Once Upon a Broken Heart Carol Howe
Heal by embracing your pain with #1 New York Times bestselling author Marianne Williamson - preorder her latest, *The Mystic Jesus*, picking up where *A Return to Love* left off The internationally recognized teacher, speaker, and New York Times bestselling

author of *A Return to Love* argues that our desire to avoid pain is actually detrimental to our lives, disconnecting us from our deepest emotions and preventing true healing and spiritual transcendence. Marianne Williamson is a bestselling author, world-renowned teacher, and one of the most important spiritual voices of our time. In *Tears to Triumph*, she argues that we—as a culture and as individuals—have learned to avoid facing pain. By doing so, we are neglecting the spiritual work of healing. Instead of allowing ourselves to embrace our hurt, we numb it, medicate it, dismiss it, or otherwise divert our attention so that we never have to face it. In refusing to acknowledge our suffering, we actually prolong it and deny ourselves the opportunity for profound wisdom—ultimately limiting our personal growth and opportunity for enlightenment. Frozen by denial, we are left standing in the breach. Whole industries profit from this immobility, and while they have grown rich, we have become spiritually poorer. As Marianne makes clear, true healing and

transcendence can only come when we finally face our pain and wrestle with what it has to teach us. Written with warm compassion and profound wisdom, Tears to Triumph offers us a powerful way forward through the pain, to a deeper awareness of our feelings, our lives, and our true selves.

Living a Course in Miracles Courier Dover Publications

The great classic work, A Course in Miracles, is devoted to teachings about who we are, our relationships to God and with each other, and the actual mental nature of our bodies and the world.

There are three constituent parts to the Course: The Text, a Workbook for Students, and the Manual for Teachers. The Text lays out the theoretical foundation for the metaphysical system of the Course. The Workbook contains a series of 365 Lessons to be practiced daily for the purpose of retraining the mind and healing our perception. Finally, the Manual contains information for and about advanced teachers of God. A Course in Miracles is also about miracles, which students understand to be, in part,

a shift in perception to healed vision. But miracles are more than a shift in perception, because the shift has consequences in the world as we see it. The conversational tone of this Original Edition invites the novice student into conversation with the Author, and even advanced students of A Course in Miracles have found a new clarity and a deeper understanding from their study of the Original Edition of the Course. The restoration of the previously lost material and presentation of the text in its original sequence enlivens the conversation with the Author and gives him a presence that some feel is lacking in the later editions. When encountering Schucman and Thetford's original edition, students frequently find fresh clarity as they read its wording or new understanding. Surely study of the Original Edition is essential to your curriculum.

A Course of Love Mango Media

The main emphasis of this book is to train the mind to increase our awareness that God resides within each of us.

Awareness of this truth is a redeeming influence on the path to peace and joy. We are given the responsibility to choose between what is the truth and what is false. This process removes the blocks to love's presence, which is the key to our awakening. As we wake up from the false dream of our separation from God, we will escape the ravages of fear (hell) and transcend into the peace and joy (Heaven) that is available in every moment. Intellectual understanding of this truth does not bring peace and joy. They come through perceptual miracles that allow us to know that the Creator has been, and always will be, within all of us.

Everyone's underlying yearning is to escape from fear, and as love's unifying

power expands within us, we will be liberated to receive and extend the joy of Heaven to ourselves and others.

"I have come at this time, in this place, and through this being to speak my truth, to speak the story of my life — the true story of my life." The purpose of this book is to clarify, to tell the truth, and to share my energies with you so that you can begin the transformation of your mind and, therefore, the transformation of your heart and your world. It is in the misteachings that have been associated with my name that much death and pain has been caused and that much guilt and self-recrimination has been expressed. That was not my purpose; that was not my lesson. This story will begin the change. It will not make the change. It will facilitate turning the key in the lock, but you must open the door and walk through it into a new realm that is opened by this information. That is your responsibility. We can only bring you the message, this channel and I. We can only work together to transmit the information, but it is through your actions and your transformation that you will see a change in your world, a change in the subjective world that is manufactured from your beliefs, your thoughts, and your feelings. I talk about the truth of my birth and the truth of my life. I cover some stories that are recounted in the Bible and tell you the true story of those events. I describe some of my personal traits, my human traits, and I define what I am, who I am, and why these things happened. You will be able to understand the truth, and you will begin this reconditioning, this retooling of your mind — of your thoughts and beliefs — on this subject of

my life, my meaning, and my purpose, for it is a long process. The time is ripe. The need for a spiritual revolution is here. — Jesus

No matter how much is learned, if that learning remains in our heads, it is not enough. Unless learning touches our hearts, it's never going to bring us the wisdom we seek, the peace we desire, or the intimacy and connection for which we yearn. A new and more receptive way of knowing is needed, and is found in this course for the heart. "A Course of Love" was received by Mari Perron and given to be a "new" course in miracles. It is for the heart what "A Course in Miracles" is for the mind. For many, it is the next step in a journey already begun.

Written by a world-renowned teacher of *A Course in Miracles*, this book reveals the profound power of the present moment and shows how tapping into it using practical insights and simple exercises can fortify your spirit against fear, break down perceived limitations and your sense of separation, and help you manifest a life of joy, oneness, and serenity. We all feel isolated and afraid sometimes, but the truth is, we're never really alone. Indeed, as author and spiritual teacher David Hoffmeister points out, it is the deeply ingrained belief that you are separate from everything—that you're on your own, there is reason to be afraid, and you might not be worthy—that prevents you from living the joyful life you long for. So, how can you begin to untangle the thoughts and feelings that keep you trapped in your own egoic fears? This *Moment Is Your Miracle* addresses this painful yet widespread belief in separation, peeling back the layers of

misperception to uncover the divine oneness at the heart of reality, through which we are all connected. You'll find spiritual practices and tools to help you awaken from the nightmare of fear and isolation, and practical ways to cultivate acceptance, forgiveness, healing, and trust—for healing yourself, your relationships, and the world. With this book as your guide, you'll learn how to trust your inner guidance and accept life's miracles, and find true freedom and peace of mind. There has never been a better time than now.

Jesus' Course in Miracles Celestial Arts
Winner of the Newbery Medal * An ALA Notable Children's Book * Winner of the Lewis Carroll Shelf Award A captivating and richly detailed novel about one young soldier who saw the Civil War from both sides and lived to tell the tale. Earnest, plain-spoken sixteen-year-old Jeff Bussey has finally gotten his father's consent to join the Union volunteers. It's 1861 in Linn County, Kansas, and Jeff is eager to fight for the North before the war is over, which he's sure will be soon. But weeks turn to months, the marches through fields and woods prove endless, hunger and exhaustion seem to take up permanent residence in Jeff's bones, and he learns what it really means to fight in battle—and to lose friends. When he finds himself among enemy troops, he'll have to put his life on the line to advance the Union cause. Thoroughly researched and based on firsthand accounts, *Rifles for Watie* "should hold a place with the best Civil War fiction for young people" (The Horn Book). A strong choice for independent reading and for sharing in a classroom and for homeschooling. As a homeschool cooperative teacher commented: "The book has launched many discussions in our class. When a person is on one side

of a conflict, it is important to remember that people on the other side are also people. Jeff is a perfect model for how treating people with respect can happen even in war."
