brands are over, and 'new marketing' has gone mainstream. The world's biggest companies are pursuing a post-

advertising strategy, moving away from advertising and investing in leading edge alternatives. In the vanguard of the revolution has been John Grant, co-founder of the legendary agency St. Luke's and author of *The New Marketing Manifesto*, whose radical thinking has informed a generation. Now Grant is set to stun the industry again. In *The Brand Innovation Manifesto*, he redefines the nature of brands, showing why old models and scales no longer work

and revealing that the key to success today is impacting people's lifestyles (think Starbucks, iPod and eBay). At the heart of the book is the concept of the 'brand molecule' to which new cultural ideas can be constantly added to keep pace with change. Cataloguing 32 classes of idea, Grant presents a practical approach to mixing and matching them within your own market to develop new brand ideas - and new ideas for existing brands. Ultimate Beginner's Guide

to Mastering Street Photography Distributed Art Publishers (DAP) Since the advent of the camera, there have been photographers whose mission is to record and interpret the public sphere in all its aspects. Eugene Atget documented evidence of everyday life in the streets as well as the buildings and monuments of Paris. Henri Cartier-Bresson pursued what he called "The Decisive Moment," the moment in which the meaning of an event was most clearly

captured in a photograph. Their work, and that of many other masters, has inspired generations of photographers to wander public spaces, camera in hand, searching for meaningful moments in time. Success requires the street photographer to be proficient with their equipment, to be constantly aware of their surroundings, and to have a keen eye. Quick reflexes and self-confidence are essential: Street photographers know from experience that hesitation or procrastination could

mean missing a once-in-a-lifetime shot. The adage "it's better to ask for forgiveness than permission" was probably coined by a street photographer. In *Street Photography: The Art of Capturing the Candid Moment*, Gordon Lewis helps readers understand and conquer the challenging yet rewarding world of street photography. The book includes discussions of why photographers are drawn to street photography, the different styles of street

photography, and what makes a great street photograph. Lewis then goes on to explore how the choice of location can change a photographer's approach to image capture: from city streets to fairs to beaches, Lewis discusses the impact different environments have on the process of street photography. Another crucial element to becoming a good street photographer is learning to travel light, with minimal equipment. Lewis gives readers practical advice on everything from

cameras and lenses to camera bags and clothing. Lewis also delves into the techniques and approaches that will help novices master the art of street photography. Whether your style is to engage your subjects or to remain unnoticed and take candid portraits, Lewis offers ideas on how to capture fascinating moments in time: a gesture, expression, or composition that may exist for only a fraction of a second, but can leave a lasting impression of the wonders, challenges, and

absurdities of modern life. Countryside National Geographic Books An inspiring guide to contemplative photography and a slow creative process, including hands-on assignments, and inspirational stories, illustrated with fifty photographs. In a world where millions of images are shot every day and fast-paced environments can exhaust and stifle creativity, The Mindful Photographer proposes a simple antidote: slowing down. Through twenty

concepts as varied as “Confidence,” “Gratitude,” and “Compassion,” combined with hands-on assignments, author Sophie Howarth invites readers to reflect on their photographic practice and learn to pause, pay attention, and become more attuned with the world around them. Ranging from the canonical to the contemporary, The Mindful Photographer features the work of photographers including Edward Weston, Kali

Spitzer, Nadav Kander, Thomas Merton, Sarker Protick, and many more. Their photographs are accompanied by quotes, stories, and anecdotes to both inspire the reader, and broaden their photographic knowledge and creative perspectives. Putting aside preconceived ideas and the competitive pressures of picture-perfect Instagram posts, this book rewires our relationship to photographic practice as one to be understood as unconditionally joyful and rewarding. Howarth's

insightful texts work as a guide to both a mindful approach to photography, and as a photographic approach to meditation. Offered in an affordable format, this will be the must-have companion for anyone seeking a more mindful approach to engaging with their world through photography. Short Nights of the Shadow Catcher Guggenheim Museum A gallery of eye-catching, untamed images of the people of this great metropolis, all taken by esteemed Magnum

photographers. Through New York's cafeterias, barbershops, fish markets, subways and taxi cabs, Chinese and Italian weddings, gyms, protest parades and fancy balls, these photographers have roamed, snapping the city's inhabitants with a realism that stings and a wit that sparkles. Featured photographers include Bruce Davidson, Inge Morath, Dennis Stock, Eve Arnold, Raymond Depardon, Richard Kalvar, Burt Glinn and many more. 97 b/w

and 42 colour photos.

