profession, and Javon Beard, a brash, untested rookie,

both single fathers themselves. Stationed at his side nearly 24/7, their job was to see and hear everything that transpired, and to keep everyone else out, making them the only two men who know what 60 million fans around the world still want to know: What really happened to the King of Pop? Driven by a desire to show the world who Michael Jackson truly was, Whitfield and Beard have produced the only definitive, first-person account of Michael Jackson's last years: the extreme measures necessary to protect Jackson and his family, the financial struggles that led their pay to be suspended for weeks at a time, the simple moments of happiness they managed to share in a

time of great stress, the special relationship Jackson shared with his fans, and the tragic events that culminated in the singer's ill-fated comeback, *This Is It*. The truth is far more captivating than anything you've yet heard. An indispensable piece of pop-culture history, *Remember the Time* is the story of a man struggling to live a normal life under extraordinary circumstances, of a father fighting to protect and provide for his children. *Remember the Time* is the book that dismantles the tabloid myths once and for all to give Michael Jackson back his humanity. Hachette Books
Plague, Michael Grant's fourth book in the bestselling Gone series, will satisfy dystopian fans of all ages. It's been eight months since all the adults disappeared. Gone. They've survived hunger. They've survived lies. But the stakes keep rising, and the dystopian horror keeps building. Yet despite the simmering unrest left behind by

so many battles, power struggles, and angry divides, there is a momentary calm in Perdido Beach. But enemies in the FAYZ don't just fade away, and in the quiet, deadly things are stirring, mutating, and finding their way free. The Darkness has found its way into the mind of its Nemesis at last and is controlling it through a haze of delirium and confusion. A highly contagious, fatal illness spreads at an alarming rate. Sinister, predatory insects terrorize Perdido Beach. And Sam, Astrid, Diana, and Caine are plagued by a growing doubt that they'll escape—or even survive—life in the FAYZ. With so much turmoil surrounding them, what desperate choices will they make

when it comes to saving themselves and those they love?

The Politics of Social Media Manipulation

Springer Nature
A boy arrives at a remote village in the dead of night. His name is Ludlow Fitch—and he is running from a most terrible past. What he is about to learn is that in this village is the life

he has dreamed of—a safe place to live, and a job, as the assistant to a mysterious pawnbroker who trades people's deepest, darkest secrets for cash. Ludlow's job is to neatly transcribe the confessions in an ancient leather-bound tome: *The Black Book of Secrets*. Ludlow yearns to trust his mentor, who refuses to disclose any information on his past experiences or future intentions. What the pawnbroker does not know is, in a town brimming with secrets, the most troubling may be held by his new apprentice.
