The Extraordinary Life of Stephen Hawking Penguin UK

An inspirational and vivid behind-the-scenes biography of the Gandhi family and the tumult of India's independence by Tara Gandhi Bhattacharjee, granddaughter of Mahatma Gandhi. Elie Wiesel, an Extraordinary Life and Legacy Penguin UK

*Includes pictures *Includes Gandhi's own quotes about his life and career *Includes footnotes and a bibliography for further reading "In judging myself I shall try to be as harsh as truth, as I want others also to be." - Gandhi "I am not pleading for India to practice nonviolence because it is weak. I want her to practice nonviolence being conscious of her strength and power." - Gandhi Mohandas Karamchand Gandhi, or Mahatma Gandhi as he is more popularly known, was called "Mahatma," or "Great Soul" not only because of his

extraordinary achievements as leader of the Indian independence movement, but also because of his beliefs, practices, and principles that demonstrated to the world the depths that one's soul could have. Widely considered the father of India, the preeminent leader of the Indian struggle against British imperialism, and one of the most influential minds of the 20th century, Gandhi emerged to become one of the greatest advocates of peace and nonviolent resistance that the world has known. By leading a life of austerity and integrity, Gandhi became one of those rare leaders who preached through his own practices, motivating millions of people - rich and poor, men and women, adults and children, Hindus, Muslims, and Christians - to follow his principles of freedom and peace. Gandhi saw with his own eyes the negative impact of British colonialism on the Indian economy, culture, and identity, as did millions of other Indians. What made Gandhi unique was the fact that he also saw the enormously negative impact the diversity of the Indian population had on the struggle for Indian independence; divisions were rife between Hindus, Muslims, and dozens of other faiths, and the population was divided into hundreds of different ethnic groups, each with its own traditions and culture, and each unwilling to unite with other groups for the common cause of a free India. The caste system in India, as a long-standing social stratification system that placed severe and often permanent social restrictions on individuals according to which social classes they were born into, also played a large role in dividing Indian society. Gandhi recognized that these divisions were what weakened India's chances to effectively oppose British imperialism

and establish independence. As nationalism and independence movements began forming and spreading in the mid and late 1800s, Gandhi was able to unite these various ethnic groups, religious groups, and social groups and lead a unified Indian independence movement. The impact that Gandhi made was lasting, and his legacy can still be seen today. Gandhi was not a theorist or scholar in the traditional sense, and never professed to be one; he prided himself on instead being a reformer and a true activist, for he famously stated that "I am not built for academic writings...Action is my domain." And yet, the action that Gandhi spoke of was not the violent and terror-invoking action that many other resistance movements took elsewhere in the world; Gandhi was guided by strict values, principles, and ideas of peace and nonviolence that remained remarkably enduring throughout his life. Mahatma Gandhi: The Life and Legacy of the Father of India chronicles the life and career of the man who shaped civil disobedience in the 20th century and led his country to independence. Along with pictures of important people, places, and events, you will learn about Gandhi like never before, in no time at all.

Grandfather Gandhi Penguin UK

Gandhi: The Years That Changed the World, 1914-1948 Moment Books

After this dream, perhaps I had better call it a dream, I was ill for a long while, for the joy and the glory of it overpowered me and brought me near to the death I had always sought. But I recovered, for my hour is not yet. Moreover, for a long while as we reckon time, some years indeed, I obeyed the injunction and sought the Great White Road no more. At length the longing grew too strong for me and I returned thither, but never again did the vision come. Its word was spoken, its mission was fulfilled. Yet from time to time I, a mortal, seem to stand upon the borders of that immortal Road and watch the newly dead who travel it towards the glorious Gates. Once or twice there have been among them people whom I have

known. As these pass me I appear to have the power of looking into their hearts, and there I read strange things. Sometimes they are beautiful things and sometimes ugly things. Thus I have learned that those I thought bad were really good in the main, for who can claim to be quite good? And on the other hand that those I believed to be as honest as the day—well, had their faults.

The Extraordinary Life of Rosa Parks

Frances Lincoln Children's Books

One little boy who loved the idea of flying became the first person to set foot on the moon. On 20 July 1969 Neil Armstrong made history, his 'giant leap for mankind'. Stephen Hawking was: A physicist A cosmologist An author One of the cleverest people who ever lived.

_____ While studying at Oxford University, Stephen Hawking was diagnosed with motor neurone disease, which meant that eventually he was completely paralysed, and could only talk via a computer. But that never held him back, and because of his work on time and space, he changed the way the world thinks about the universe.

Discover more about the life of a man who is known for his incredible contribution to science in this beautifully illustrated book.

Mahatma Gandhi Simon and Schuster Opening in July 1914, as Mohandas Gandhi leaves South Africa to return to India, Gandhi: The Years That Changed the World, 1914-1918 traces the

Mahatma's life over the three decades preceding his assassination. Drawing on new archival materials, acclaimed historian Ramachandra Guha follows Gandhi's struggle to deliver India from British rule, to forge harmonious relations between India's Hindus and Muslims, to end the pernicious practice of untouchability, and to nurture India's economic and moral self-reliance. He shows how in each of these campaigns, Gandhi adapted methods of nonviolence that successfully challenged British authority and would influence revolutionary movements throughout the world. A revelatory look at the complexity of Gandhi's thinking and motives, the book is a luminous portrait of not only the man himself, but also those closest to him—family, friends, and political and social leaders.

