Charles, Washington Post Hailed as “a  
book for our times” (Christiane  
Amanpour), *A Place for Us* is a deeply  
moving and resonant story of love,  
identity, and belonging. As an Indian  
wedding gathers a family back together,

parents Rafiq and Layla must reckon with  
the choices their children have made.  
There is Hadia: their headstrong, eldest  
daughter, whose marriage is a match of  
love and not tradition. Huda, the middle  
child, determined to follow in her sister’s  
footsteps. And lastly, their estranged son,  
Amar, who returns to the family fold for  
the first time in three years to take his  
place as brother of the bride. What secrets  
and betrayals have caused this close-knit  
family to fracture? Can Amar find his way  
back to the people who know and love him  
best? *A Place for Us* takes us back to the  
beginning of this family’s life: from the  
bonds that bring them together, to the  
differences that pull them apart. All the joy  
and struggle of family life is here, from  
Rafiq and Layla’s own arrival in America

from India, to the years in which their  
children—each in their own way—tread  
between two cultures, seeking to find their  
place in the world, as well as a path home.  
*A Place for Us* is a book for our times: an  
astonishingly tender-hearted novel of  
identity and belonging, and a resonant  
portrait of what it means to be an  
American family today. It announces  
Fatima Farheen Mirza as a major new  
literary talent.

India, That Is Bharat, the first book of a comprehensive trilogy, explores the

influence of European 'colonial consciousness' (or 'coloniality'), in particular its religious and racial roots, on Bharat as the successor state to the Indic civilisation and the origins of the Indian Constitution. It lays the foundation for its sequels by covering the period between the Age of Discovery, marked by Christopher Columbus' expedition in 1492, and the reshaping of Bharat through a British-made constitution-the Government of India Act of 1919. This includes international developments leading to the founding of the League of Nations by Western powers that tangibly impacted this journey. Further, this work also traces the origins of seemingly universal constructs such as 'toleration', 'secularism' and 'humanism' to Christian political theology. Their subsequent role in subverting the indigenous Indic consciousness through a secularised and universalised Reformation, that is, constitutionalism, is examined. It also puts forth the concept of Middle Eastern coloniality, which preceded its European variant and allies with it in the context of Bharat to advance their shared antipathy towards the Indic worldview. In order to

liberate Bharat's distinctive indigeneity, 'decoloniality' is presented as a civilisational imperative in the spheres of nature, religion, culture, history, education, language and, crucially, in the realm of constitutionalism.

And despite all the success, her inner being is still at unrest because of her shaken faith in human relations, resulting in a strained bond with her father. All she desires is to fix it and honour his silent love and sacrifices. Will she get a chance to revive her bond with her father? Or will a disaster hit when her past resurfaces into her life on the award

night, or will she meet her dream man on the same night?

*Oh, Theodore!* Andrews McMeel Publishing Now in paperback, a fresh and funny contemporary YA rom-com about teens working as costumed characters in a local amusement park. Elouise (Lou) Parker is determined to have the absolute best, most impossibly epic summer of her life. There are just a few things standing in her way: She's landed a job at Magic Castle Playland . . . as a giant dancing hot dog. Her crush, the dreamy diving pirate Nick, already has a girlfriend, who is literally the princess of the park. But Lou's never liked anyone, guy or otherwise, this much before, and now she wants a chance at her own happily ever after. Her best friend, Seeley, the carousel operator, has always been up for anything, but she's decidedly not on board when it comes to Lou's quest to set her up with the perfect girl or Lou's scheme to get close to Nick. And it turns out that this will be their last summer at Magic Castle Playland--ever--unless she can find a way to stop it from closing. Jennifer Dugan's sparkling debut coming-of-age queer romance stars a princess, a pirate, a hot dog, and a carousel operator

who find love--and themselves--in unexpected people and unforgettable places.

