GEMMA HINES

Purple Hibiscus Spark Notes

From the bestselling author of *The Handmaid's Tale* and *The Testaments*—in the gated community of Consilience, residents who sign a contract will get a job and a lovely house for six months of the year...if they serve as inmates in the Positron prison system for the alternate months. "Captivating...thrilling." —The New York Times Book Review Stan and

Charmaine, a young urban couple, have been hit by job loss and bankruptcy in the midst of nationwide economic collapse. Forced to live in their third-hand Honda, where they are vulnerable to roving gangs, they think the gated community of Consilience may be the answer to their prayers. At first, this seems worth it: they will have a roof over their heads and food on the table. But when a series of troubling events unfolds, Positron begins to look less like a prayer answered and more like a chilling prophecy fulfilled. *The Heart Goes Last* is a vivid, urgent vision of development and decay, freedom and

surveillance, struggle and hope—and the timeless workings of the human heart. **David Copperfield's History of Magic** Open Court Publishing
Margaret Atwood's *The Handmaid's Tale* captivates readers with its disturbingly prescient vision of the future and haunting insights into the world as we know it. Religion--especially elements of the Christian faith--pervades every inch of the world as Atwood imagines it. Gilead's leaders use perverse forms of Christianity to sustain their authority and privilege, making understanding religion an integral part of understanding Gilead. In the face

of the inextricable role of religion in the novel, readers are left to puzzle out religious references and allusions on their own. From the significance of names to twisted uses of religion to the origins of the Ceremony, this book answers all the questions you might have about religion in this prophetic novel. For anyone who's ever googled a biblical precedent or religious phrase after encountering Atwood's dystopia, this essential guide explains it all and gives readers a fascinating look into the novel and its world. Read it and understand *The Handmaid's Tale* like never before.

Up in the Tree Emblem Editions

With an introduction by Rachael Kushner in the vanishing world of the Old West, two cowboys begin an epic adventure, and their own coming-of-age stories. In *All the Pretty Horses*, John Grady Cole's search for a future takes him across the Mexican border to a job as a ranch hand and an ill-fated romance. *The Crossing* is the story of sixteen-year-old Billy Parham who sets off on a perilous journey across the mountains of Mexico, accompanied only by a lone wolf. Eventually the two come together in *Cities of the Plain*, in a

stunning tale of loyalty and love. A true classic of American literature, *The Border Trilogy* is Cormac McCarthy's award-winning requiem for the American frontier. Beautiful and brutal, filled equally with sorrow and humour, it is a powerful story of two friends growing up in a world where blood and violence are conditions of life.

The Robber Bride Picador

The Handmaid's Tale (1985), by Canadian writer Margaret Atwood, revisits the Anglo-American utopian/dystopian tradition. Appealing to imaginative fiction and the novel of ideas, the construction of perfect - or nightmarish - worlds rouses the reader's socio-political awareness of the present and invites questions on the shape of the near future. *The Handmaid's Tale* deconstructs the utopian narrative by breaking the chronological order of the female protagonist's experience into a time-shifting testimony, a quest for meaning and an exploration of self versus the other. The intricate play on word and symbol can be read against the historical background of seventeenth-century New England Puritanism, as well as the twentieth-century New Right and women's rights movements, while inviting reference

to the postmodernist outlook. This volume includes a bibliography, a study of the book's context, as well as essays and commentaries; the approach has been adapted to the needs of Capes and Agregation students.

Angel Catbird Bloomsbury Publishing

So much to read, so little time? This brief overview of *The Handmaid's Tale* tells you what you need to know—before or after you read Margaret Atwood's book. Crafted and edited with care, Worth Books set the standard for quality and give you the tools you need to be a well-informed reader. This short summary and analysis of *The Handmaid's Tale* by Margaret Atwood includes: Historical context Part-by-part summaries Analysis of the main characters Themes and symbols Important quotes Fascinating trivia Glossary of terms Supporting material to enhance your understanding of the original work About Margaret Atwood's *The Handmaid's Tale*: Margaret Atwood's dystopian literary masterpiece tells the story of Offred, a Handmaid living in the near future in what was once the United States. A new theocratic regime called the Republic of Gilead has come to power and changed

life as she knew it. Once Offred had a her own name and a loving family—a husband and daughter—both of which were taken from her; now she belongs to the Commander and his hostile wife, and her only value lies in her ability to bear a child for them. She used to read books and learn; now such things are forbidden to all women. Gripping, disturbing, and so relevant today, *The Handmaid's Tale* is a brilliant novel and a chilling warning about what can happen when extreme ideas are taken to their logical conclusions. The summary and analysis in this ebook are intended to complement your reading experience and bring you closer to a great work of fiction.

