Grubb's

comprehensiv  
e analysis of  
his subjects'  
compelling, if  
inconspicuous,  
lives  
investigates  
every  
significant

aspect of  
private  
experience  
during the  
Renaissance:  
marriage,  
birth, death,  
household  
relations,

work, land, social status, and spirituality. Winner of the Society for Italian Historical Studies's Howard R. Marraro Prize Originally published in 1996. Historical writing on the Renaissance has usually focused on the social extremes that co-existed in the great metropolitan centers—on either elites or the underclass. As a result, the world of the middling families and

provincial societies remains largely unexplored. Daily experiences in the lesser cities are, however, no less rich and revealing than those of Florence, Venice, and Milan. In addition, writes historian James Grubb, these experiences offer new perspectives from which to reassess familiar assumptions about domestic life in the fifteenth

century. Based on memoirs and other records left by thirteen merchant families from the Veneto cities of Verona and Vincenza, Provincial Families of the Renaissance is an engrossing study of daily lives that have until now been overlooked by scholars. Grubb examines the attitudes and experiences of families undistinguished in their modest means and local ambitions from the

majority of their compatriots, uncovering a detailed historical landscape rich in social obligations, commercial activities, and religious beliefs. Grubb's comprehensive analysis of his subjects' compelling, if inconspicuous, lives investigates every significant aspect of private experience during the Renaissance: marriage, birth, death, household relations,

work, land, social status, and spirituality. In reconstructing provincial life in the Veneto, Grubb discovers in his subjects an independence of mind that mediated their reception of metropolitan ideologies far more than the historiography of the Renaissance might suggest. These "unremarkable" provincials were agents of their own destiny, influenced in equal measures by

prevailing attitudes, local customs, and personal convictions. "James Grubb is exploring new terrain in this book. Distinguished by its clarity and eloquence, this is a superior work of historical writing and analysis that merits comparison with the best monographs on the social history of Renaissance Italy."—Gene Brucker, University of California at Berkeley

Everyman's  
Library  
John Eldredge  
revises and  
updates his  
best-selling,  
renowned  
Christian  
classic. God  
designed men  
to be  
dangerous,  
says John  
Eldredge.  
Simply look at  
the dreams  
and desires  
written in the  
heart of every  
boy: To be a  
hero, to be a  
warrior, to live  
a life of  
adventure and  
risk. Sadly,  
most men  
abandon  
those dreams  
and desires-

aided by a  
Christianity  
that feels like  
nothing more  
than pressure  
to be a "nice  
guy." It is no  
wonder that  
many men  
avoid church,  
and those who  
go are often  
passive and  
bored to  
death. In this  
provocative  
book,  
Eldredge gives  
women a look  
inside the true  
heart of a man  
and gives men  
permission to  
be what God  
designed  
them to be-  
dangerous,  
passionate,  
alive, and  
free.

Eternal youth  
is a wonderful  
thing for the  
few who have  
it, but for  
Miriam  
Blaylock, it is  
a curse -- an  
existence  
marred by  
death and  
sorrow.  
Because for  
the  
everlasting  
Miriam,  
everyone she  
loves withers  
and dies. Now,  
haunted by  
signs of her  
adoring  
husband's  
imminent  
demise,  
Miriam sets  
out in search  
of a new  
partner, one  
who can  
quench her

thirst for love and withstand the test of time. She finds it in the beautiful Sarah Roberts, a brilliant young scientist who may hold the secret to immortality. But one thing stands between the intoxicating Miriam Blaylock and the object of her desire: Dr. Tom Haver...and he's about to realize that love and death to hand in hand.

Originally published in 1966. This book is primarily a literary study of Rousseau's account of his diplomatic experiences in Venice, contained in book 7 of the *Confessions* and written in 1769. The author analyzes Rousseau's methods of achieving an artistic rendering of psychological truth in autobiography, as exemplified in

his treatment of the events of 1742–1749. Professor Madeleine Ellis contributes to an understanding of Rousseau as a creative artist and positions him vis-à-vis the classical and romantic movements. Ellis collates the text of the *Confessions* with contemporary correspondence and other documents to show how discrepancies between the two have artistic implications. These

implications lead her to define Rousseau's principles and methods as a man of letters and the interrelations of art and truth in his memoirs. In revealing that Rousseau, the memorialist, gives an artistic rendering of psychological truth, Ellis shows Rousseau's attitude toward truth. She does this by following a path of analysis unexplored by previous critics but indicated by

Rousseau himself when he says, "It is the story of my soul that I have promised . . . I record not so much the events of my life as the state of my soul as they happened." Ultimately, the objective of this study is to illustrate the artistic means—literary and rhetorical—employed by Rousseau and their implications for the truth he proposed. *Rousseau's Venetian Story* Routledge  
This book

traces the origins of a faith--perhaps the faith of the century. Modern revolutionaries are believers, no less committed and intense than were Christians or Muslims of an earlier era. What is new is the belief that a perfect secular order will emerge from forcible overthrow of traditional authority. This inherently implausible idea energized Europe in the nineteenth century, and became the

most pronounced ideological export of the West to the rest of the world in the twentieth century. Billington is interested in revolutionaries--the innovative creators of a new tradition. His historical frame extends from the waning of the French Revolution in the late eighteenth century to the beginnings of the Russian Revolution in the early twentieth century. The theater was

