*Cultural Amnesia, Expressive Individualism, and the Road to Sexual Revolution* W Publishing Group  
Renowned pastor and bestselling author of *The Prodigal Prophet* Timothy Keller shares his most provocative and illuminating message yet. It is commonly thought in secular society that the Bible is one of the greatest hindrances to doing justice. Isn't it full of regressive views? Didn't it condone slavery? Why look to the Bible for guidance on how to have a more just society? But Timothy Keller challenges these preconceived beliefs and presents the Bible as a fundamental source for promoting justice and compassion for

those in need. In *Generous Justice*, he explores a life of justice empowered by an experience of grace: a generous, gracious justice. This book offers readers a new understanding of modern justice and human rights that will resonate with both the faithful and the skeptical.

Christianity is more than a personal relationship with Jesus Christ. It is also a worldview that not only answers life's basic questions—Where did we come from, and who are we? What has gone wrong with the world? What can we do to fix it?—but also shows us how we should live as a result of those answers. *How Now Shall We Live?* gives Christians the understanding, the confidence, and the tools to confront the world's bankrupt worldviews and to restore and redeem every aspect of contemporary culture: family, education, ethics, work, law, politics, science, art, music. This book will change every Christian who reads it. It will change the church in the new millennium. *Question-Based Bible Study Guide -- Traveling Light (Psalm 23)* Harvest House Publishers
