Who goes to get a hammy ham sandwich in the middle of the night and ends up getting her face bitten by an unhandsome stranger? This girl over here. I guess the lesson in that is: 1. Don't go buy anymore sandwiches in Brooklyn after 10 p.m. 2. Don't go buy sandwiches by in Brooklyn by yourself. 3. Don't go buy anything by yourself. 4. Stay in the house for the rest of eternity to properly avoid men with teeth. That way, all of us can avoid getting our faces

bitten by cannibalistic men set on making your their girlfriend against your will. Tragic. Isn't dating as a black woman already hard enough without worrying about the next time you're going to get a face-full of freshly buttered teeth? I think the hell so. I've been dating as a black woman since before I even reached womanhood. That's how bad it is out here in these love-streets. That's just one happening. In the rest of these little lessons we will talk about the absolute horrors of trying

to casually date, how to attempt getting over very sad one-night stands, what I fondly call "deadline dating", sticking to some portion of your dating standards, the emotional abuse and manipulation that is so ripe in the world of trying to fall in love, and what happens when you no longer believe you can fall in love. The truest of all the tragedies. We ain't supposed to talk about that though. We're supposed to be eternally hopeful that love is out there and believe that us,

black women, are the problem. I'm here to tell you that we aren't. Just like it isn't my fault that I innocently went out looking for a salted sandwich with some tomatoes on it and ended up having some giant stranger sink his teeth into my face. I couldn't have predicted that. Just like none of us could have predicted we'd still have troubles finding something that is supposedly as easy to find as love. Love ain't that easy. You aren't being difficult for wanting the

best love for yourself, you're honoring yourself, and sometimes you need to experience some truly unfortunate things to get back to finding the love you deserve. I shall hate it, but I've been there. Let's go on this journey together as I present to you my own tragically hilarious stories about love.

THE REVEALING AND RIP-
ROARINGLY FUNNY GUIDE

TO MAKING EVERY RELATIONSHIP SMARTER, SANER, AND HAPPIER It's all very simple. When it comes to women, men are profoundly stupid. And when it comes to men, women—no matter how intelligent or mature—are completely crazy. Based on this groundbreaking insight, comedy writers and real-life couple Howard J. Morris and Jenny Lee have devised a relationship guide that is refreshingly honest, completely hilarious, and surprisingly practical. Using their own

crazy/stupid romance as an example, they explain why women ask questions they don't want answered—and why men persist in answering them. Why do guys suck at being romantic? And why does every conversation with a woman lead back to whether or not she's fat? With wit, hard-earned wisdom, and an entertaining he said/she said format, the authors explore the unwitting method to his dumbness and the valid reasons behind her insanity while providing real relationship

solutions and helping couples to reach the place where giving isn't giving in, needing isn't needy, and the sexes can break dysfunctional patterns and find a way to live happily ever after.

Jon Sands has traveled into a ridiculous world, where nothing is too hilarious to not be honest, and nothing is too honest to not get you pregnant. Best of all, he's packed us in his suitcase. He represents an ever-changing population of those raised elsewhere who find themselves beckoned by the history, mystique, and magic-makers of New York City. These poems inhabit their

own contradictions, and exquisitely navigate the many complicated sides of what it means to be alive. Jon Sands is a high-stakes, honest poet of wild range. Sands possesses the remarkable ability to celebrate just as deeply as he mourns & whichever city he moves through in his poems ... one can be certain that there will be some singing. That's just what these poems do. - Aracelis Girmay, author Sands scours buses in Queens, faceless bullets, and a city full of "back talk" to find a

place where we can all “fall madly in Jon,” and we do. Always fresh, The New Clean is a poetics of triumph - Michael Cirelli, Executive Director of Urban Word-NYC

 TIMES BESTSELLER “In I.M., Isaac Mizrahi puts his life to paper with the same mix of spirit and wryness as the designs he popularized.” —Vanity Fair
 Isaac Mizrahi is sui generis: designer, cabaret performer, talk-show host, a TV celebrity. Yet ever

since he shot to fame in the late 1980s, the private Isaac Mizrahi has remained under wraps. Until now. In I.M., Isaac Mizrahi offers a poignant, candid, and touching look back on his life so far. Growing up gay in a sheltered Syrian Jewish Orthodox family, Isaac had unique talents that ultimately drew him into fashion and later into celebrity circles that read like a who’s who of the twentieth and twenty-first centuries: Richard Avedon, Audrey Hepburn, Anna Wintour, Mikhail

Baryshnikov, Meryl Streep, and Oprah Winfrey, to name only a few. In his elegant memoir, Isaac delves into his lifelong battles with weight, insomnia, and depression. He tells what it was like to be an out gay man in a homophobic age and to witness the ravaging effects of the AIDS epidemic. Brimming with intimate details and inimitable wit, Isaac's narrative reveals not just the glamour of his years, but the grit beneath the glitz. Rich with memorable stories from in

and out of the spotlight, I.M. illuminates deep emotional truths. *The New Rolling Stone Album Guide* Image Comics
 First published in 1906, *The Fool of Quality*; a picaresque and sentimental novel by the Irish writer Henry Brooke, is the only one of his works which has enjoyed any great reputation. The somewhat shapeless plot is an account of the doings of young Harry Clinton, who, rejected by his decadent and aristocratic father, is

educated on enlightened principles by his philanthropic uncle. Thus equipped to fight the evils of the world the innocent yet wise hero does his best to better the lot of the unfortunate Hammel Clement and his family, and other deserving cases, in the intervals between the author's frequent philosophical digressions and commentaries on the action. It is the first of five volumes.

