 ...Chapter 13, Section 3 - Presidential Selection - The ...The Framers debated at length about the way the President would be chosen. Most Framers opposed electing a President by Congress or by a direct vote of the people. The Framers decided that a body of presidential electors, known as the electoral college, should choose the President and Vice President. Each of these electors cast two electoral votes, PRESIDENTIAL SELECTION THE FRAMERS' PLAN the President. Those against this plan argued that the choice of President should be controlled by the people, not the legislature. Only a few delegates favored choosing the President by popular vote, however. Most felt that the country was too large and spread out for voters to be able to learn enough about the candidates to make a wise decision. Finally, after weeks of talking, the Framers chose a plan suggested by Alexander Hamilton. According to this plan, the President and SECTION Presidential Selection: The Framers' Plan The Framers' Plan: The President is selected by an altogether extraordinary process that many Americans do not completely understand. It is far more complicated than simply having the people show up to vote in their respective precincts. Rather, it is a combination of Constitutional provisions, state laws, and practices of the political parties. The Framers' Plan The Framers' Plan for the Electoral College o

Each State would have as many presidential electors as it has senators and representatives in Congress. e These electors would be chosen in each State in a manner the State legislature directed. e The electors, meeting in their own States, would each cast two votes—each for a different person for President. Presidential Selection: The Framers' Plan The Framers considered many methods for selecting a President. At first, many delegates favored the idea of Congress choosing the President.
