Chandresh Agrawal Principles of Macroeconomics for AP® Courses 2e covers the scope and sequence requirements for an Advanced Placement® macroeconomics course and is listed on the College Board's AP® example textbook list. The second edition includes many current

examples and recent data from FRED (Federal Reserve Economic Data), which are presented in a politically equitable way. The outcome is a balanced approach to the theory and application of economics concepts. The second edition was developed with significant feedback from current users. In nearly all chapters, it follows the same basic structure of the first edition. General descriptions of the edits are provided in the preface, and a chapter-by-chapter transition guide is available for instructors.

Macroeconomics in Context lays out the principles of macroeconomics in a manner that is thorough, up to date, and relevant to students. Like its counterpart, Microeconomics in Context, the book is attuned to economic realities--and it has a

bargain price. The in Context books offer affordability, engaging treatment of high-interest topics from sustainability to financial crisis and rising inequality, and clear, straightforward presentation of economic theory. Policy issues are presented in context--historical, institutional, social, political, and ethical--and always with reference to human well-being.

Chandresh Agrawal Offering a unique blend of solid theoretical content and student accessibility, this text stands apart with its emphasis on intriguing applications that convey the prevalence of economics in

everyday life. By applying economics to phenomenon that students are familiar with and interested in, this book demonstrates like no other text how economic analysis can be applied to virtually anything of interest, thus helping students develop true economic intuition. Additional student-oriented features include a unique active-learning format, an emphasis on developing economic analysis skills, and an outstanding visual program for exhibits and graphs. Content highlights include balanced presentation of major macro theories; a micro presentation that centers around the trilogy of objectives, constraints, and choices; thorough

integration of international topics; and fully-integrated Internet features that offer hands-on exercises for exploring economics on-line. Macroeconomics, 5e is also available in a micro split and both micro/macro are in the principles text. Price Determination, Practice Papers (1-3). *Principles of Macroeconomics* OECD Publishing DT These highly successful revision guides have been brought right up-to-date for the new A Level specifications introduced in September 2000. DT Oxford Revision Guides are highly effective for both individual revision and classroom summary work. The unique visual format makes the key concepts and processes, and the links between them, easier to memorize. DT Students will save valuable revision time by using these notes instead of condensing their own. DT In fact, many students are choosing to buy their own copies so that

they can colour code or highlight them as they might do with their own revision notes.