Seasoned garden writers Susan Lowry and Nancy Berner, along with leading landscape photographer Marion Brenner, tour more than thirty-five private gardens in the San Francisco Bay Area, illuminating the unrivalled beauty of Northern California—the breadth of the sky, the quality of the light, the sparkle of the Bay, the shapes of the hills—that has beckoned landscape designers and gardeners for generations. Organized geographically—starting with the San Francisco Peninsula, moving north into San Francisco itself, crossing the Bay into Berkeley and Oakland, and finishing in Napa, Sonoma, and Marin—Private Gardens of the Bay Area encompasses an extraordinary range of micro-climates that foster the cultivation of an equally extraordinary range of plants. The kaleidoscope of vigorous plants from five continents bursting out of an Oakland front yard is one kind of garden, the clean-lined contemporary composition of drought-tolerant natives and gravel is another, and the garden tucked into the mountain landscape of oaks, manzanitas,

and ceanothus is yet another. This fascinating tour includes gardens such as Green Gables, where the 1911 terraced design by Greene & Greene is meticulously preserved; Big Swing, with a world-renowned collection of salvias; a vertical garden on a vertiginous site in San Francisco by Surfacedesign; and a romantic landscape of lawns, perennial beds, and stately oaks owned by noted collectors and gallerists Gretchen and John Berggruen. Lowry and Berner describe the goals of each garden owner and the principles behind the designs.

Come meet Theodore: a plump, fuzzy guinea pig with a big appetite, a lot to say, and a personality all his own. As you, and his new owner, get to know him, you'll find out what he eats and how he speaks. You'll also discover the work involved in caring for a pet: feeding, cleaning, and taking him out for exercise. But it hardly seems like work once your pet becomes your best friend. With the popularity of guinea pigs as family and classroom pets, Theodore's antics are sure to ring true to many readers. And for those who haven't had a guinea pig of their own, these short,

funny, and accessible poems will create a vivid first impression.

Martin Simmonds' father tells him, "Never trust a musician when he speaks about love." The advice comes too late. Martin already loves Dovidl Rapoport, an eerily gifted Polish violin prodigy whose parents left him in the Simmonds's care before they perished in the Holocaust. For a time the two boys are closer than brothers. But on the day he is to make his official debut, Dovidl disappears. Only 40 years later does Martin get his first clue about what happened to him. In this ravishing novel of music and suspense, Norman Lebrecht unravels the strands of love, envy and exploitation that knot geniuses to their admirers. In doing so he also evokes the fragile bubble of Jewish life in prewar London; the fearful carnival of the Blitz, and the gray new world that emerged from its ashes. Bristling with ideas, lambent with feeling, *The Song of Names* is a masterful work of the imagination. [Yes, I'm Hot in This](#) Penguin UK  
The riotously funny follow-up to *The Cat in the Hat!* The Cat is back—along with some

surprise friends—in this beloved Beginner Book by Dr. Seuss. Dick and Sally have no time to play. It's winter and they have mountains of snow to shovel. So when the Cat comes to visit, he decides to go inside and to take a bath. No problem, right? Wrong! The pink ring he leaves in the tub creates is a very BIG pink problem when he transfers the stubborn stain from the bath onto Mother's white dress, Dad's shoes, the floors, the walls, and ultimately, over the entire yard full of snow! Will the kids EVER clean up the mess? You bet they will, with some help from the Cat and his helpers: 26 miniature cats (AKA Little Cats A-Z) who live inside the Cat's hat! This classic Dr. Seuss story is the perfect choice for beginning readers and read-alouds, especially on snow days! Originally created by Dr. Seuss, Beginner Books encourage children to read all by themselves, with simple words and illustrations that give clues to their meaning.

A spine-chilling saga of virulent racism, human folly, and the ultimate triumph of scientific progress. For Chinese immigrant Wong Chut King, surviving in San

Francisco meant a life in the shadows. His passing on March 6, 1900, would have been unremarkable if a city health officer hadn't noticed a swollen black lymph node on his groin—a sign of bubonic plague. Empowered by racist pseudoscience, officials rushed to quarantine Chinatown while doctors examined Wong's tissue for telltale bacteria. If the devastating disease was not contained, San Francisco would become the American epicenter of an outbreak that had already claimed ten million lives worldwide. To local press, railroad barons, and elected officials, such a possibility was inconceivable—or inconvenient. As they mounted a cover-up to obscure the threat, ending the career of one of the most brilliant scientists in the nation in the process, it fell to federal health officer Rupert Blue to save a city that refused to be rescued. Spearheading a relentless crusade for sanitation, Blue and his men patrolled the squalid streets of fast-growing San Francisco, examined gory black buboes, and dissected diseased rats that put the fate of the entire country at risk. In the tradition of Erik Larson and Steven Johnson, Randall spins a spellbinding account of Blue's race to

understand the disease and contain its spread—the only hope of saving San Francisco, and the nation, from a gruesome fate.