Photographer's Lens*
Drago

The experience of modernization -- the dizzying social changes

that swept millions of people into the capitalist world -- and modernism in art, literature and architecture are brilliantly integrated in this account. Group F.64 Houghton Mifflin Harcourt "Paul Graham curates a subtle thesis and revitalising manifesto for photography. The dynamic and diverse work gathered here advocates an unashamed, but not uncomplicated, dedication to the brilliant tangle of reality. Without being tempted by the artifice of the studio or the

restrictive demands of conventional documentary, these artists tell open-ended stories that shift, warp, and branch, attuned unfailingly to life-as-it-is. Included are Gregory Halpern's Californian waking dream ZZZZX; Vanessa Winship's peripatetic exercise in empathy she dances on Jackson; the human assemblages of Curran Hatleberg's Lost Coast; Stanley Wolukau-Wanambwa's rich and multitudinous One Wall a Web; the mortality-tinged

America of Richard Choi's *What Remains*; RaMell Ross' visionary documentary work *South County*; the collaborative project *Index G* by Emanuele Bruti & Piergiorgio Casotti; and Kristine Potter's disorientating exploration of the American landscape and masculinity in *Manifest*. All these works are brought together in harmony and enlightening dissonance, as Graham teases out a new photographic form"-- Publisher's description. New Yorkers Aperture

From animals to robotization, climate change to migration, Rem Koolhaas presents a new collaborative project exploring how countryside everywhere is transforming beyond recognition. The pocketbook gathers in-depth essays spanning from Fukushima to the Netherlands, Siberia to Uganda - an urgent dispatch from this long-neglected realm, revealing its radical potential for changing everything about how we live

Crossroads Ilex Press
The 50mm lens is for photography purists. It's cheap to buy, light to carry and gets amazing results. It also makes even the greatest photographers try just that little bit harder to frame the perfect image. As a result, it's the first thing anyone buys after their camera. Life in 50mm shares the greatest photos - and the personal experiences that led to them - from some of today's leading photographers. It also explains why they chose

to reject complicated modern zooms and express themselves through the 50mm prime in the first place. Maximum City powerHouse Books The author of Create presents “an all-in-one, easily accessible handbook . . . [that] will show you how the pros do it. Study this and take your best shot” (Chase Jarvis, award-winning photographer). In Advancing Your Photography, Marc Silber provides the definitive handbook that will take

you through the entire process of becoming an accomplished photographer. From teaching you the basics to exploring the stages of the full “cycle of photography,” Silber makes it easy for you to master the art form and create stunning pictures. From thousands of hours of interviews with professional photography masters, you will learn valuable insights and tips on beginner, amateur, landscape, wedding, lifestyle, sports, animal, portrait, still life, and

iPhone photography. Advancing Your Photography features: · Top tips for making outstanding photographs from iconic photographers and many other leading professional photography masters of today · Numerous step-by-step examples · Guidance on training your eye to see composition with emotional impact · Tips on mastering the key points of operating your camera like a pro · Secrets to processing your images to professional standards Photography and the

technology associated with it are constantly evolving, but the fundamentals remain the same. *Advancing Your Photography* will help to bring you the joy and satisfaction of a lifetime of pursuing the art of photography.

PhotoWork Verso Books
Whether you shoot with a digital SLR, a Holga or the camera on your phone, today's cameras let you seize the moment and shoot whenever and wherever you like. This makes them perfect for street photography, the

genre of choice of some of the greatest photographers of all time, with names like Henri Cartier-Bresson, Weegee and Robert Frank turning gritty reality into iconic images. In this book, Tanya Nagar will open your eyes to the photographic potential of your urban world environment, offering the tricks and techniques that put you in the right place, at the right time, and let you create amazing photos. In addition to everything that'll give you the right skills and

headspace to capture great images on the street, Nagar has brought together a stunning showcase of some of the greatest emerging street photographers of our age to inspire you.

