### Liberation Theologies on Shifting Grounds Orbit

Une terrasse de café du quartier Saint-Germain, pas au Flore ni aux Deux Magots, plus bas sur le boulevard. Comme tous les jeunes désœuvrés qui attendent de voir avant de se jeter, Louis regarde la rue, il fait bon mais c'est déjà l'automne. Soudain son regard vagabond tombe sur le cul très beau d'une jeune femme en jupe rouge comme l'auto qui passe à cet instant juste derrière elle, l'automobile est belle, la fille de dos l'est sans doute aussi. Dans la fumée du café à cinq francs que refroidit la table de marbre, Louis rêveur roule en italienne, la fille est à ses côtés, le soleil d'automne devient soleil d'été. La voiture tourne au coin, la créature la suit, le soleil décline lentement sur la rue. À la tombée du soir, une blonde beaucoup plus moche suit un homme en noir dans une GTI, Louis boit son café froid, se lève et s'en va. Le souvenir de la belle inconnue au cul rouge lui sera très utile avant

de s'endormir, cette nuit. Ainsi commence le premier roman d'Alain Soral adapté au cinéma sous le titre Confession d'un dragueur. Écrit dans un style vif et concis, sans trop de descriptions ni circonvolutions psychologiques, ce court texte retrace le parcours initiatique d'un jeune paumé solitaire lâché dans Paris. Amour, amitié, savoir, déboires jalonnent sa quête de communion pour échapper à sa misère, avec au cœur et en tête un seul but : pénétrer l'inconnu(e). Auteur du best-seller Comprendre l'empire et des déjà cultes Sociologie du dragueur et Vers la féminisation ? Présenté comme un ennemi public par les uns, un sauveur par les autres, Alain Soral est un intellectuel qui, incontestablement, marquera son époque.

Comprendre l'Empire Vert d'Orient et d'Occident Oxford University Press

L'Empire Vert d'Orient et d'Occident est un jeu de rôle qui se distingue par son univers utopique et futuriste, où une organisation supranationale appelée "La Confédération EL4DEV" a établi un âge d'or post-moderne à travers une multitude de

cités-états à travers le monde entier. Cette organisation a pour but de bâtir une société alternative idéale et bien structurée, fondée sur l'équité, la justice pour tous, le respect du vivant et une forte entreprise écologiste. L'Empire est dirigé par un homme mystérieux et autoproclamé Empereur Vert d'Orient et d'Occident alias "Henry Harper", qui a fondé l'Empire en France. L'Empire se caractérise par la construction de structures végétales verticales éco-paysagères et de cités-jardins agricoles autogérées éducatives, avec pour projet d'aboutir à une véritable planète forestière. Le jeu est marqué par une forte dimension philosophique, articulée autour de la prospective sociétale, de la vision politique transnationale et de la modification de l'aspect de la terre.

*The Perversion of Normality* Martinus Nijhoff Publishers

Durant les années 1960, Montréal est non seulement la ville la plus peuplée et la plus puissante du Canada sur le plan économique, mais aussi un des principaux centres de l'industrialisation nord-américaine et de l'expansion capitaliste. Cependant, la majorité francophone de Montréal, tout comme ses minorités raciales et ethniques, est très loin des sphères du pouvoir et bon nombre de ses membres vivent dans les quartiers les plus pauvres de la ville; sa langue et sa culture sont dévalorisées. Plusieurs réagissent à ces injustices en préconisant une forme de nationalisme qui vise à corriger les écarts flagrants entre le niveau de vie des francophones et celui des anglophones. Outre le projet néonationaliste de modernisation, un mouvement politique différent se construit dans les secteurs ouvriers de Montréal, dans les cafés d'avant-garde et dans les établissements scolaires en expansion. Ce mouvement

contestataire place les questions de la langue, de la culture et de l'impérialisme tout à côté de celle des classes sociales et il soutient un vaste projet de décolonisation. Contester l'empire, à Montréal, ne se limite pas à l'action d'un petit groupe de révolutionnaires isolés. Au contraire, cet affrontement devient un mouvement de masse où d'innombrables individus (francophones, Noirs, femmes, étudiants, travailleurs et travailleuses) ne demandent qu'à redessiner la démocratie du Québec de telle façon qu'elle intègre la solidarité sociale aux revendications de souverainetés individuelle et collective.

