From Matthew Quick, the New York Times bestselling author of <i>The Silver Linings Playbook</i> —made into the Academy Award–winning movie starring Jennifer Lawrence and Bradley Cooper—comes a poignant and hopeful novel about a widower who takes in a grieving teenager and inspires a magical revival in their small town. Lucas Goodgame lives in Majestic, Pennsylvania, a quaint suburb that has been torn apart by a recent tragedy. Everyone in Majestic sees Lucas as a hero—everyone, that is, except Lucas himself. Insisting that his deceased wife, Darcy, visits him every night in the form of an angel, Lucas spends his time writing letters to his former Jungian analyst, Karl. It is only when Eli, an eighteen-year-old young man whom the community has ostracized, begins camping out in Lucas’s backyard that an unlikely alliance takes shape and the two embark on a journey to heal their neighbors and, most importantly, themselves. From Matthew Quick, whose work has been described by the Boston Herald as “like going to your favorite restaurant. You just know it is going to be good,” <i>We Are the Light</i> is an unforgettable novel about the quicksand of grief and the daily miracle of love. The humorous, soul-baring story of Lucas Goodgame offers an antidote to toxic masculinity and celebrates the healing power of art. In this tale that will stay with you long after the final page is turned, Quick reminds us that life is full of guardian angels.

The first book in the series, this bestselling novel introduces Margaret of Ashbury, a fourteenth-century Englishwoman with mystical abilities Margaret of Ashbury wants to write her life story. However, like most women in fourteenth-century England, she is illiterate. Three clerics contemptuously decline to be Margaret’s scribe, and only the threat of starvation persuades Brother Gregory, a Carthusian friar with a mysterious past, to take on the task. As she narrates her life, we discover a woman of startling resourcefulness. Married off at the age of fourteen to a merchant reputed to be the Devil himself, Margaret was left for dead during the Black Plague. Incredibly, she survived, was apprenticed to an herbalist, and became a midwife. But most astonishing of all, Margaret has experienced a Mystic Union—a Vision of Light that endows her with the miraculous gift of healing. Because of this ability, Margaret has become suddenly different—to her tradition-bound parents, to the bishop’s court that tries her for heresy, and ultimately to the man who falls in love with her.		
<i>In the Distance There Is Light</i> Denene Millner Books/Simon & Schuster Books for Young Readers		
		The Light People is a multi-genre novel that includes a series of nested stories about a tribal community in Northern Minnesota. Major themes include Oskinaway’s search for his parents and the legal wrangling over the possession of a leg that has been removed from a tribal elder. Each story is linked to previous and successive stories to form a discourse on identity and cultural appropriation, all told with humor and wisdom. Taking inspiration from traditional Anishinabe stories and drawing from his own family’s storytelling tradition, Gordon Henry, Jr., has woven a tapestry of interlocking narratives in <i>The Light People</i> , a novel of surpassing emotional strength. His characters tell of their experiences, dreams, and visions in a multitude of literary styles and genres. Poetry, drama, legal testimony, letters, and essays combine with more conventional narrative techniques to create a multifaceted, deeply rooted, and vibrant portrait of the author’s own tribal culture. Keenly aware of Eurocentric views of that culture, Henry offers a "corrective history" where humor and wisdom transcend the political. In the contemporary Minnesota village of Four Bears, on the mythical Fineday Reservation, a young Chippewa boy named Oskinaway is trying to learn the whereabouts of his parents. His grandparents turn for help to a tribal elder, one of the light people, Jake Seed. Seed's assistant, a magician who performs at children's birthday parties, tells Oskinaway's family his story, which gives way to the stories of those he encounters. Narratives unfold into earlier narratives, spinning back in time and encompassing the intertwined lives of the Fineday Chippewas, eventually revealing the place of Oskinaway and his parents in a complex web of human relationships.

