AMY CLARK

The Lyrical Novel Tuttle Publishing
Mr. Yanagi sees folk art as a manifestation of the essential world from which art, philosophy, and religion arise and in which the barriers between them disappear. The implications of the author's ideas are both far-reaching and practical.

Chronicles of My Life Saint James Press
The author, in defining the genre of "lyrical fiction," separates a type of .fiction that can be legitimately viewed as "poetry" from other narrative types. The lyrical novelist uses fictional devices to find an aesthetic expression for experience, achieving an effect most frequently seen in dreams, picaresques, and allegories. Analyzing representative novels by Hermann Hesse, Andre Gide, and Virginia Woolf, Ralph Freedman focuses on the problem of self-consciousness. His findings are directly applicable to much twentieth-century fiction. Originally published in 1963. The Princeton Legacy Library uses the latest print-on-demand technology to again

make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.

A Potter in Japan 1952-1954 Univ of California Press

The shishosetsu is a Japanese form of autobiographical fiction that flourished during the first two decades of this century. Focusing on the works of Chikamatsu Shuko, Shiga Naoya, and Kasai Zenzo, Edward Fowler explores the complex and paradoxical nature of shishosetsu, and discusses its linguistic, literary and cultural contexts.

In the summer of 1942 Japan's leading

"Clear-eyed glimpses of human behavior in the extremities of poverty, stupidity, greed, vanity... Story-telling of an unconventional sort, with most of the substance beneath the shining, enameled surface." --The New York Times Book Review Widely acknowledged as "the father of the Japanese short story," Ryunosuke Akutagawa remains one of the most influential Japanese writers of all time. *Rashomon and Other Stories*, a collection of his most celebrated work, resonates as strongly today as when it first published a century ago. This volume includes: *In a Grove*: An iconic, contradictory tale of the murder of a samurai in a forest near Kyoto told through three varying accounts *Rashomon*: A masterless samurai contemplates following a life of crime as he encounters an old woman at the old Rashomon gate outside Kyoto *Yam Gruel*: A low-ranking court official laments his position all the while yearning for his favorite, yet humble, dish *The Martyr*: Set in Japan's Christian missionary era, a young boy is excommunicated for fathering an illegitimate child, but not all is as it seems *Kesa and Morito*: An adulterous couple plots to kill the woman's husband as the situation threatens to spin out of control *The Dragon*: A priest concocts a prank involving a dragon, but the tall tale begins to take on a life of its own With a new foreword by noted Akutagawa scholar Seiji Lippit, this updated version of a classic collection is an excellent, readable introduction to Japanese literature.

A Sense of the City Univ of California Press

Which authors were contemporaries of

Charles Dickens? Which books, plays, and poems were published during World War II? Who won the Pulitzer Prize in the year you were born? *Timetables of World Literature* is a chronicle of literature from ancient times through the 20th century. It answers the question "Who wrote what when?" and allows readers to place authors and their works in the context of their times. A chronology of the best in global writing, this valuable resource lists more than 12,000 titles and 9,800 authors, includes all genres of literature from more than 58 countries, and covers 41 languages. It is divided into seven sections, spanning the Classical Age (to 100 CE), the Middle Ages (100-1500 CE), and the 16th through the 20th centuries. Comprehensive in scope, *Timetables of World Literature* provides students, researchers, and browsers with basic facts and a worldwide perspective on literature through time. Four extensive indexes by author, title, language/nationality, and genre make research quick and easy. Features include: Birth and death dates as well as nationalities of authors and other literary figures Winners of major literary prizes and awards, such as the Nobel Prize in Literature and the Pulitzer Prizes, for each year Brief discussions of literary developments in each period or century, and the relationship of literature to the social and political climate Timelines of key historical events in each century.

Tours et détours Unicorn Publishing Group

A multidisciplinary index covering the journal literature of the arts and humanities. It fully covers 1,144 of the world's leading arts and humanities journals, and it indexes individually selected, relevant items from over 6,800 major science and social science journals.