Europe of the industrial era; the main stage was the journalistic offices within great cities such as Paris, Berlin, London, and St. Petersburg. Billington claims with considerable evidence that revolutionary ideologies were shaped as much by the occultism and proto-romanticism of Germany as the critical rationalism of the French Enlightenment. The conversion of social theory to political

practice was essentially the work of three Russian revolutions: in 1905, March 1917, and November 1917. Events in the outer rim of the European world brought discussions about revolution out of the school rooms and press rooms of Paris and Berlin into the halls of power. Despite his hard realism about the adverse practical consequences of revolutionary dogma, Billington

appreciates the identity of its best sponsors, people who preached social justice transcending traditional national, ethnic, and gender boundaries. When this book originally appeared The New Republic hailed it as "remarkable, learned and lively," while The New Yorker noted that Billington "pays great attention to the lives and emotions of individuals and this makes his book

absorbing." It is an invaluable work of history and contribution to our understanding of political life. **Created in God's Image** Transaction Publishers  
 Puberty is a time of tumultuous transition from childhood to adulthood activated by rapid physical changes, hormonal development and explosive activity of neurons. This book explores puberty through the parent-teenager

relationship, as a "normal state of crisis", lasting several years and with the teenager oscillating between childlike tendencies and their desire to become an adult. The more parents succeed in recognizing and experiencing these new challenges as an integral, ineluctable emotional transformative process, the more they can allow their children to become independent.

In addition, parents who can also see this crisis as a chance for their own further development will be ultimately enriched by this painful process. They can face up to their own aging as they take leave of youth with its myriad possibilities, accepting and working through a newfound rivalry with their sexually mature children, thus experiencing a process of maturity, which in turn

can set an example for their children. This book is based on rich clinical observations from international settings, unique within the field, and there is an emphasis placed by the author on the role of the body in self-awareness, identity crises and gender construction. It will be of great interest to psychoanalysts, psychotherapists, parents and carers, as well as all those

<p>interacting with adolescents in self, family and society. <i>Baxter's Explore the Book</i> Zondervan This study in the language of Roman imperialism provides a provocative new perspective on the Roman imperial project. It highlights the prominence of the language of mastery and slavery in Roman descriptions of the conquest and subjection of the provinces. More broadly,</p>	<p>it explores how Roman writers turn to paradigmatic modes of dependency familiar from everyday life - not just slavery but also clientage and childhood - in order to describe their authority over, and responsibilities to, the subject population of the provinces. It traces the relative importance of these different models for the imperial project across almost three centuries of Latin literature,</p>	<p>from the middle of the first century BCE to the beginning of the third century CE. <u>Hearing Her Voice</u> University of Michigan Press Helps students and instructors read and appreciate this extraordinary piece of historical writing about Nero's infamous reign as emperor. <i>Notes, Critical and Practical, on the Book of Exodus ...</i> Columbia University</p>

**The Centurions**  
 Crossway Attempts to elucidate the philosophy of Friedrich Nietzsche through the experience of his writings. After a chapter devoted to Nietzsche's style and the proper way to read the philosopher, chapters focus separately on his thoughts on knowledge and reality, morality and politics, and religion. Each chapter presents fairly lengthy selections from Nietzsche's works (in both German and English) and then proceeds to comment on the texts with the help of additional brief selections. Paper edition available (1-55753-157-9), \$24.95.

The Poet Prince  
 Macmillan  
 The first book to attempt to provide a framework for analyzing disability through the ages, Henri-Jacques Stiker's now classic *A History of Disability* traces the history of western cultural responses to disability, from ancient times to the present. The sweep of the volume is

broad; from a rereading and reinterpretation of the Oedipus myth to legislation regarding disability, Stiker proposes an analytical history that demonstrates how societies reveal themselves through their attitudes towards disability in unexpected ways. Through this history, Stiker examines a fundamental issue in contemporary Western discourse on disability: the cultural

assumption that equality/sameness/similarity is always desired by those in society. He highlights the consequences of such a mindset, illustrating the intolerance of diversity and individualism that arises from placing such importance on equality. Working against this thinking, Stiker argues that difference is not only acceptable, but that it is desirable, and necessary. This new

edition of the classic volume features a new foreword by David T. Mitchell and Sharon L. Snyder that assesses the impact of Stiker's history on Disability Studies and beyond, twenty years after the book's translation into English. The book will be of interest to scholars of disability, historians, social scientists, cultural anthropologists, and those who are intrigued by

the role that culture plays in the development of language and thought surrounding people with disabilities.

