Meet Dolores Price. She's thirteen, wise-mouthed but wounded. Beached like a whale in front of her bedroom TV, she spends the next few years nourishing herself with the chocolate, crisps and Pepsi her anxious mother supplies. When she finally rolls into young womanhood at 257 pounds, Dolores is no stronger and life is no kinder. But this time she's determined to

rise to the occasion and give herself one more chance before really going belly up. In his extraordinary coming-of-age odyssey, Wally Lamb invites us to hitch an incredible ride on a journey of love, pain, and renewal with the most heartbreakingl y comical heroine to come along in years. At once a fragile girl and a hard-edged cynic, so tough to love yet so inimitably loveable, Dolores is as poignantly

real as our own imperfections. Rania Matar: She Penguin NATIONAL BESTSELLER • The personal and poignant debut poetry collection from the award-winning singer, songwriter, and producer revolves around the emotions, struggles, and experiences of finding your voice and confidence as a woman. "I've realized that some feelings can't be turned into a song . . . so I've started writing poems.

Just like my songs, they are personal and honest. Just like my songs, they have hooks and rhymes. Just like my songs, they talk about what it's like to be twenty-something trying to navigate a wildly beautiful and broken world." Deeply emotional and candid, *Feel Your Way Through* explores the challenges and celebrates the experiences faced by Kelsea Ballerini as

she navigates the twists and turns of growing into a woman today. In this book of original poetry, Ballerini addresses themes of family, relationships, body image, self-love, sexuality, and the lessons of youth. Her poems speak to the often harsh, and sometimes beautiful, onset of womanhood. Honest, humble, and ultimately hopeful, this collection reveals a new dimension of

Ballerini's artistry and talent.

The She Is Project

Jessica Kingsley Publishers
NATIONAL BESTSELLER •
 From the National Book Award-winning author of *Just Kids*: a "sublime collection of true stories ... and wild imaginings that take us to the very heart of who Patti Smith is" (*Vanity Fair*), told through the cafés and haunts she has worked in around the world. Patti Smith calls

this bestselling work “a roadmap to my life.” *M Train* begins in the tiny Greenwich Village café where Smith goes every morning for black coffee, ruminates on the world as it is and the world as it was, and writes in her notebook. Through prose that shifts fluidly between dreams and reality, past and present, we travel to Frida Kahlo’s Casa Azul in Mexico; to the fertile moon

terrain of Iceland; to a ramshackle seaside bungalow in New York’s Far Rockaway that Smith acquires just before Hurricane Sandy hits; to the West 4th Street subway station, filled with the sounds of the Velvet Underground after the death of Lou Reed; and to the graves of Genet, Plath, Rimbaud, and Mishima. Woven throughout are reflections on the writer’s craft and on artistic

creation. Here, too, are singular memories of Smith’s life in Michigan and the irreparable loss of her husband, Fred Sonic Smith. Braiding despair with hope and consolation, illustrated with her signature Polaroids, *M Train* is a meditation on travel, detective shows, literature, and coffee. It is a powerful, deeply moving book by one of the most remarkable multiplatform

artists at work today.

Featuring a postscript with five new photos from Patti Smith

"A triumph of the imagination. Rich, complex, impossible to put

down."—Alice Hoffman In

the middle of the twenty-first century, life as we know it has changed for

all time. Shira Shipman's marriage has broken up, and her young

son has been taken from her by the corporation that runs her zone, so she has returned to Tikva, the Jewish free town where she grew up. There, she is welcomed by Malkah, the brilliant grandmother who raised her, and meets an extraordinary man who is not a man at all, but a unique cyborg implanted with intelligence, emotions—and the ability to kill. . . . From the imagination of

Marge Piercy comes yet another stunning novel of morality and courage, a bold adventure of women, men, and the world of tomorrow.

Alma and How She Got Her Name
 Random House Trade Paperbacks
 The House That She Built is inspired by and dedicated to the REAL women behind the home built exclusively by a team of women in construction, skilled tradeswomen, and women-owned companies. The House That She Built educates young readers about the

people and skills that go into building a home. One by one, children learn about the architect, framer, roofer and many more as they contribute their individual skills needed to complete the collective project -- a new home. With illustrations that connect and empower and words that build upon each other with each page, this book will leave all kids (she, he, and they) excited about their

own skills and interested in learning new ones.

 Builderbooks
 Twenty-one entertaining, thought-provoking poems chronicle the good that people have

done in service of others. Bypassing those of mere fame, this striking collection is a celebration of such persons as Gandhi, Rosa Parks, teachers, a thirteen-year-old child-labor crusader, firefighters, Cesar Chavez, a feisty nun, and: . . . the valiant and the brave. Those simple people known by Two simple words: They gave. Each portrait includes an expressive illustration and additional

factual material, and an eloquent afterword tells of Mr. Lewis's own childhood hero. This memorable book invites readers to explore the legacy of human generosity which lights the path for tomorrow's heroes.