*L'Eglise et L'Empire au IV Siecle* Blanche

Composé de textes clairs et incisifs racontant ce combat d'idées qu'est l'Histoire, sans omettre de resituer ces idées dans l'Histoire qui les a vues naître, Comprendre l'Empire aurait tout aussi bien pu s'intituler Sociologie de la domination ou Sociologie du mensonge, tant Empire et domination par le mensonge sont liés. Peu universitaire dans sa forme, mais fruit de cinquante années d'expériences combinant lectures et engagements, cet essai retrace le parcours historique de la domination oligarchique engagé depuis plus de deux siècles en Occident : instrumentalisation de l'humanisme helléno-chrétien, noyautage de la République par les réseaux, exacerbation des antagonismes de classes et manipulation de la démocratie d'opinion. Un long processus initié au XVIIIe siècle par le cartel bancaire qui approche de son épilogue avec le Nouvel ordre mondial. Une tentative d'imposer par la ruse un pouvoir dictatorial qui met, à l'horizon 2012, le monde occidental face à un choix qui l'engage tout entier : la dictature de l'Empire ou le début du soulèvement des peuples ; la gouvernance globale ou la révolte des Nations.

*The Universal Enemy* Stanford University Press

Behind the Throne begins K. B. Wagers's action-packed science fiction adventure, with a heroine as rebellious as Han Solo, as savvy as Leia, and as skilled as Rey. Hail Bristol has made a name for herself as one of the most fearsome gunrunners in the galaxy. But she can't escape her past forever: twenty years ago, she was a runaway princess of the Indranan Empire. Now, her mother's people have finally come to bring her home. But when Hail is dragged back to her Indrana to take her rightful place as the only remaining heir, she finds that trading her ship for a palace is her most dangerous move yet. In a world where the only safe options are fight or flight, Hail must rule. "Excellent SF adventure debut." -- Publishers Weekly, starred review The Indranan War Behind the Throne After the Crown Beyond the Empire

Behind the Throne Arms & Armour

Alain Soral est l'homme politique star d'une nouvelle génération accro à Internet. Étudiants, jeunes chômeurs, petits blancs ou Français issus de l'immigration, ils sont des millions à regarder ses vidéos. Des conférences virtuelles qui exposent le petit logiciel d'analyse soralien construit autour de ses obsessions : les bobos, les féministes, le lobby gay ou, encore et toujours, les Juifs. Il les déteste tous. La popularité virale d'Alain Soral ne doit rien au hasard. Dans l'ombre, les cyber-activistes de son mouvement Égalité & Réconciliation organisent la propagande. Une galaxie de médias de « réinformation » relaie ses idées, quand ce n'est pas l'humoriste Dieudonné qui met sa notoriété à son service. Soral est bel et bien une vedette dont la légende a été patiemment peaufinée par ses soins. Celle d'un homme viril,

adepte du coup de poing, doublé d'un intellectuel, qui aurait fréquenté l'avant-garde des années 80. Pourtant, la réalité est moins glorieuse. Grâce aux témoignages d'amis de longues dates ou d'anciens compagnons de route qui se confient pour la première fois, on découvre en effet que celui qui prétend être un penseur « dissident » est surtout un boutiquier avide de gloire qui fait commerce de sa haine. Dans le système Soral, marketing, business et droite radicale constituent un cocktail explosif.

We Lie with Death Vincent Lannoye

Rooted in philosophy, history, and his own life experiences, Ryan Landry's *Masculinity Amidst Madness* is a discussion of the world we're living in, the future laid out for us, and how you can become a man capable of thriving in the chaos to come.

