Master the precision and attention to detail needed for quilts—in sizes small, smaller, and smallest! In this book, author Donna Lynn Thomas teaches you the skills you need to create accurately pieced quilts in miniature.

Choosing fabrics (with emphasis on print size), cutting (with emphasis on accuracy), sewing (with techniques for how to sew small pieces and tiny half-square triangles), pressing, and finishing are all covered in depth. Build your confidence and skills at your own pace with easy-to-follow instructions and a progression of twelve main projects,

from easier to more challenging. Plus, each project comes in up to three sizes, so you can choose how small you want to go!