		Dean Koontz has surpassed his longtime reputation as “America’s most popular suspense novelist” (Rolling Stone) to become one of the most celebrated and successful writers of our time. Reviewers hail his boundless originality, his art, his unparalleled ability to create highly textured, riveting drama, at once viscerally familiar and utterly unique. Author of one #1 New York Times bestseller after another, Koontz is at the pinnacle of his powers, spinning mysteries and miracles, enthralling tales that speak directly to today’s readers, balm for the heart and fire for the mind. In this stunning new novel, he delivers a tour de force of dark suspense and brilliant revelation that has all the Koontz trademarks: adventure, chills, riddles, humor, heartbreak, an unforgettable cast of characters, and a climax that will leave you clamoring for more. Dylan O’Connor is a gifted young artist just trying to do the right thing in life. He’s on his way to an arts festival in Santa Fe when he stops to get a room for himself and his twenty-year-old autistic brother, Shep. But in a nightmarish instant, Dylan is attacked by a mysterious “doctor,” injected with a strange substance, and told that he is now a carrier of something that will either kill him...or transform his life in the most remarkable way. Then he is told that he must flee--before the doctor’s enemies hunt him down for the secret circulating through his body. No one can help him, the doctor says, not even the police. Stunned, disbelieving, Dylan is turned loose to run for his life...and straight into an adventure that will turn the next twenty-four hours into an odyssey of terror, mystery--and wondrous discovery. It is a journey that begins when Dylan and Shep’s path intersects with that of Jillian Jackson. Before that evening Jilly was a beautiful comedian whose biggest worry was whether she would ever find a decent man. Now she too is a carrier. And even as Dylan tries to convince her that they’ll be safer sticking together, cold-eyed men in a threatening pack of black Suburbans approach, only seconds before Jilly’s classic Coupe DeVille explodes into thin air. Now the three are on the run together, but with no idea whom they’re running from--or why. Meanwhile Shep has begun exhibiting increasingly disturbing behavior. And whatever it is that’s coursing through their bodies seems to have plunged them into one waking nightmare after another. Seized by sinister premonitions, they find themselves inexplicably drawn to crime scenes--just minutes before the crimes take place. What this unfathomable power is, how they can use it to stop the evil erupting all around them, and why they have been chosen are only parts of a puzzle that reaches back into the tragic past and the dark secrets they all share: secrets of madness, pain, and untimely death. Perhaps the answer lies in the eerie, enigmatic messages that Shep, with precious time running out, begins to repeat, about an entity who does his work “by the light of the moon.” <i>By the Light of the Moon</i> is a novel of heart-stopping suspense and transcendent beauty, of how evil can destroy us and love can redeem us--a masterwork of the imagination in which the surprises come page after page and the spell of sublime storytelling triumphs throughout. #1 NEW YORK TIMES BESTSELLER • The author of *Small Great Things* returns with a powerful and provocative new novel about ordinary lives that intersect during a heart-stopping crisis. "Picoult at her fearless best . . . Timely, balanced and certain to inspire debate."—The Washington Post The warm fall day starts like any other at the Center—a women's reproductive health services clinic—its staff offering care to anyone who passes through its doors. Then, in late morning, a desperate and distraught gunman bursts in and opens fire, taking all inside hostage. After rushing to the scene, Hugh McElroy, a police hostage negotiator, sets up a perimeter and begins making a plan to communicate with the gunman. As his phone vibrates with incoming text messages he glances at it and, to his horror, finds out that his fifteen-year-old daughter, Wren, is inside the clinic. But Wren is not alone. She will share the next and tensest few hours of her young life with a cast of unforgettable characters: A nurse who calms her own panic in order to save the life of a wounded woman. A doctor who does his work not in spite of his faith but because of it, and who will find that faith tested as never before. A pro-life protester, disguised as a patient, who now stands in the crosshairs of the same rage she herself has felt. A young woman who has come to terminate her pregnancy. And the disturbed individual himself, vowing to be heard. Told in a daring and enthralling narrative structure that counts backward through the hours of the standoff, this is a story that traces its way back to what brought each of these very different individuals to the same place on this fateful day. One of the most fearless writers of our time, Jodi Picoult tackles a complicated issue in this gripping and nuanced novel. How do we balance the rights of pregnant women with the rights of the unborn they carry? What does it mean to be a good parent? Praise for *A Spark of Light* "This is Jodi Picoult at her best: tackling an emotional hot-button issue and putting a human face on it."—People "Told backward and hour by hour, Jodi Picoult's compelling narrative deftly explores controversial social issues."—Us Weekly