Street Photography BoD - Books on Demand
With a rising number of women throughout the world picking up their cameras and capturing their surroundings, this book explores the work of 100 women and the experiences behind their greatest images. Traditionally a male-

dominated field, street photography is increasingly becoming the domain of women. This fantastic collection of images reflects that shift, showcasing 100 contemporary women street photographers working around the world today, accompanied by personal statements about their work. Various joyful, unsettling and unexpected, the photographs capture a wide range of extraordinary moments. The volume is curated by Gulnara Samoilova,

founder of the Women Street Photographers project: a website, social media platform and annual exhibition. Photographer Melissa Breyer's introductory essay explores how the genre has intersected with gender throughout history, looking at how cultural changes in gender roles have overlapped with technological developments in the camera to allow key historical figures to emerge. Her text is complemented by a

foreword by renowned photojournalist Ami Vitale, whose career as a war photographer and, later, global travels with National Geographic have allowed a unique insight into the realities of working as a woman photographer in different countries. In turns intimate and candid, the photographs featured in this book offer a kaleidoscopic glimpse of what happens when women across the world are behind the camera. *But Still, it Turns Verso* - Crossroads is the first

anthology of complete works by female street artist Alice Pasquini - Includes images by famous photographers such as Martha Cooper and Ian Cox In over 300 pages, 200 images and a number of original extracts from her sketchbook, Crossroads tells the story and showcases the artwork of Alice Pasquini, one of the top female street artists worldwide. Alice is a prolific illustrator, creative designer and painter who has been gifting cities with her artwork for over

a decade: through her work, women and children become an integral feature of any urban surrounding. From large artwork - like the wall of the Italian Museum in Melbourne - to small cameos in London or Marseille, Alice's creativity shines through in every city thanks to her unique style. The images in Crossroads have been taken from renowned photographers including Martha Cooper and Ian Cox. The book is brought together by a foreword from the editor Paulo von

Vacano, texts by Jessica Stewart and journalists Nicolas Ballario (Rolling Stone) and Stephen Heyman (New York Times), as well as article extracts by Steven P. Harrington and Jaime Rojo - Co-founders of Brooklyn Street Art [BSA], Serena Dandini, DJ Gruff and Chef Rubio.

Advancing Your Photography Drago (Roma)

The divide between the digital and the real world no longer exists: we are connected all the time. How do we find out who

we are within this digital era? Where do we create the space to explore our identity? How can we come together and create solidarity? The glitch is often dismissed as an error, a faulty overlaying, but, as Legacy Russell shows, liberation can be found within the fissures between gender, technology and the body that it creates. The glitch offers the opportunity for us to perform and transform ourselves in an infinite variety of identities. In *Glitch Feminism*, Russell makes

a series of radical demands through memoir, art and critical theory, and the work of contemporary artists who have travelled through the glitch in their work. Timely and provocative, *Glitch Feminism* shows how the error can be a revolution.

The definitive collection of photographs depicting the city of Los Angeles; from "homies" to Hollywood.
The Mindful Photographer
Scribner

A native of Bombay, Suketu Mehta gives us an insider's view of this stunning metropolis. He approaches the city from unexpected angles, taking us into the criminal underworld of rival Muslim and Hindu gangs, following the life of a bar dancer raised amid poverty and abuse, opening the door into the inner sanctums of Bollywood, and delving into the stories of the countless villagers who come in search of a better life and end up living on the sidewalks. As each

individual story unfolds, Mehta also recounts his own efforts to make a home in Bombay after more than twenty years abroad. Candid, impassioned, funny, and heartrending, *Maximum City* is a revelation of an ancient and ever-changing world.

AFROSURF Vintage Italian visual artist Andrea Dojmi captures the essence of being a child in the 1970s through this unique art project presented in book form. Edited by Raffaella Guidobono, 'Aimready'

celebrates infancy, the time and place where no rules apply. Revisiting the actual and mental spaces of his own childhood, Dojmi creates a family album of digitally altered photographs that are both familiar and uncanny.