Smart. Funny. Fearless."It's pretty safe to say that Spy was the most influential magazine of the 1980s. It might have remade New York's cultural landscape; it definitely changed the whole tone of magazine journalism. It was cruel, brilliant, beautifully written and perfectly designed, and feared by all. There's no magazine I know of that's so continually referenced,

held up as a benchmark, and whose demise is so lamented" --Dave Eggers. "It's a piece of garbage" --Donald Trump. *The Curly Girl Blues* Vintage

The New York Times bestseller Nikki Sixx is one of the most respected, recognizable, and entrepreneurial icons in the music industry. As the founder of Mötley Crüe who is now in his twenty-first year of sobriety, Sixx is incredibly passionate about his craft and wonderfully open about his life in rock and roll, and as a person of the world. Born Franklin Carlton Feranna on December 11, 1958, young Frankie was abandoned by his father and partly raised by his mother, a woman who was ahead of her time in some ways and deeply troubled in others. Frankie ended up living with his grandparents, bouncing from farm to farm and state to state. He was an all-American kid-hunting, fishing, chasing girls, and playing football-but underneath it all, there was a burning desire for more, and that more was music. He eventually took a Greyhound bound for Hollywood. In Los Angeles, Frank lived with his aunt and his uncle-the president of Capitol Records. But there was no short path to the top. He was

soon on his own. There were dead-end jobs: dipping circuit boards, clerking at liquor and record stores, selling used light bulbs, and hustling to survive. But at night, Frank honed his craft, joining Sister, a band formed by fellow hard-rock veteran Blackie Lawless, and formed a group of his own: London, the precursor of Mötley Crüe. Turning down an offer to join Randy Rhoads' band, Frank changed his name to Nikki London, Nikki Nine, and, finally, Nikki Sixx. Like Huck Finn with a stolen guitar, he had a vision: a group that combined punk, glam, and hard rock into the biggest, most theatrical and irresistible package the world had ever seen. With hard work, passion, and some luck, the vision manifested in reality - and this is a profound true story finding identity, of how Frank Feranna became Nikki Sixx. And it's a road map to the ways you can overcome anything, and achieve all of your goals, if only you put your mind to it.

"When Tadpole was born, I spent a sleepless night on the maternity ward

gazing intently into her inky, newborn eyes, grappling to come to terms with the indisputable fact that this was an actual person looking back at me, not just a version of Mr. Frog, or me, or both, in miniature. From the outset she seemed to know what she wanted, and I realized I could have no inkling of the paths she would choose to follow. But if I watch her life unfold carefully enough, perhaps I will see clear signposts pointing to who or what she will become. Because when I look backward, ransacking my own past for clues with the clarity that only hindsight can bring, a series of defining moments do stand out. Moments charged with significance; snapshots of myself which, if I join the dots together, lead me unswervingly to where I stand today: from French, to France, to Paris, and to Petite Anglaise.” [ed. note - excerpted from Petite Anglaise, p.4] Catherine Sanderson has a beautiful bilingual daughter, an

authentic French boyfriend, and a Paris apartment with bohemian charm. She has what she has always wanted — a life in France. Growing up in Yorkshire amidst a traditional family, Catherine had set her sights on a different life — a life that would immerse her in an exotic language and culture. From grammar school French lessons to teaching English in Normandy and finally to a permanent job in Paris, she was determined that France would be the place she would call home. But now that she does, things are not so idyllic. Catherine wonders just when her life in Paris turned from wine to vinegar: She’s stuck in a dead-end administrative job, her relationship with her boyfriend has settled into a dreary routine, and the birth of their daughter has not helped to reignite the dying fire of her relationship. The remedy to her dissatisfaction arrives in the morning headlines. While scanning the

news of the day, Catherine becomes intrigued by a story profiling an internet diarist. After exploring one blog after another, and in one exhilarating moment, Catherine decides to create her own online persona, her *jardin secret*. At that moment, she is transformed from Catherine to Petite Anglaise, her boyfriend to Mr. Frog, her daughter to Tadpole, and her life to something she could never have predicted. What begins as a lighthearted diversion, a place to discuss the fish-out-of-water challenges of ex-pat life in Paris, soon gives way to a raw forum for her to bare her most intimate secrets and impulsive desires. Thousands of readers log-on to the blog and are witness to the ever-widening gulf between Petite Anglaise and Mr. Frog. Those public revelations of her growing frustrations, which play out in each successive post, begin to surreptitiously yet irrevocably erode their relationship.