Chinese Lyricism McGraw-Hill Education
Created by leading educators, these colorful, large-size dictionaries introduce beginning language learners to more than 1,550 commonly taught basic words. Each Let's Learn Language Picture Dictionary in the series boasts 30 delightful two-page spreads that vividly illustrate the meanings of words. Fun-filled panoramas focus on scenes familiar to children aged three through eight, such as home life, the classroom, city life, sports, the zoo, and even outer space! Learners will love to revisit these detailed depictions of people, places, actions, and objects, each time improving their recall. Featured words are set off with individual illustrations and definitions to help learners at various levels build vocabulary. Includes an index and glossary of all the individually illustrated words. An ideal selection of first word books for parents and teachers who want to encourage second language acquisition.

The Unknown Craftsman Bloomsbury Publishing

La publication du L3 remonte à 1965-1966. Depuis cette date, il a été fréquemment réimprimé, chaque fois avec quelques mises à jour, retouches ou additions touchant notamment les mots et expressions récemment entrés en usage, l'histoire récente, les dernières techniques, etc. Les bibliothèques qui n'ont pas cet ouvrage, qui concentre l'imposante documentation contenue dans le "Grand Larousse encyclopédique", feront bien de l'acquérir. Elles disposeront de trois volumes fort attrayants, illustrés en couleurs à toutes les pages et à jour en 1976. Quant aux autres bibliothèques, leur série 1965-1966 a déjà été actualisée par un premier supplément paru en 1972. Elles peuvent, pour le

moment, attendre la publication d'un second supplément.

L'âge d'or de la prose féminine au Japon (Xe-XIe siècle) Springer

There can be no potter in the world whose name is more widely known and respected than that of Bernard Leach. He is as famous in Japan and the East as he is in Europe and America, not only as an artist-craftsman but also as a thinker. Leach was born in Hong Kong, and spent the first few years of his life in Japan. Later, he attended Slade School of Fine Art and the London School of Art, where he studied etching under Frank Brangwyn. "A Potter in Japan" is a collection of memoirs and diary entries from his return to Japan in the early 1950s. These accounts provide a unique opportunity to see the Eastern influence on his craft. This book appeals to lovers of ceramics and those with an interest in cultural interchange between East and West."

Livres hebdo Tuttle Publishing

In *A Sense of the City*, Follaco examines Nagai Kafū's (1879-1959) urban representation, both at home and abroad, to define his position within the context of pre-war Japanese literature while touching upon crucial issues of modernity.

Timetables of World Literature BRILL

English summary: In this book, Jacqueline Pigeot examines the conditions that allowed female writers to flourish in Japan during the eleventh and twelfth centuries. She also analyzes several of the methods of writing (inner monologue, modalities of dialogue, encrypted quotations) that were implemented for the first time in *The Memoirs of an Ephemeral* and in *The Tale of Genji*. French description: *Le Roman du Genji*, un chef-d'oeuvre incontesté de la littérature universelle,

est du a une femme, Murasaki Shikibu, qui vecut a la cour du Japon aux alentours de l'an mil. Sa contemporaine Sei Shonagon a laisse un ouvrage unique en son genre par sa liberte de ton et son traitement virtuose de l'art de la liste : les Notes de Chevet. Une autre femme de la noblesse, connue comme La mere de Fujiwara no Michitsuna , avait quelques annees auparavant redige les Memoires d'une Ephemere, sans doute la premiere autobiographie de la litterature mondiale. Dans ce livre, Jacqueline Pigeot rappelle les conditions qui ont permis l'epanouissement de la prose feminine a cette epoque, et analyse plusieurs des procedes d'ecriture (monologue interieur, modalites du dialogue, citations cryptees) pour la premiere fois mis en oeuvre dans les Memoires d'une Ephemere et dans Le Roman du Genji.