**texts 1992 2016** EL4DEV

A dramatic shift in British and French ideas about empire unfolded in the sixty years straddling the turn of the nineteenth century. As Jennifer Pitts shows in *A Turn to Empire*, Adam Smith, Edmund Burke, and Jeremy Bentham were among many at the start of this period to criticize European empires as unjust as well as politically and economically disastrous for the conquering nations. By the mid-nineteenth century, however, the most prominent British and French liberal thinkers, including John Stuart Mill and Alexis de Tocqueville, vigorously supported the conquest of non-European peoples. Pitts explains that this reflected a rise in civilizational self-confidence, as theories of human progress became more triumphalist, less nuanced, and less tolerant of cultural difference. At the same time, imperial expansion abroad came to be seen as a political project that might assist the emergence of stable liberal democracies within

Europe. Pitts shows that liberal thinkers usually celebrated for respecting not only human equality and liberty but also pluralism supported an inegalitarian and decidedly nonhumanitarian international politics. Yet such moments represent not a necessary feature of liberal thought but a striking departure from views shared by precisely those late-eighteenth-century thinkers whom Mill and Tocqueville saw as their forebears. Fluently written, *A Turn to Empire* offers a novel assessment of modern political thought and international justice, and an illuminating perspective on continuing debates over empire, intervention, and liberal political commitments.

*Star Wars: Imperial Handbook* Basic Books

Winner of the 2021 William A. Douglass Prize: A new perspective on the concept of international jihad and its connection to the 1990s Balkans crisis. No contemporary figure is more demonized than the Islamist foreign fighter who wages jihad around the world. Spreading violence, disregarding national borders, and rejecting secular norms, so-called jihadists seem opposed to universalism itself. In a radical departure from conventional wisdom on the topic, *The Universal Enemy* argues that transnational jihadists are engaged in their own form of universalism: These fighters struggle to realize an Islamist vision directed at all of humanity, transcending racial and cultural difference. Anthropologist and attorney Darryl Li reconceptualizes jihad as armed transnational solidarity under conditions of American empire, revisiting a pivotal moment after the Cold War when ethnic cleansing in the Balkans dominated global headlines. Muslim volunteers came from distant lands to fight in Bosnia-Herzegovina alongside their co-religionists, offering themselves

as an alternative to the US-led international community. Li highlights the parallels and overlaps between transnational jihads and other universalisms such as the War on Terror, United Nations peacekeeping, and socialist Non-Alignment. Developed from more than a decade of research with former fighters in a half-dozen countries, *The Universal Enemy* explores the relationship between jihad and American empire to shed critical light on both. “[Li] effectively confronts the demonization of jihadists in the aftermath of 9/11, particularly in the US. . . . The author’s linguistic skills and the depth of the interviews are impressive, and the case selection is intriguing. Recommended.” —Choice “This important book offers many insights for scholars and students of political thought, anthropology, and law. Li’s breadth and acumen in navigating these different fields of study is impressive.” —Political Theory

**Empire** Paul Elvere Delsart

With a brief chronological account of the French Revolutionary and Napoleonic Wars to act as a quick reference, the remaining volume provides in sharp detail a survey of the basic capabilities and use of the weaponry of the era, a review of each state's participation in those ongoing conflicts, brief biographical notices of some of the leading military leaders, an update on the development of Napoleonic literature, a glossary of military terms, and a section devoted to miscellaneous facts and figures. *Imperium : l'histoire épique de l'Empire romain* Da Capo Press The current edition is available in English and made up of all the texts previously published by the author between 1992 and 2016, along with some other original texts, some of which have been the subject of online prepublications, written in 2016 and 2017.

This book is more than a twenty-five-year progress report in terms of writing, having gone hand in hand with, as a counterpoint, a wealth of experience in the world of work, like a celebration of life and unique paths in all their complexity. D. H. T. and Eric D. are Terence DEN HOED's pseudonyms.