The Extraordinary Life of Stephen Hawking Penguin UK

Penguin Readers is an ELT graded reader series. Please note that the eBook edition does NOT include access to the audio edition and digital book. Written for learners of English as a foreign language, each title includes carefully adapted text, new illustrations and language learning exercises. Titles include popular classics, exciting contemporary fiction, and thought-provoking non-fiction, introducing language learners to bestselling authors and compelling content. The eight levels of Penguin Readers follow the Common European Framework of Reference for language learning (CEFR). Exercises at the back of each Reader help language learners to practise grammar, vocabulary, and key exam skills. Before, during and after-reading questions test readers' story comprehension and develop vocabulary. The Extraordinary Life of Anne Frank, a Level 2 Reader, is

A1+ in the CEFR framework. Sentences contain a maximum of two clauses, introducing the future tenses will and going to, present continuous for future meaning, and comparatives and superlatives. It is well supported by illustrations, which appear on most pages. Anne Frank and her family hid from the Nazis in the Second World War. Anne wrote a diary of that time, and later it became very famous. This is the story of Anne's short life. Visit the Penguin Readers website Register to access online resources including tests, worksheets and answer keys. Exclusively with the print edition, readers can unlock a digital book and audio edition (not available with the eBook).

Gandhi Univ of California Press
In 1946, Baloo Lal Panagariya, then twenty-five years old, arrived in Jaipur to join the editorial staff of the newspaper Lokvani, devoted to exposing the excesses of the British and princely rulers of Rajputana. Though unremarkable in itself, the story behind this event is one of the triumph of human spirit over adversity. Baloo Lal was born in a remote village in Rajasthan, in a family that could not scrape together two full meals a day. He lost his father at five and mother at fourteen. The village lacked even a primary school. Yet, thanks to the wisdom and sacrifice of his mother and his own perseverance, he completed his education, went on to serve with distinction as a civil servant in the newly formed state of Rajasthan and, after retirement, wrote the first definitive book on the history of the freedom movement in Rajasthan. In a very real sense, Baloo Lal's journey from the village of Suwana to the city of Jaipur was a long and arduous one, much more so than that of his own son, decades

later from Jaipur to Washington, DC. His success led to more milestones in the next generation, with two of his children being honoured with Padma awards and another with a presidential award. My Father: The Extraordinary Life of an Ordinary Man adds a new dimension to the history of India. It is a reminder that post-independence India was built not just by a handful of leaders working at the top but numerous ordinary citizens who shaped its many contours from below.

M.K. Gandhi, Attorney at Law Penguin UK
In 1969 history was made when the first humans stepped on the moon. Back on earth, one woman was running the numbers that ensured they got there and back in one piece. As a child, Katherine Johnson loved maths. She went on to be one of the most important people in the history of space travel. Discover her incredible life story in this beautifully illustrated book complete with narrative biography, timelines and facts.

The Extraordinary Life of Malala Yousafzai National Geographic Books
"This book shows how Gandhi's early life in the law played a critical role in the subsequent evolution of his philosophy and theory of nonviolent civil disobedience. The author traces Gandhi's maturation from a tongue-tied novice to a competent professional, from civil rights lawyer to freedom fighter, finally integrating his principles of morality and spirituality into his political life"--Provided by publisher.

Penguin Readers Level 2: The Extraordinary Life of Anne Frank (ELT Graded Reader) Penguin UK
Sonia Gandhi's story represents the greatest transformational journey made by any world leader in the last four decades. Circumstance and tragedy,

rather than ambition, paved her path to power. Born into a traditional, middle-class Italian family, Sonia met and fell in love with Rajiv Gandhi, son of future Indian prime minister Indira Gandhi and grandson of Jawaharlal Nehru, while studying English in Cambridge. Cruelly tested by the assassinations of her mother-in-law and of her husband, Sonia grew into a strong, authoritative but always private figure, now president of a coalition ruling over a billion people in the world's largest democracy. Through exclusive interviews with members of Sonia's party, political opponents and family friends, Rani Singh casts new light on Sonia. In the first mainstream biography of this inspirational figure, the author's compelling narrative retraces the path of the brave and beautiful Sonia Gandhi, examining what her life and legacy mean for India.

Gandhi Before India Penguin UK

A highly original, stirring book on

Mahatma Gandhi that deepens our sense of his achievements and disappointments—his success in seizing India's imagination and shaping its independence struggle as a mass movement, his recognition late in life that few of his followers paid more than lip service to his ambitious goals of social justice for the country's minorities, outcasts, and rural poor. Pulitzer Prize-winner Joseph Lelyveld shows in vivid, unmatched detail how Gandhi's sense of mission, social values, and philosophy of nonviolent resistance were shaped on another subcontinent—during two decades in South Africa—and then tested by an India that quickly learned to revere him as a Mahatma, or "Great Soul," while following him only a small part of the way to the social transformation he envisioned. The man himself emerges as one of history's most remarkable self-creations, a prosperous lawyer who became an ascetic in a loincloth wholly dedicated to political and social action. Lelyveld leads us step-by-step through the heroic—and tragic—last months of this selfless leader's long campaign when his nonviolent efforts culminated in the partition of India, the creation of Pakistan, and a bloodbath of ethnic cleansing that ended only with his own assassination. India and its politicians were ready to place Gandhi on a pedestal as "Father of the Nation" but were less inclined to embrace his teachings. Muslim support, crucial in his rise to leadership, soon waned, and the oppressed untouchables—for whom Gandhi spoke to Hindus as a whole—produced their own leaders. Here is a vital, brilliant reconsideration of Gandhi's extraordinary struggles on two continents, of his fierce but, finally, unfulfilled hopes, and of his ever-

evolving legacy, which more than six decades after his death still ensures his place as India's social conscience—and not just India's.

The Extraordinary Life of Alan

Turing Penguin UK

Celebration of the life, work and legacies of Nobel Prize winner Elie Wiesel through interviews, photographs, speeches, and his fiction.
