Durrell's masterpiece is

onne of the world's

greatest romances,

rich in political and sexual intrigue. This seductive tale of four tangled lovers in wartime Egypt is set in the city of Alexandria once home to the world's greatest library, attracting scholars dedicated solely to the pursuit of knowledge. But on the eve of World War II, the obsessed characters in this mesmerizing novel find that their pursuits lead only to bedrooms in which each seeks to know-and possess-the other.

Through a series of imaginative approaches to movement and performance, choreographer Deborah Hay presents a profound reflection on the ephemeral nature of the self and the body as the locus of artistic consciousness. Using the same uniquely

playful poetics of her revolutionary choreography, she delivers one of the most revealing accounts of what art creation entails and the ways in which the body, the center of our aesthetic knowledge of the world, can be regarded as our most informed teacher. My Body, The Buddhist becomes a way into Hay's choreographic techniques, a gloss on her philosophy of the body (which shares much with Buddhism), and an extraordinary artist's primer. The book is composed of nineteen short chapters ("my body likes to rest," "my body finds energy in surrender," "my body is bored by answers"), each an example of what Susan Foster calls Hay's "daily

attentiveness to the body's articulateness."

Within the current discussion on grammatical interfaces, the word-classes of adjective and adverb are of particular interest because they appear to be separated or joined in manifold ways at the level of word-class or syntax, with morphology playing a prominent role, especially in Romance. The volume provides typological and theoretical insights into the common or different usage of adjectives and adverbs in Romance. Diachronic change is discussed alongside with

synchronic variation and the representation in grammar. The discussion turns out to be controversial, calling into question traditional assumptions such as the dogma of the invariability and the categorial status of the adverb.

 There's something lurking in the Grayson mansion. Alex and Blaire are freelance journalists and former romantic partners. When they learn that the rich and corrupted Gary Grayson might be involved with the disappearance of a young woman, it's a scoop that could make their careers - if they can only find proof. Breaking into Grayson's secluded mansion is not the safest idea, but they

decide to take the chance. They think they understand the risks. They think they know what they're getting into. They're dead wrong. Now, trapped inside a big, old mansion, Alex and Blaire face a horrifying truth. These twisted corridors hold more than an eccentric recluse. There is something far worse, and it's hunting them...

 DIVDIVThe astounding third offering in Durrell's Alexandria Quartet, a richly detailed and extraordinary expansion of the events of Justine and Balthazar/divDIV /divDIVDavid Mountolive is a British diplomat who views love as just another

everyday transaction. But as romance turns to betrayal and secret alliances are exposed, Mountolive's affair will bring the true complexity of contemporary love to the forefront amid the swirling political climate of Alexandria.

Continuing to push beyond the limits of the traditional novel, Lawrence Durrell maintains his unwavering focus in Mountolive. He recasts the romantic affairs and liaisons he so skillfully established in Justine and Balthazar through the eyes of the young Mountolive, building toward the series' stunning conclusion.

This is a valuable book.....It is a work of wide learning. It deals with a topic which, as the author states in his preface, has been much neglected in spite of the fact that biblical scholars and theologians have always paid lip service to the importance of law in Jewish life. It is a book which should be on the library shelf of every serious student of the New Testament.

As the novel opens, aristocratic Eleonora Fonseca Pimentel pleads with the High Court of Naples to be beheaded instead of hanged like a criminal. One of the leading revolutionaries of her time, Eleonora contributed to the establishment of the Neapolitan Republic, based on the ideals of the French Revolution. Imprisoned in 1799 after the return of the Bourbon Monarchy, and while waiting to be sentenced, she writes a memoir. Here, she discusses not only her revolutionary enthusiasm, but also the adolescent lover who abandoned her, Joseph Correia da

Serra. While visiting Monticello many years later, Joseph discovers Eleonora's manuscript in Thomas Jefferson's library. Now retired, Jefferson is committed to founding the University of Virginia and entices Correia with a position when the institution opens. As the two philosophes explore Eleonora's writing through the lens of their own lives, achievements, and follies, they share many intimate secrets. Told from Eleonora and Joseph's alternating points of view, the interwoven first-person narratives follow the characters from the elegant salons of Naples to the halls of Monticello, from the streets of European capitals such as Lisbon, London, and Paris to the cultured new world

of Philadelphia and the chic soirées in Washington. Eleonora and Joseph were both prominent figures of the Southern European Enlightenment.

Together with Thomas Jefferson, they formed part of The Republic of Letters, a formidable network of thinkers who radically influenced the intellectual world in which they lived and which we still inhabit today.

DIVIDIVThe deeply affecting second novel of the Alexandria Quartet, which boldly questions perception and the nature of contemporary love/divDIV /divDIVIn Alexandria, Egypt, in the years before World War II, Durrell's narrator, Darley, seeks to fully understand his sexual obsession with two women: the infamous Justine, and Melissa, a dancer. In Darley's conversations with Balthazar, a doctor and mystic, it soon becomes clear that Darley's fixation is

more complex and ominous than either man could have imagined. Layered and unflinching, Balthazar is a poignant examination of the modern psyche, and a study of a world where love can become consumed by deceit.