Simon and Schuster  
The untold story, based on groundbreaking original research, of the actions and inactions that created the Israeli settlements in the occupied territories  
After Israeli troops defeated the armies of Egypt, Syria, and Jordan in June 1967, the Jewish state

seemed to have reached the pinnacle of success. But far from being a happy ending, the Six-Day War proved to be the opening act of a complex political drama, in which the central issue became: Should Jews build settlements in the territories taken in that war? The Accidental Empire is Gershom Gorenberg's masterful and gripping account of the strange birth of the settler

movement, which was the child of both Labor Party socialism and religious extremism. It is a dramatic story featuring the giants of Israeli history—Mosh e Dayan, Golda Meir, Levi Eshkol, Yigal Allon—as well as more contemporary figures like Ariel Sharon, Yitzhak Rabin, and Shimon Peres. Gorenberg also shows how the Johnson, Nixon, and Ford administrations turned a blind eye to

what was happening in the territories, and reveals their strategic reasons for doing so. Drawing on newly opened archives and extensive interviews, Gorenberg reconstructs what the top officials knew and when they knew it, while weaving in the dramatic first-person accounts of the settlers themselves. Fast-moving and penetrating, *The Accidental Empire* casts the entire enterprise in a

new and controversial light, calling into question much of what we think we know about this issue that continues to haunt the Middle East. *Church, State, and Society*

Explore the Book is not a commentary with verse-by-verse annotations. Neither is it just a series of analyses and outlines. Rather, it is a complete Bible survey course. No one can finish this series of studies and remain

unchanged. The reader will receive lifelong benefit and be enriched by these practical and understandable studies. Exposition, commentary, and practical application of the meaning and message of the Bible will be found throughout this giant volume. Bible students without any background in Bible study will find this book of immense help as will those who have spent much time studying

the Scriptures, including pastors and teachers. Explore the Book is the result and culmination of a lifetime of dedicated Bible study and exposition on the part of Dr. Baxter. It shows throughout a deep awareness and appreciation of the grand themes of the gospel, as found from the opening book of the Bible through No Logo Cambridge University Press

The days of the image brands are over, and 'new marketing' has gone mainstream. The world's biggest companies are pursuing a post-advertising strategy, moving away from advertising and investing in leading edge alternatives. In the vanguard of the revolution has been John Grant, co-founder of the legendary agency St. Luke's and author of The

New Marketing Manifesto, whose radical thinking has informed a generation. Now Grant is set to stun the industry again. In The Brand Innovation Manifesto, he redefines the nature of brands, showing why old models and scales no longer work and revealing that the key to success today is impacting people's lifestyles (think Starbucks, iPod and eBay). At the heart of the

book is the concept of the 'brand molecule' to which new cultural ideas can be constantly added to keep pace with change. Cataloguing 32 classes of idea, Grant presents a practical approach to mixing and matching them within your own market to develop new brand ideas - and new ideas for existing brands.

 The Son of

Man shall choose When the time returns for the Poet Prince. He will inspire the hearts and minds of the people So as to illuminate the path of service And show them the Way. This is his legacy, This, and to know a very great love. Worldwide controversy surrounds author Maureen Paschal as she promotes her new bestseller—the explosive account of her discovery of a gospel written in Jesus' own

hand. But a scandalous headline about her lover, Bérenger Sinclair, shatters Maureen's plans and sends her to Florence. In Tuscany, Maureen and Bérenger seek out their spiritual teacher Destino, who insists the besieged couple study one of history's great Poet Princes: Lorenzo de' Medici, the godfather of the Italian Renaissance. Bérenger is a Poet Prince of

the ancient  
bloodline  
prophecy, and  
even across  
the centuries,  
his fate is  
intertwined  
with Lorenzo  
de' Medici's.  
Bérenger  
must uncover  
the heretical  
secrets of the  
Medici  
family—and  
the shocking  
truth behind  
the birth of  
the  
Renaissance—  
if he is to fulfill  
his own  
destiny. These  
heretical  
secrets were  
hidden for a  
reason, and  
there are  
those who  
would stop at  
nothing to  
prevent

Bérenger's  
assumption of  
his rightful  
role. The  
Renaissance  
comes vividly  
to life as  
Maureen  
decodes the  
clues  
contained  
within the  
great  
masterpieces  
of Lorenzo the  
Magnificent's  
friends:  
Donatello,  
Botticelli, and  
Michelangelo.  
Maureen  
uncovers  
truths  
connected to  
the legend of  
Longinus  
Gaius, the  
Roman  
centurion who  
used pierced  
the crucified  
Jesus with his

spear. Could  
Longinus  
Gaius,  
doomed to  
live forever,  
be someone  
she knows?  
Could his  
infamous  
Spear of  
Destiny,  
sought even  
by Hitler, be  
the key to  
Bérenger's  
fate? As  
Maureen and  
Bérenger race  
to find the  
answers,  
someone is  
after them,  
hell-bent on  
settling a five-  
hundred-year  
old blood feud  
and  
destroying the  
heresy once  
and for all.  
Rich in  
Kathleen

McGowan's signature insights into art, architecture, and history and set in the beauty of Renaissance and present-day Italy, this is a spiritual detective story of the highest order. The Truth Against the World!

Patrick Kelley explores the limits of institutional knowledge regarding information gathering and knowledge in imperial political structures. The author explores how an empire's culture can shape the

information it receives and its ability to process information. The book ranges across time to examine the achievements and failures of empires to use information as a tool of governance and domination.