Never Let Me Go Penguin Classics

Two children who live in a tree don't know what to do when beavers take their ladder, and after rescue comes at the hands of a friend, they find a way to return without worry.

The Testaments Algonquin Books

Show your commitment to the resistance with this hardcover ruled journal based on MGM Television's *The Handmaid's Tale*. *The Handmaid's Tale*—the groundbreaking show produced by MGM Television and

The Blind Assassin House of Anansi

As portrayed in Homer's *Odyssey*, Penelope - wife of Odysseus and cousin of the beautiful Helen of Troy - has become a symbol of wifely duty and devotion, enduring twenty years of waiting when her husband goes to fight in the Trojan War. As she fends off the attentions of a hundred greedy suitors, travelling minstrels regale her with news of Odysseus' epic adventures around the Mediterranean - slaying monsters and grappling with amorous goddesses. When Odysseus finally comes home, he kills her suitors and then, in an act that served as little more than a footnote in Homer's original story, inexplicably hangs Penelope's twelve maids. Now, Penelope

and her chorus of wronged maids tell their side of the story in a new stage version by Margaret Atwood, adapted from her own wry, witty and wise novel. *The Penelopiad* premiered with the Royal Shakespeare Company in association with Canada's National Arts Centre at the Swan Theatre, Stratford-upon-Avon, in July 2007.

Nineteen Eighty-Four. The Graphic Novel Faber & Faber

Lauded novelist Margaret Atwood and acclaimed artist Johnnie Christmas collaborate on one of the most highly anticipated comic book and literary events of the year. On a dark night, young genetic engineer Strig Feleedus is accidentally mutated by his own experiment and merges with the DNA of a cat and an owl. What follows is a humorous, action-driven, pulp-inspired superhero adventure - with a lot of cat puns.

Art and Making of the Handmaid's Tale

Simon and Schuster

Explore the terrifying world of Gilead with this behind-the-scenes look at the Emmy award-winning show *The Handmaid's Tale*. The hotly anticipated debut of *The Handmaid's Tale* -- Hulu's groundbreaking show based on Margaret Atwood's best-

selling novel -- drew a wide audience and rave reviews. Showcasing striking visuals and insightful commentary, *The Art and Making of The Handmaid's Tale* is the definitive exploration of one of television's most critically acclaimed shows.

[The Handmaid's Tale: Hardcover Ruled Journal #1](#) Vintage

#1 NEW YORK TIMES BESTSELLER • An instant classic and eerily prescient cultural phenomenon, from “the patron saint of feminist dystopian fiction” (The New York Times). Now an award-winning Hulu series starring Elizabeth Moss. Look for *The Testaments*, the bestselling, award-winning sequel to *The Handmaid's Tale* In Margaret Atwood's dystopian

future, environmental disasters and declining birthrates have led to a Second American Civil War. The result is the rise of the Republic of Gilead, a totalitarian regime that enforces rigid social roles and enslaves the few remaining fertile women. Offred is one of these, a Handmaid bound to produce children for one of Gilead's commanders. Deprived of her husband, her child, her freedom, and even her own name, Offred clings to her memories and her will to survive. At once a scathing satire, an ominous warning, and a tour de force of narrative suspense, *The Handmaid's Tale* is a modern classic. Includes an introduction by Margaret Atwood

