One dark and stormy night, Mo hears her Inner Voice urging her to begin writing her memoirs. Having ignored her Inner

Voice's advice once before, with near-fatal consequences, she decides, this time, to do as she is told. Mo looks back on her life, beginning with the crucial moment when she met another cow, who introduced herself as La Vache qui Rit, and assured Mo that there was nothing more stupid in this world than a stupid cow. Mo spends her life trying to prove to her friend that, despite being a cow, she is not at all stupid. Besides, she has her Inner Voice and a

great desire to live! Set in the aftermath of the Spanish Civil War, in which defeated Republican supporters are still being persecuted by victorious Nationalists. *Memoirs of a Basque Cow* paints a funny, touching portrait of friendship and freedom and the sometimes difficult process of finding oneself. Translated by the UK's finest translator of Spanish, Margaret Jull Costa.

This book explores the new debates on Basque sovereignty and statehood that have emerged in the post-violence Basque political scenario. It deciphers how sovereignty is understood or imagined by a

revitalized civil society after the unilateral cessation of operations by ETA (Basque Homeland and Freedom). The contributors to this book investigate the new political field developing in the nexus between conventional party politics, established socio-cultural and linguistic organizations, creative civil society initiatives, and innovative activism. This book is for graduate students, scholars and professionals in political science, social anthropology, European

studies, political philosophy, transnational studies, sociology, political geography, and global studies. It will also be of interest to academic specialists in Basque studies, specialists working on sovereignty, nationalism and globalization, and professionals in governance, international relations, foreign affairs, European politics and diplomacy.
