My birthday is 5 months, 3 weeks, 2 days, and 8 hours away. Today I'm starting to plan my party. So what if the Big Day's not exactly around the corner? This little girl is planning her party now. She has to, if she wants to have the best birthday party ever. She'll have the tallest birthday cake in the world, plus camels, elephants, a ferris wheel (of course), and a castle . . . with a moat. Kids will laugh out loud at the girl's wild plans, and love the oh-so-sweet ending, which involves a modest but fun party. Jennifer LaRue Huget and LeUyen Pham brilliantly capture what it feels like to be the Birthday Girl—a feeling many children will relate to.

In *What My Mother Gave Me*, women look at the relationships between mothers and daughters through a new lens: a daughter's story of a gift from her mother that has touched her to the bone and served as a model, a metaphor, or a touchstone in her own life. The contributors of these thirty-one original pieces include Pulitzer Prize winners, perennial bestselling novelists, and celebrated broadcast journalists. Whether a gift was meant to keep a daughter warm, put a roof over her head, instruct her in the ways of womanhood, encourage her talents, or just remind her of a mother's love, each story gets to the heart of a relationship.

Rita Dove remembers the

box of nail polish that inspired her to paint her nails in the wild stripes and polka dots she wears to this day. Lisa See writes about the gift of writing from her mother, Carolyn See. Cecilia Muñoz remembers both the wok her mother gave her and a lifetime of home-cooked family meals. Judith Hillman Paterson revisits the year of sobriety her mother bequeathed to her when Paterson was nine, the year before her mother died of alcoholism. Abigail Pogrebin writes about her middle-aged bat mitzvah, for which her mother provided flowers after a lifetime of guilt for skipping her daughter's religious education. Margo Jefferson writes about her mother's gold dress from the posh department store where they could finally shop as black women. Collectively, the pieces have a force that feels as elemental as the tides: outpourings of lightness and darkness; joy and grief; mother love and daughter love; mother love and daughter rage. In these stirring words we find that every gift, no matter how modest, tells the story of a powerful bond. As Elizabeth Benedict points out in her introduction,

"whether we are mothers, daughters, aunts, sisters, or cherished friends, we may not know for quite some time which presents will matter the most."

Why did I give advice to Eve instead of going directly to Adam? I knew I would never be able to stop the Creator's overall plan, but I thought I might really be able to frustrate it if I could screw up some relationships." So speaks Satan as The First Family Counselor in this new collection of Edwin Friedman's most popular essays, edited by his daughter, Shira Friedman Bogart. Friedman's signature wit and playfulness goes straight to the heart of human relationships from one generation to another. Throughout his life, Friedman eloquently

applied the insights of family therapy to churches and synagogues, rectors and rabbis, politicians and teachers, and his humor, sense of paradox, and unique style of storytelling were trademarks of his teaching style. Kindle edition available *Sontag and the Camp Aesthetic* McFarland The sexual politics of a faculty wives dinner. The psychological gamesmanship of an inappropriate therapist. The emotional minefield of an extended family wedding . . . Whatever the subject, Emily Fox Gordon's disarmingly personal essays are an art form unto themselves—reflecting and revealing, like mirrors in a maze, the seemingly endless ways a woman can lose herself in the modern world. With piercing humor and merciless precision, Gordon zigzags her way through "the unevolved paradise" of academia, with its dying breeds of bohemians, adulterers, and flirts, then stumbles through the perils and pleasures of psychotherapy, hoping to find a narrative for her life. Along the way, she encounters textbook

feminists, partying philosophers, perfectionist moms, and an unlikely kinship with Kafka—in a brilliant collection of essays that challenge our sacred institutions, defy our expectations, and define our lives.

What My Mother Gave Me

In many ways, the history of domestic humor writing is also a history of domestic life in the twentieth century. For many years, domestic humor was written primarily by females; significant contributions from male writers began as times and family structures changed. It remains timeless because of its basis on the relationships between husbands and wives, parents and children, houses and inhabitants, pets and their owners, chores and their doers, and neighbors. This work is a historical and literary survey of humorists who wrote about home. It begins with a chapter on the social context of and attitudes toward traditional domestic roles and housewives. The following chapters, beginning with the 1920s and continuing through today, cover the different time periods and the foremost American

domestic humorists, and the humor written by surrogate parents, grown children about their childhood families, husbands, and Canadian and English writers. Also covered are the differences among various writers toward traditional domestic roles--some, like Erma Bombeck and Judith Viorst, embraced them, while others, like Caryl Kristenson and Marilyn Kentz, resisted them.

Common themes, such as the isolation and competitiveness of housework, home as an idealized metaphysical goal and ongoing physical challenge, and the urban, suburban, and rural life, are also explored.

At age twelve, author Thomas Michael Johnson faced the death of a great-grandparent he was close to as a child. That trauma left him with an irrational fear of losing loved ones. By the time he married and became a father, the fear of death living within him was incapacitating and debilitating, often causing difficulties in his personal and professional life. Seeking freedom from this terror, Johnson began to understand the difference between joy and happiness; he was delivered from the fear

some six weeks before his wife's untimely demise. After nearly nineteen years of marriage, he woke to find his beloved wife had passed away while he slept. He suddenly became a single parent of three sons (ages seventeen, thirteen, and twelve), struggling through the typical single-parent issues with an added layer of grief. Johnson's middle son's autism added to the challenges. In *Good Grief*, Johnson shares an account of the trepidation he lived through as a young man, his freedom from the fear of death before his wife died, and the two years following her death. This memoir focuses on the lessons he learned from God directly, from scripture, and from the tight-knit group of family and friends God had given him. Raw and authentic, Johnson chronicles a story of his experience as a grieving widower, a single father, and a broken child of God who had no choice but to ask for help from those surrounding him, while trying to restore joy in his home.