Payback Anchor

A stunning and provocative new novel by the internationally celebrated author of *The Blind Assassin*, winner of the Booker Prize. Margaret Atwood's new novel is so utterly compelling, so prescient, so relevant, so terrifyingly-all-too-likely-to-be-true, that readers may find their view of the world forever changed after reading it. This is Margaret Atwood at the absolute peak of her powers. For readers of *Oryx and Crake*, nothing will ever look the same

again. The narrator of Atwood's riveting novel calls himself Snowman. When the story opens, he is sleeping in a tree, wearing an old bedsheet, mourning the loss of his beloved Oryx and his best friend Crake, and slowly starving to death. He searches for supplies in a wasteland where insects proliferate and pigoons and wolvogs ravage the pleeblands, where ordinary people once lived, and the Compounds that sheltered the extraordinary. As he tries to piece together what has taken place, the narrative shifts to decades earlier. How did everything fall apart so quickly? Why is he left with nothing but his haunting memories? Alone except for the green-eyed Children of Crake, who think of him as a kind of monster, he explores the answers to these questions in the double journey he takes - into his own past, and back to Crake's high-tech bubble-dome, where the Paradise Project unfolded and the world came to grief. With breathtaking command of her shocking material, and with her customary sharp wit and dark humour, Atwood projects us into an outlandish yet wholly believable realm populated by characters who will continue

to inhabit our dreams long after the last chapter.

The Handmaid's Tale Didier-Erudition

From the Booker Prize-winning author of *The Remains of the Day* and *When We Were Orphans*, comes an unforgettable edge-of-your-seat mystery that is at once heartbreakingly tender and morally courageous about what it means to be human. Hailsham seems like a pleasant English boarding school, far from the influences of the city. Its students are well tended and supported, trained in art and literature, and become just the sort of people the world wants them to be. But, curiously, they are taught nothing of the outside world and are allowed little contact with it. Within the grounds of Hailsham, Kathy grows from schoolgirl to young woman, but it's only when she and her friends Ruth and Tommy leave the safe grounds of the school (as they always knew they would) that they realize the full truth of what Hailsham is. *Never Let Me Go* breaks through the boundaries of the literary novel. It is a gripping mystery, a beautiful love story, and also a scathing critique of human arrogance and a moral examination of how we treat the

vulnerable and different in our society. In exploring the themes of memory and the impact of the past, Ishiguro takes on the idea of a possible future to create his most moving and powerful book to date.

The Handmaid's Tale Infobase Publishing Margaret Atwood's popular dystopian novel *A Handmaid's Tale*, engages the reader with a broad range of issues relating to power, gender and religious politics. This guide provides an overview of the key critical debates and interpretations of the novel and encourages you to engage with key questions and readings in your reading of the text. It includes discussion of key themes and concepts including: - Representation of women's roles, gender, sexuality and power - Language, style and form - Dystopias and genre fictions - Power, control and religious fundamentalism. Combining helpful guidance on reading Atwood's text with overviews of significant stylistic and thematic issues and an introduction to criticism, this is an ideal companion to reading and studying *A Handmaid's Tale*. *Cat's Eye* New York : Modern Language Association of America

In *The Handmaid's Tale* and *Philosophy*, philosophers give their insights into the blockbuster best-selling novel and record-breaking TV series, *The Handmaid's Tale*. The story involves a future breakaway state in New England, beset by environmental disaster and a plummeting birth rate, in which the few remaining fertile women are conscripted to have sex and bear children to the most powerful men, all justified and rationalized by religious fundamentalism. Among the questions raised by this riveting and harrowing story: ● *The Handmaid's Tale* displays the connection between sex and power. What light does this story shed on sex and power in our own society? ● The divinity of the feminine is associated with the female capacity to give birth. Is this association inherently exploitative? ● In the story, the revolution rapidly rebranded people by changing their names and placing them into functional groups with specific titles. How important is change in language to the suppression of individual freedom? ● *The Handmaid's Tale* sees everything through the eyes of one character. How is it possible to construct a self and an identity at odds with the

definition which the culture attempts to impose? ● In oppressive societies, even the most oppressed do show some freedom of choice. What is the limit of autonomy in a repressive society ruled by a fanatical ideology? ● Our present ethics of sex relies heavily on the notion of consent, but in the world of *The Handmaid's Tale* there is little scope for consent. How is the power of consent constricted by the broader social conditions? ● The feminist idea of Care Ethics can be used to critique various gender relationships. How does Care Ethics evaluate our own society and the society depicted in *The Handmaid's Tale*? ● The society portrayed in the story is marked by fierce religiosity, yet the Christian God presumably disapproves of its brutal exploitation and oppression. What is the relation between a loving Deity and the literal interpretation of scriptural passages? ● Among many dystopian stories, what makes *The Handmaid's Tale* particularly memorable, and what purpose is served by the contemplation of imaginary dystopias? ● Suicide is common in *The Handmaid's Tale*, and contemplating the possibility of