### **The Napoleonic Source Book** Fayard

The 2014 Ukrainian crisis has highlighted the pro-Russia stances of some European countries, such as Hungary and Greece, and of some European parties, mostly on the far-right of the political spectrum. They see themselves as victims of the EU "technocracy" and liberal moral values, and look for new allies to denounce the current "mainstream" and its austerity measures. These groups found new and unexpected allies in Russia. As seen from the Kremlin, those who denounce Brussels and its submission to U.S. interests are potential allies of a newly re-assertive Russia that sees itself as the torchbearer of conservative values. Predating the Kremlin's networks, the European connections of Alexander Dugin, the fascist geopolitician and proponent of neo-Eurasianism, paved the way for a new pan-European illiberal ideology based on an updated reinterpretation of fascism. Although Dugin and the European far-right belong to the same ideological world and can be seen as two sides of the same coin, the alliance between Putin's regime and the European far-right is more a marriage of convenience than one of true love. This unique book examines the European far-right's connections with Russia and untangles this puzzle by tracing the ideological origins and individual paths that have materialized in this permanent dialogue between Russia and Europe.

### *Le Système Soral* Macmillan

The Bone Shard Daughter is an unmissable debut from a major new voice in epic fantasy — a stunning tale of magic, mystery, and revolution in which the former heir to the emperor will fight to reclaim her power and her place on the throne. "One of the best debut fantasy novels of the year." — BuzzFeed News "An amazing start to a new trilogy." — Culturess "It grabs you by the heart and the throat from the first pages and doesn't let go." — Sarah J. Maas The emperor's reign has lasted for decades, his mastery of bone shard magic powering the animal-like constructs that maintain law and order. But now his rule is failing, and revolution is sweeping across the Empire's many islands. Lin is the emperor's daughter and spends her days trapped in a palace of locked doors and dark secrets. When her father refuses to recognise her as heir to the throne, she vows to prove her worth by mastering the forbidden art of bone shard magic. Yet such power carries a great cost, and when the revolution reaches the gates of the palace, Lin must decide how far she is willing to go to claim her birthright - and save her people. "One of the best debut fantasy novels of the year." — BuzzFeed News "An amazing start to a new trilogy." — Culturess "It grabs you by the heart and the throat from the first pages and doesn't let go." — Sarah J. Maas "Epic fantasy at its most human and heartfelt . . . inventive, adventurous and wonderfully written." — Alix E. Harrow "Utterly absorbing. I adored it." — Emily Duncan "A thoroughly fantastic read." — Kevin Hearne "Stewart's debut is sharp and compelling. It will hook readers in and make them fiercely anticipate the rest of the series." — Booklist "Groundbreaking epic fantasy for a new age." — Tasha Suri "Begins with a spark of intrigue that ignites

into a thrilling adventure." —Hafsah Faizal

Tacite et son siècle ou La société romaine impériale d'Auguste aux Antonins dans ses rapports avec la société moderne par E.P. Dubois-Guchan becker&mayer! books ISBN

What drives Marine Le Pen and France's Front National? Has her party really changed its ways, or is she merely rebranding its old ideas and policies for a new era? In the age of Brexit and Trump, France too has seen a growing audience for identity-based politics. Under 'Marine', the FN is enjoying unprecedented success. But what's her secret? This is a probing investigation into the philosophy of Marine Le Pen's FN. It seeks answers in her speeches, in the history of French nationalism and in revealing interviews with those on the far right—including Jean-Marie Le Pen himself. Michel Eltchaninoff exposes a vision of France tyrannized by liberalism and seduced by the offer of an uncompromising alternative: a Republic 'beyond Left and Right', defined by its enemies and aligned with Putin's Russia. Whatever Marine Le Pen is thinking, she has not forgotten the FN's roots. The French far right is now stronger than ever.