Secret Rendezvous Princeton University Press

'A gorgeously entertaining, provocative book' Chicago Tribune It is 4am when the ambulance comes to take the man's wife away - although no-one has called it, and there is nothing wrong with her. As he sets out to find her, he finds himself in the corridors of a vast underground hospital, where he encounters sinister medics, freakish sexual experiments and the unmistakable feeling of being watched. Even when he is suddenly appointed as the hospital's chief of security, reporting to a man who thinks he is a horse, he will not give up his search. Secret Rendezvous is a nightmarish satire of bureaucracy, medicine and modern life. 'Reads as if it were the collaborative effort of Hieronymus Bosch, Franz Kafka and Mel Brooks' Chicago Sun Times
Réceptions de la culture japonaise en France depuis 1945 □□□□□□□□

"Few memoirs have the concision, modesty, and charm that mark this late-life work by . . . America's most renowned scholar and interpreter of Japan."—Foreword Reviews In this eloquent and wholly absorbing memoir, the renowned scholar Donald Keene shares more than half a century of his extraordinary adventures as a student of Japan. Keene begins with an account of his bittersweet childhood in New York; then he describes his initial encounters with Asia and Europe and the way in which World War II complicated that experience. He captures the sights, scents, and sounds of Japan as they first enveloped him, and talks of the unique travels and well-known intellectuals who later shaped the contours of his academic career. Keene traces the movement of his passions with delicacy and subtlety, deftly weaving his love for Japan into a larger narrative about identity and home and the circumstances that led a Westerner to find solace in a country on the opposite side of the world. *Chronicles of My Life* is not only a fascinating tale of two cultures colliding, but also a thrilling account of the emotions and experiences that connect us all, regardless of our individual origins. "Lovingly illustrated by the artist Akira Yamaguchi, the book limns a life inseparably linked to its dominant passion . . . The history is fascinating, and the literary life Keene has doggedly carved out of it, remarkable."—Time, Asia Edition "Keene's book soars, largely because of his intriguing, highly personal account of the literary milieu of Japan, particularly its drama, whether on stage or screen . . . [An] engaging and eloquent memoir."—Times Literary Supplement
Nouveau Larousse universel Duke

University Press

Over the last two decades, interest in translation around the world has increased beyond any predictions. International bestseller lists now contain large numbers of translated works, and writers from Latin America, Africa, India and China have joined the lists of eminent, bestselling European writers and those from the global English-speaking world. Despite this, translators tend to be invisible, as are the processes they follow and the strategies they employ when translating. The *Translator as Writer* bridges the divide between those who study translation and those who produce translations, through essays written by well-known translators talking about their own work as distinctive creative literary practice. The book emphasises this creativity, arguing that translators are effectively writers, or rewriters who produce works that can be read and enjoyed by an entirely new audience. The aim of the book is to give a proper prominence to the role of translators and in so doing to move attention back to the act of translating, away from more abstract speculation about what translation might involve. *Civilization and Monsters* Columbia University Press

"Five charming novellas ... which have astonishing freshness, color, and warmth." — The New Yorker First published in 1686, this collection of five

novellas was an immediate bestseller in the bawdy world that was Genroku Japan, and the book's popularity has increased with age, making it today a literary classic like Boccaccio's *Decameron*, or the works of Rabelais. The book follows five determined women in their always amorous, erotic and usually illicit adventures. The five heroines are Onatsu, already wise in the ways of love the tender age of sixteen; Osen, a faithful wife until unjustly accused of adultery; Osan, a Kyoto beauty who falls asleep in the wrong bed; Oshichi, willing to burn down a city to meet her samurai lover; and Oman, who has to compete with handsome boys to win her lover's affections. But the book is more than a collection of skillfully told erotic tales, for "Saikaku ... could not delve into the inmost secrets of human life only to expose them to ridicule or snickering prurience. Obviously fascinated by the variety and complexity of human love, but always retaining a sense of its intrinsic dignity ... he is both a discriminating and compassionate judge of his fellow man." Saikaku's style, as allusive as it is witty, as abbreviated as it is penetrating, is a challenge that few translators have dared to face, and certainly never before with the success here achieved in a translation that recaptures the heady flavor of the original.