suicide is even more common. Can life be worth living if the political and religious structure is thoroughly malign? ● Beneath the theocratic preaching, there is the practical suggestion that everything is being arranged for the good of society and therefore of everyone. Who gets to decide and enforce what is in society's best interests?

The Handmaid's Tale Abrams

A critical overview of the work features such contributors as Amin Malak, Jamie Dopp, Pamela Cooper, and Glenn Deer. *Atwood's The Handmaid's Tale* Nan A. Talese

In this brilliant selection of essays, the award-winning, best-selling author of *The Handmaid's Tale* and *The Testaments* offers her funny, erudite, endlessly curious, and uncannily prescient take on everything from whether or not *The Handmaid's Tale* is a dystopia to the importance of how to define granola—and seeks answers to Burning Questions such as... • Why do people everywhere, in all cultures, tell stories? Including thoughts on the writing of *The Handmaid's Tale*, *The Testaments*, *Oryx & Crake*, and Atwood's other beloved works. • How much of

yourself can you give away without evaporating? • How can we live on our planet? • Is it true? And is it fair? • What do zombies have to do with authoritarianism? In more than fifty pieces, Atwood aims her prodigious intellect and impish humor at the world, and reports back to us on what she finds. This roller-coaster period brought the end of history, a financial crash, the rise of Trump, and a pandemic. From when to dispense advice to the young (answer: only when asked) to Atwood's views on the climate crisis, we have no better guide to the many and varied mysteries of our universe.

Religion in The Handmaid's Tale Anchor Hidden away in the Record Department of the sprawling Ministry of Truth, Winston Smith skilfully rewrites the past to suit the needs of the Party. Yet he inwardly rebels against the totalitarian world he lives in, which demands absolute obedience and controls him through the all-seeing telescreens and the watchful eye of Big Brother, symbolic head of the Party. In his longing for truth and liberty, Smith begins a secret love affair with a fellow-worker, Julia, but soon discovers the true price of

freedom is betrayal.

Margaret Atwood's The Handmaid's Tale
McClelland & Stewart

This collection analyzes how their disciplines can add unique depth and context to many of the themes that are being mobilized in Atwood's *The Handmaid's Tale* and its screen adaptations. Contributors address how these themes apply to social issues and specific topics such as science and religion to the role of journalism in a democratic society.

The Handmaid's Tale Anchor

"An emotional trip down memory lane for those of us who count our favorite restaurants as cherished personalities and members of our family." —Danny Meyer, founder of Shake Shack From romantic

spots like Le Bernardin to beloved holes-in-the-wall like Corner Bistro, John Donohue renders people's favorite restaurants in a manner that captures the emotional pull a certain place can have on the hearts of New Yorkers. All the Restaurants in New York is a collection of these drawings, characterized by their appealingly loose and gently distorted lines. These transportive images are intentionally spare, leaving the viewer room to layer on their own meaning and draw connections to their own memories of a place, of a time, of an atmosphere. Featuring an eclectic mix of 100 restaurants—from Minetta Tavern to Frankies 457 and River Café—this charming collection of drawings is accompanied by interviews with the owners, chefs, and loyal patrons of these

much-loved restaurants. "I love John's spare, romantic, quirky portrayals of iconic New York restaurants so much that I purchased over a dozen of his prints to hang around my office. These places come to define our lives in New York—that job right next to Balthazar, that boyfriend who lived above Prune, that interview that took place at '21' . . . They deserve this spotlight, this tribute." —Amanda Kludt, Editor in Chief, Eater "John Donohue is the Rembrandt of New York City's restaurant facades. His collection is an invaluable, evocative guide to the ever-changing, slowly vanishing landscape of the city's great dining scene. It belongs on the bookshelf of every devout chowhound and fresser." —Adam Platt, Restaurant Critic, New York magazine