*Is Theory Good for the Jews?* BoD - Books on Demand

Besides their insistence on praxis and the application of the Word of God to a given situation, Liberation Theologies make ample use of tools of analysis to uncover root causes of oppression. Now, it is precisely with respect to these tools that Liberation Theologies today find themselves on shifting grounds. In intra-ecclesiastical circles cultural concerns have come to replace socio-economic analysis, whereas after the implosion of the East Bloc the liberationists proper also pay more attention to the issues of gender, ecology, and indigenous movements. The

contributions to this volume, originating from various continents, discuss to what extent this shift in emphasis is desirable, and acceptable, and conclude that the cultural focus cannot possibly invalidate but only enrich and complete the socio-economic analysis. They, moreover, try to assess the developments in light of globalization (economics, informatics), on the one hand, and postmodernity on the other. Given the impact of western culture politics, the question arises as to whether the native cultures will succeed in keeping up their religious core values and structures of solidarity - two elements so indispensable for liberative commitments.

**t. 2** Investig'Action

*A New Adventure in the Saga of the Skolian Empire.* Kamoj Argali is the young ruler of an impoverished province on a backward planet. To keep her people from starving, she has agreed to marry Jax Ironbridge, the boorish and brutal ruler of a prosperous province. But before Argali and Ironbridge are wed, a mysterious stranger from a distant planet sweeps in and forces Kamoj into marriage, throwing her world into utter chaos. "Fans of futuristic romance will revel in the delights of a top notch romantic adventure set against an impeccably crafted, richly imagined background. . . . Connoisseurs of good science writing, vivid imagery and powerful emotional intensity are in for a real treat."- Romantic Times (4 1/2 stars)

*Inside the Mind of Marine Le Pen* St. Martin's Press

Plongez dans l'histoire fascinante de Rome, de sa fondation à sa chute. Découvrez les grandes batailles, les personnages légendaires, les intrigues politiques et les mystères qui ont forgé l'un des plus grands empires de tous les temps. Avec ce livre

captivant, vous voyagerez à travers le temps pour explorer l'héritage laissé par l'Empire romain, qui continue de façonner notre monde aujourd'hui.

*Tacite et son siècle* Lexington Books

"The bulk of the text in this book was published as 'Chetvertaia politicheskaiia teoriia', which was published in St. Petersburg in 2009 by Amphora. The text has been revised by the author, and additional chapters have been added to this edition from other writings by Professor Dugin which were published later, dealing with the same theme" -- A note from the editor.

Mirror of Empire AdrenStrat

"Visceral battles, complex politics, and fascinating worldbuilding bring Devin's words to life."—Anna Stephens, author of *Godblind* War rages as one empire falls and another rises in its ashes in the action-packed sequel to Devin Madson's bold epic fantasy, *We Ride the Storm*. There is no calm after the storm. In Kisia's conquered north, former empress Miko Ts'ai is more determined than ever to save her empire. Yet, as her hunt for allies grows increasingly desperate, she may learn too late that power lies not in names but in people. Dishiva e'Jaroven is fiercely loyal to the new Levanti emperor. Only he can lead them, but his next choice will challenge everything she wants to believe about her people's future. Abandoned by his Second Swords, Rah e'Torin must learn to survive without a herd. But honor dictates he bring his warriors home—a path that could be his salvation or lead to his destruction. And sold to the Witchdoctor, Cassandra Marius' desperate search for a cure ties her fate inextricably to Empress Hana and her true nature could condemn them both. Get swept into the thrilling

continuation of a bold and brutal epic fantasy series, perfect for readers of Mark Lawrence, John Gwynne, and Brian Staveley. Praise for *The Reborn Empire*: "Imaginative worldbuilding, a pace that builds perfectly to a heart-pounding finale and captivating characters. Highly recommended." —John Gwynne, author of *The Shadow of the Gods* "A complex tale of war, politics, and lust for power." —The Guardian *The Reborn Empire We Ride the Storm We Lie with Death We Cry for Blood* For more from Devin Madson, check out: *The Vengeance Trilogy The Blood of Whisperers The Gods of Vice The Grave at Storm's End*
