These books are arranged to be performed with various combinations of instruments. This volume presents some of the most beloved repertoire for the Christmas season. Some works are well known, others will sound fresh and new to most players. the pieces may be performed as a solo for each instrument (Violin 1, Violin 2, Viola or Cello) with piano accompaniment, or as duets or trios, as well as full orchestra. If performed with full orchestra, the piano accompaniment is not necessary. The string ensemble series meets all standards for ASTA (American String Teachers Association) and Suzuki Association of the Americas, Inc. If performed with full orchestra, no solo parts should be played except the 1st violin part. Note also, if you wish to perform these works with full orchestra and you are short certain instruments, you still have some flexibility with the score. for example, if there are not enough violas for balance, the viola (harmony part) and 3rd violin part are identical. the part may be

played with all 3rd violins or equally divided between 3rd violins and violas.

This book is volume 2 of a 4 volume series, the first 3 of which have been published by Xlibris and the 4th almost complete for

imminent delivery. In its entirety this work is the most comprehensive and accurate account of Australian Classical Music making ever undertaken. Its scope is from 1901-2012 and includes more than 800 composers, famous and obscure, with more than 30,000 compositions including details of their premieres (where, when and by whom). Individual performers, ensembles, orchestras, opera and ballet companies, music educators, instrument makers, academics, entrepreneurs, philanthropists and critics are included as part of the story. The foundation and demise of music institutions, venues and festivals is recorded chronologically. Altogether an extensive picture of Australian Classical Music production and performance can be gleaned in any given year. This book is distinct insofar as it can be read conventionally (from cover to cover); or one may choose a composer/performer and follow his/her career year by year; or one may open the book at random and delight in the unusual and esoteric information therein. This book, and its companion volumes, are valuable and indispensable works for the serious music student, professional musician, performing amateur, cultural aficionado and inquisitive lay person.
