A sock is a work of wonder. No other knitted garment has as many structural demands or endures as much wear and tear. The humble sock must defy gravity, suffer the confines of our shoes, and endure being trampled on all day long. All too often, the root cause of a sock's triumph or failure is the yarn itself. In *The Knitter's Book of Socks*, Clara Parkes shows you how to knit socks from yarn up, following the sock yarn life cycle from its foundations to its final moments on a proud foot. By understanding a sock's basic needs—elasticity, strength, and moisture management—you'll learn how to play with these tools like building blocks, confidently combining fiber, twist, ply, pattern, and clever stitch tricks to construct your perfect pair of socks. To help put these principles into practice, *The Knitter's Book of Socks* also offers 20 fresh, original patterns from today's sock-design luminaries, including Cookie A, Cat Bordhi, Ann Budd, Nancy Bush, Anne Hanson, and Melissa Morgan-

Oakes. The socks presented here run the gamut from simple knit-and-purl combinations suitable for beginners to innovative designs with lush colorwork, swirling cables, and delicate lace.

Understanding the elements of yarn is the first step on every successful sock knitting journey. With this book as your guide, you'll learn how to make any sock yarn shine and love every pair of socks you knit.

It's Phil and Dale's favourite time of the week - the WASH! The two socks impress each other with their acrobatics; flipping, spinning and shrieking, much to the disapproval of the other clothes in the washing machine. But why should they care? They've got each other and that's all that matters... right? When Phil goes missing, Dale is left contemplating life in solitude. After a brief encounter with a red shirt, he finds himself alone in the washing machine, lost and pink. When he is finally reunited with his buddy, Phil fails to recognise him and the socks must decide what being a pair means if one of you has changed.

QI is the smartest comedy show on British television, but few people know that we're also a major legal hit in Australia, New Zealand, Israel and Africa and an illegal one on BitTorrent. We also write books and newspaper columns; run a thriving website, a Facebook page, a Twitter feed; and produce an iPhone App and a sister Radio 4 programme. At the core of what we do is the astonishing fact - painstakingly researched and distilled to a brilliant and shocking clarity. In Einstein's words: 'Everything should be as simple as possible, but not simpler.' Did you know that: cows moo in regional accents; the entire internet weighs less than a grain of sand; the dialling code from Britain to Russia is 007; potatoes have more chromosomes than human beings; the London Underground has made more money

from its famous map than it has from running trains; Tintin is called Tantan in Japanese because TinTin is pronounced 'Chin chin' and means penis; the water in the mouth of a blue whale weighs more than its body; Scotland has twice as many pandas as Conservative MPs; Saddam's bunker was designed by the grandson of the woman who built Hitler's bunker; Under the Wildlife and Countryside Act of 1981, it is explicitly illegal in Britain to use a machinegun to kill a hedgehog. 1,227 QI Facts To Blow Your Socks Off will make you look at the universe (and your socks) in an alarming new way.

American Bookseller In the segregated south, a young girl thinks that she can drink from a fountain marked "Whites Only" because she is wearing her white socks. When Grandma was a little girl in

Mississippi, she sneaked into town one day. It was a hot day—the kind of hot where a firecracker might light up by itself. But when this little girl saw the "Whites Only" sign on the water fountain, she had no idea what she would spark when she took off her shoes and—wearing her clean white socks—stepped up to drink. Bravery, defiance, and a touch of magic win out over hatred in this acclaimed story by Elevelyn Coleman. Tyrone Geter's paintings richly evoke its heat, mood, and legendary spirit.