The She Book

Andrews McMeel Publishing Women face many challenging transitions on the pilgrimage from girlhood through womanhood: menses, love and

heartbreak, motherhood, menopause. Devoid of a central narrative, these rites of passage too often happen in shame and secrecy, leaving women doubting their personal power and self-worth. Bestselling author and founder of The Way of the Happy Woman®, Sara Avant Stover saw how women erroneously viewed these initiations as "curses" and sought to present a new

model that reflected the power and wisdom unique to the feminine path. The Book of SHE celebrates all that it means to be a woman, from mythological underpinnings to the cycles of our day-to-day lives. Drawing on archetypes including Mary Magdalene, the Dark Goddess, and Green Tara, Stover will guide you on a journey home to psychological wholeness, personal empowerment

, and, ultimately, full feminine spiritual Awakening. Brimming with mystery and magic, this provocative book makes ancient wisdom and healing practices accessible to every woman who is ready to revel in her full femininity — the dark and the light — through joyfully becoming the heroine of her own life. *She Come By It Natural* Independently Published What we have forgotten

Nature remembers. Our soul hungers for an authentic existence, living from our deep beauty and gifts, in harmony with the natural world. Here we find our home, within and without, and in the life-affirming embrace of the sacred feminine. This sacred hunger for home fuels your journey of soul in *The Path of She Book of Sabbats*. With the primal teachings and mythic wisdom of Nature and

the Gods and Goddesses as your guides, you travel across the pagan Sabbats that mark Nature's seasonal cycle through darkness, death, light and life. Guided meditations and pathwork exercises help you bring the transformative power of these Earth-based mysteries into your life, and to walk the path of your own seasons of light and dark, beauty and wounding, and joy and sorrow. Your

journey begins wherever you are in this moment. Your destination is nothing less than your big, beautiful Self, and your place within this great weaving of life that holds us all.

She Persisted: Marian Anderson
Running Rabbit Press
An intimate collection of modern prose, poems, and quotes about surviving dark times. It's about telling your story... A resilient journey through a season of

loneliness, as cycle of heartache, and a year of depression—this is what she unexpectedly found within the depths of her brokenness and how she emerged stronger. This book unapologetically explores the feeling, healing, and revealing of depression and the power of asking for help and being open to receiving support from nature and others, while giving a creative and empowering

voice to emotional pain. As I wept in the arms of darkness, I heard the voice of my grandmother say, Nothing stays the same, darling, not even pain. Life is a path of change. Of ecstasy and ache. So, no matter what the storm claims, let love light the way.

All That She Carried

Familius
She wants faith, hope, and love. She wants help and healing. She wants to hear and be heard, to see

and be seen.
 She wants things set right. She wants to know what is true—not partly true, or sometimes true, or almost true. She wants to see Truth itself, face-to-face. But here, now, these things are all cloudy. Hope is tinged with hurt. Faith is shaded by doubt. Lesser, broken things masquerade as love. How does she find something permanent when the world around her is always changing,

when not even she can stay the same? And if she finds it, how does she hold on? She Reads Truth tells the stories of two women who discovered, through very different lives and circumstances, that only God and His Word remain unchanged as the world around them shifted and slipped away. Infused with biblical application and Scripture, this book is not just about two characters in two stories,

but about one Hero and one Story. Every image points to the bigger picture—that God and His Word are true. Not because of anything we do, but because of who He is. Not once, not occasionally, but right now and all the time. Sometimes it takes everything moving to notice the thing that doesn't move. Sometimes it takes telling two very different stories to notice how the Truth was

exactly the same in both of them. For anyone searching for a solid foundation to cling to, *She Reads Truth* is a rich and honest Bible-filled journey to finally find permanent in a world that's passing away. [She Reads Truth](#) National Geographic Books
A dazzling survey of women in punk, from the genre's inception in 1970s London to the current voices making waves around the globe. As an industry

insider and pioneering post-punk musician, Vivien Goldman has an unusually well-rounded perspective on music journalism. In *Revenge of the She-Punks*, she probes four themes—identity, money, love, and protest—to explore what makes punk such a liberating art form for women. With her visceral style, Goldman blends interviews, history, and her personal

experience as one of Britain's first female music writers in a book that reads like a vivid documentary of a genre defined by dismantling boundaries. A discussion of the Patti Smith song "Free Money," for example, opens with Goldman on a shopping spree with Smith. Tamar-Kali, whose name pays homage to a Hindu goddess, describes the influence of her Gullah ancestors on

her music, while the late Poly Styrene's daughter reflects on why her Somali-Scotts-Irish mother wrote the 1978 punk anthem "Identity," with the refrain "Identity is the crisis you can't see." Other strands feature artists from farther afield (including in Colombia and Indonesia) and genre-busting revolutionaries such as Grace Jones, who wasn't exclusively punk but clearly

influenced the movement while absorbing its liberating audacity. From punk's Euro origins to its international reach, this is an exhilarating world tour. "In this witty, must-read introduction to punk music, Vivien Goldman sifts through decades of firsthand encounters with feminist musicians to identify how and where these colorful she-punks have arrived—and

where they might be headed."—Tin Weymouth, Talking Heads, Tom Tom Club "Revelatory . . . [Revenge of the She-Punks] feels like an exhilarating conversation with the coolest aunt you never had, as she leaps from one passion to the next."—Rolling Stone "This book should restore Goldman's place in the rock-crit firmament just as she sets out to give punk's women their long-

