“Gilbert Sorrentino has long been one of our most intelligent and daring writers. But he is also one of our funniest writers, given to Joycean flights of wordplay, punning, list-making, vulgarity and relentless self-commentary.”—The New York Times “Sorrentino’s ear for dialects and metaphor is perfect: his creations, however brief their presence, are vivid, and much of his writing is very funny and clever, piled with allusions.”—The Washington Post Book World Bearing his trademark balance between exquisitely detailed narration, ground-breaking form, and sharp insight into modern life, Gilbert Sorrentino’s first-ever collection of stories spans 35 years of his writing career and contains both new stories and those that expanded and transformed the landscape of American fiction when they first appeared in such magazines and anthologies as Harper’s, Esquire, and The Best American Short Stories. In these grimly comic, unsentimental tales, the always-memorable characters dive headlong into the wasteland of urban culture, seeking out banal perversions, confusing art with the art scene, mistaking lust for love, and letting petty aspirations get the best of them. This is a world where the American dream is embodied in the moonlit cocktail hour and innocence passes at a breakneck speed, swiftly becoming a nostalgia-ridden cliché. As Sorrentino says in the title story, “art cannot rescue anybody from anything,” but his stories do offer some salvation to each of us by locating hope, humor, and beauty amidst a prevailing wind of cynical despair. Gilbert Sorrentino has published over 20 books of fiction and poetry, including the classic Mulligan Stew and his latest novel, Little Casino, which was shortlisted for the 2003 PEN/Faulkner Award. After two decades on the faculty at Stanford University, he recently returned to his native Brooklyn.

One Blinding Vision Thomas Nelson

An astonishing untold story from the nineteenth century—a “riveting...engrossing...‘American Epic’” (The Wall Street Journal) and necessary work of history that reads like *Gone with the Wind* for the Cherokee. “A vigorous, well-written book that distills a complex history to a clash between two men without oversimplifying” (Kirkus Reviews), *Blood Moon* is the story of the feud between two rival Cherokee chiefs from the early years of the United States through the infamous Trail of Tears and into the Civil War. Their enmity would lead to war, forced removal from their homeland, and the devastation of a once-proud nation. One of the men, known as The Ridge—short for He Who Walks on Mountaintops—is a fearsome warrior who speaks no English, but whose exploits on the battlefield are legendary. The other, John Ross, is descended from Scottish traders and looks like one: a

pale, unimposing half-pint who wears modern clothes and speaks not a word of Cherokee. At first, the two men are friends and allies who negotiate with almost every American president from George Washington through Abraham Lincoln. But as the threat to their land and their people grows more dire, they break with each other on the subject of removal. In *Blood Moon*, John Sedgwick restores the Cherokee to their rightful place in American history in a dramatic saga that informs much of the country’s mythic past today. Fueled by meticulous research in contemporary diaries and journals, newspaper reports, and eyewitness accounts—and Sedgwick’s own extensive travels within Cherokee lands from the Southeast to Oklahoma—it is “a wild ride of a book—fascinating, chilling, and enlightening—that explains the removal of the Cherokee as one of the central dramas of our country” (Ian Frazier). Populated with heroes and scoundrels of all varieties, this is a richly evocative portrait of the Cherokee that is destined to become the defining book on this extraordinary people.

The Day of the Lord Is Coming Soon The common saying “Everything comes to an end” assumes that what has a beginning must logically have a conclusion. Rumors of wars, earthquakes, pestilence, and signs in the heavens have increased—and many believe that the End of the Age is upon us and a new age is about to be born. While some in power wish to promote that which is contrary to God’s Word, believers in Christ must continue to stand for righteousness and boldly speak the truth according to God’s Word. No man knows the day or the hour, but make no mistake...when the trumpet sounds, Jesus will be coming for His children. In *The End of the Age Study Guide*, New York Times bestselling author John Hagee examines the prophecies of the Bible in the context of the events taking place in our world. He reveals how through Bible prophecy, the Lord lays out our future, both in this life and in the life to come. He also shows that we are more than conquerors, called to abundance, confidence, and peace—when we have the knowledge of the truth found in God’s Word. The End of the Age represents quintessential teaching from John Hagee on Bible prophecy and is a must-read for all those concerned with God’s divine plan. Each lesson in this study guide corresponds to the book and includes the following sections: Explore the Scripture: key passages for you to explore with study questions Reflect on the Scripture: questions to help you reflect on the truths of the passage Act in Faith: questions to help you apply the message of the passage to your life

Never before have so many Christians felt so much apprehension about the direction the world is headed: moral decay in their own nations, the Iranian nuclear deal, the rise of ISIS, war against Israel, terrorism at home, the threat of worldwide financial collapse, and more, all under God's judgment. Into that scary mix, add a number of new theories and predictions about such topics as the Blood Moons, the Shemitah Year, Israel, and the Jubilee. Readers are as confused as they are fascinated, searching book after book, struggling to sort out whom to trust, what might happen, when it might happen, and whether the end of days is near. Imagine a book that brings all these predictions together and explains them clearly and respectfully. Imagine, further, a book that empowers and trains Christians on how to think for themselves. A book that does something no other prophecy book has ever done: give Christians a key to understanding how to make sense of all the theories--how they all fit together--a key it calls Israel First! And finally, imagine a book that puts its own methods to a public test by making cutting-edge predictions in advance of 2016 and beyond, revealing new and surprising details that are firmly grounded in Scripture. The book, based on a March 2015 lecture series, received rave reviews. Student comments were overwhelming: "Wow! Amazing! Refreshing approach! Stunning! Insightful! Brought tears of joy... my fear is gone! I knew there had to be more and now I've found it!" Israel First! breaks new ground as the first Christian prophecy book jointly written by a Christian and an Orthodox Israeli Jew! Bob O'Dell and Gidon Ariel co-founded Root Source, which offers Jewish Roots training to Christians online. This perspective flavors and enriches all of the chapters of Israel First! But the greatest leap in prophetic insight comes from a stunning decision to see Israel not as a tiny new nation partnering with the United States to survive, but as the emerging leader, first of all nations, mandated by God to showcase His existence and demonstrate moral principles to the rest of the world.

**Four Blood Moons: Top 50 Facts Countdown** Thomas Nelson

The latest craze in Bible prophecy is the four blood moons and the Lords feast days. No doubt these are important biblical signposts. However, these signposts do not provide the all-important context of relating to the timing of any specific biblical event (i.e., rapture of the church, Antichrist signing the seven-year covenant with Israel) and what do the four blood moons mean with regard to being a harbinger or heralding a significant event in Israel's history. In this riveting book, James Koontz examines what the great sign means with regard to providing context for the four blood moons and the Lords fall feasts. Since Christs resurrection and ascension, the all important question for His disciples and for many of us now is when is Christ coming back for His bride? Additionally, when will the Antichrist sign the peace covenant with Israel, when will the great tribulation begin, and when will Christs second coming be? These are all very important questions that the great sign helps us understand, being the key to unlocking Bible prophecy in our time.