 Thrive on risk, speak with intention—and be the influential and confident

leader you know you are. Too often, we get stuck in our heads, focus on the negative, and paralyze ourselves with fear. And, like clockwork, we fail to achieve our goals. The only way to become an effective leader and enjoy career success is by silencing the self-sabotaging thought patterns and learn to trust yourself. Once you've established a trusted connection with yourself, clear on who you are and what motivates you, career opportunities will follow. Former Wall Street

executive Marisa Santoro spent years navigating trading floors in an abrasive male-dominated industry and field, where she learned from experience that the key to leadership success is self-trust. Now, in *Own Your Authority*, she shares her hard-won secrets to being a resilient leader. Santoro lays out a step-by-step blueprint for building the confidence you need at any stage of your career, whether you are an executive, a mid-career senior professional, an emerging leader, or

consultant. Be clear on how you're perceived and how you relate with others. Be willing to act on instinct in the face of fear. Be aware of the instinctive yellow alerts flagging your indecision—they are there for a reason and will help you make the best decision. Trust your "intuitive gut gene," an instinct that helps you make gutsy moves. Speak out and openly express yourself without apology, restriction, or worry about the opinions of others. Self-confidence is a

universal prerequisite for being an effective leader. The good news is you're not born with it—you develop it. With *Own Your Authority*, you'll learn to master your mindset, give yourself permission to break through the walls that have held you back, and deliver positive impact to yourself, your team, and your business. *How to Succeed in Business Without Really Crying* Routledge

When most people think of movie musicals, films like "Singin' in the Rain", "Sound of Music", "The

Red Shoes", "On the Town", "White Christmas", "Ziegfeld Follies", "Top Hat", "Funny Face" and "Funny Girl" immediately come to mind. Such films are included in this book, as are many of the works of major stars, including Fred Astaire, Bing Crosby, Gene Kelly, Betty Grable, Shirley Temple, Julie Andrews, Elvis Presley, Lucille Ball, Alice Faye, Jeanette MacDonald, Maurice Chevalier, Nelson Eddy, Doris Day, Dick Powell, Betty Hutton, Eleanor Powell, and Al Jolson. But attention is

also drawn to less lavishly produced but very pleasant musical offerings from both major and minor studios (including perhaps the finest "B" musical ever made). In all, 125 pictures are reviewed and detailed with full cast and technical credits, plus songs and musical numbers, awards, release dates and other essential background information. *History of Henry, Earl of Moreland* Simon and Schuster

I.M. Farrar, Straus and Giroux

She puts salt in the pepper shaker and pepper in the salt shaker because then if she gets mixed up, she's right. She shortens the electric cords in the house to save electricity. That's the character Gracie Allen has played for years. And for all that time people have asked George Burns, "How do you stand it? Why do you put up with it?" And for twenty-eight years George has been answering, "I love her, that's why!" This story of the life George Burns has led, both B.G. and A.G.

(before and after Gracie), is genuinely funny and genuinely moving. Nobody knows more jokes than he—he's used only his best here; nobody knows so well how far down down can be, while very few have been at the top so long. He tells it all, and he tells it well (he admits unblushingly that he has the best collaborator in the business). And he has succeeded in making this love letter to Gracie a letter that will delight anyone lucky enough to read it.

About Love AuthorHouse

Bill Russell was not the
first African American to
play professional
basketball, but he was its
first black superstar. From

the moment he stepped
onto the court of the
Boston Garden in 1956,
Russell began to
transform the sport in a
fundamental way, making
him, more than any of his
contemporaries, the
Jackie Robinson of
basketball. In *King of the
Court*, Aram Goudsouzian
provides a vivid and
engrossing chronicle of
the life and career of this
brilliant champion and
courageous racial pioneer.
Russell's leaping, wide-
ranging defense altered
the game's texture. His
teams provided models of

racial integration in the 1950s and 1960s, and, in 1966, he became the first black coach of any major professional team sport. Yet, like no athlete before him, Russell challenged the politics of sport. Instead of displaying appreciative deference, he decried racist institutions, embraced his African roots, and challenged the nonviolent tenets of the civil rights movement. This beautifully written book—sophisticated, nuanced, and insightful—reveals a

singular individual who expressed the dreams of Martin Luther King Jr. while echoing the warnings of Malcolm X. *King of the Court* Quirk Books