denied dues.” —The Guardian “[Revenge of the She-Punks] doesn’t just retell the story of punk with an added woman or two; it centers the relationships between gender and the genre, showing how, through the right lens, the story of punk is a story about women’s ingenuity and power.” —NPR “An engaging and politically charged exploration of women in music looking to the past,

present, and future.” —Bust Magazine “Riotously entertaining . . . A vibrant and inspiring introduction to feminist music history that invites more scholarship and music making.” —Foreword Reviews Everything She Touched Penguin “One of my favorite authors.”—Colleen Hoover An insightful, delightful, instant #1 New York Times bestseller from the author of Beach Read

and People We Meet on Vacation. Named a Most Anticipated Book of 2022 by Oprah Daily • Today • Parade • Marie Claire • Bustle • PopSugar • Katie Couric Media • Book Bub • SheReads • Medium • The Washington Post • and more! One summer. Two rivals. A plot twist they didn't see coming... Nora Stephens' life is books—she’s read them all—and she is not that type of heroine.

Not the plucky one, not the laidback dream girl, and especially not the sweetheart. In fact, the only people Nora is a heroine for are her clients, for whom she lands enormous deals as a cutthroat literary agent, and her beloved little sister Libby. Which is why she agrees to go to Sunshine Falls, North Carolina for the month of August when Libby begs her for a sisters' trip

away—with visions of a small town transformation for Nora, who she's convinced needs to become the heroine in her own story. But instead of picnics in meadows, or run-ins with a handsome country doctor or bulging-forearmed bartender, Nora keeps bumping into Charlie Lastra, a bookish brooding editor from back in the city. It would be a meet-cute if not for the fact that they've met

many times and it's never been cute. If Nora knows she's not an ideal heroine, Charlie knows he's nobody's hero, but as they are thrown together again and again—in a series of coincidences no editor worth their salt would allow—what they discover might just unravel the carefully crafted stories they've written about themselves. *The Giving Tree* Simon and Schuster
As *The Giving Tree* turns

fifty, this timeless classic is available for the first time ever in ebook format. This digital edition allows young readers and lifelong fans to continue the legacy and love of a classic that will now reach an even wider audience. "Once there was a tree...and she loved a little boy." So begins a story of unforgettable perception, beautifully written and illustrated by the gifted and versatile Shel

Silverstein. This moving parable for all ages offers a touching interpretation of the gift of giving and a serene acceptance of another's capacity to love in return. Every day the boy would come to the tree to eat her apples, swing from her branches, or slide down her trunk...and the tree was happy. But as the boy grew older he began to want more from the tree, and the tree gave and gave and gave. This is a

tender story, touched with sadness, aglow with consolation. Shel Silverstein's incomparable career as a bestselling children's book author and illustrator began with *Lafcadio, the Lion Who Shot Back*. He is also the creator of picture books including *A Giraffe and a Half*, *Who Wants a Cheap Rhinoceros?*, *The Missing Piece*, *The Missing Piece Meets the Big O*, and the perennial

favorite The Giving Tree, and of classic poetry collections such as *Where the Sidewalk Ends*, *A Light in the Attic*, *Falling Up*, *Every Thing On It*, *Don't Bump the Glump!*, and *Runny Babbit*. And don't miss the other Shel Silverstein ebooks, *Where the Sidewalk Ends* and *A Light in the Attic!* [The She-Wolf of France](#) New World Library *She Spoke: 14 Women Who Raised Their Voices and Changed the World*, gives

readers the opportunity to hear the words of poet Maya Angelou, activist Malala Yousafzai, scientist Temple Grandin, and more at the touch of a button. *She Spoke* will inspire readers of all ages to share their own truths and change the world. *She Spoke* Chronicle Books It's been eight years since Evan's parents disappeared at sea. Searching for answers, Evan wonders if

they were swallowed up by The She, the she-devil of legend that devours ships off the New Jersey coast. [Heroes and She-roes](#) Andrews McMeel Publishing Biography of Joan Trumpauer Mulholland follows her from her childhood in 1950s Virginia through her high school and college years, when she joined the Civil Rights Movement, attending demonstrations and sit-ins. She also

participated in the Freedom Rides of 1961 and was arrested and imprisoned. Her life has been spent standing up for human rights.

How Could She

University of Texas Press
A 2019 Caldecott Honor Book
What's in a name? For one little girl, her very long name tells the vibrant story of where she came from — and who she may one day be. If you ask

her, Alma Sofia Esperanza José Pura Candela has way too many names: six! How did such a small person wind up with such a large name? Alma turns to Daddy for an answer and learns of Sofia, the grandmother who loved books and flowers; Esperanza, the great-grandmother who longed to travel; José, the grandfather who was an

artist; and other namesakes, too. As she hears the story of her name, Alma starts to think it might be a perfect fit after all — and realizes that she will one day have her own story to tell. In her author-illustrator debut, Juana Martinez-Neal opens a treasure box of discovery for children who may be curious about their own origin stories or names.
