SHELDON AUGUST

Penance (Devout Trilogy 3) Lesli Richardson
Determination Trilogy Box Set: Dignity, Diligence, Desire Dignity (Book 1) He wants it back... My name is Kevin Markos, former star anchor for Full News Broadcasting. I say former, because an exhaustion- and frustration-fueled emotional on-air meltdown of apocalyptic proportions means my previously dignified reputation and stellar career as a highly respected conservative TV news host and commentator lay in smoking, irreparable ruins. Only one person will hire me now, and it's the last person I want to work for—Democratic Senator ShaeLynn Samuels, who's determined to be the next president of the United States. My reluctance isn't because of her, but because of who's working for her—Special Agent Christopher Bruunt, the head of her Secret Service detail. A college spring break trip I thought was safely hidden in my past, even if it never strayed far from my thoughts, now comes back to haunt me. If I take this job and succeed, it could resurrect my career and put me at the right hand of the most powerful person in the United States. But how much am I personally willing to sacrifice to claw my way back to the top? Because Christopher never forgot that spring break, either. And he has a few agendas of his own. * * * * Diligence (Book 2) She wants it all... My name is ShaeLynn Samuels, and all my life I've settled for second place to my own mother, who is a political legend in our home state of Florida. So far, I've proven myself through several crucibles, and now I'm a US Senator. Many people would be happy with that accomplishment, but not me. Because I want more—I want it all. I'm determined to be POTUS. And if washed-up TV news host Kevin Markos is my best chance to get elected, then by god, I'll make him come work for me however I have to. Even if Markos doesn't want to, and even if it means I turn the head of my Secret Service detail loose on him. Because Special Agent Christopher Bruunt has a secret assignment beyond protecting me—he's warming my bed. And he has a few plans of his own for Kevin Markos. You see, Christopher and Kevin have a secret history...and Christopher has pictures. * * * * Desire (Book 3) He wants them. When I first met Kevin Markos, we were both drunk college students at Spring Break. It was a week I never expected, and a week I'd never forget. Especially since I took pictures. Unfortunately, life got in the way, careers got in the way...as did Kevin's miles-deep closet. I thought the only way I'd ever see Kevin again was on a TV screen. But now? He's desperate, broken, and broke. ShaeLynn Samuels is a unique woman with future plans I want to be a part of. And Kevin never left my heart or my thoughts. Now I have a chance to make both ShaeLynn's biggest dream come true—and mine. Kevin's coming along for the ride whether he wants to or not. Explore politics, passion, and power exchange in Dignity, Diligence, and Desire, the Determination Trilogy. This MMF contemporary political romance features older main characters, second-chance love, an Alpha

Secret Service agent, power exchange, pining, frenemies to lovers, a secret workplace romance at the highest levels of our nation's government, political intrigue, and a satisfying HEA. Contains all three full-length novels of the Determination Trilogy, a standalone spin-off trilogy set in the world of the Governor Trilogy, the Devastation Trilogy, and others.

Sacred (Devout Trilogy 1) Lesli Richardson
Addressing issues such as gender identity, abortion, technology, and poverty, Dr. Myers challenges readers to ask: How can an authentic Christian worldview provide a compassionate, effective witness in culture today? Dr. Myers first shows readers what they can learn from Christian history—and why today's issues might not be as new as they seem. Then he takes them through the significant topics that affect them every day, offering biblical ideas for conversing with others in an increasingly hostile culture. This capstone book to a groundbreaking worldview trilogy equips readers to apply a bold Christian witness to their relationships with loved ones, neighbors, and colleagues.

Transplant Tourism Algora Publishing
(Devastation Trilogy, book 2, mmf, political romance.) He doesn't know how to give in... I'm in way over my head. I'm waiting for someone to point a finger at me and call me an imposter. I don't belong here. Yet I can't think of anywhere I'd rather be. I don't know what the hell this is between us, but even while I hate it, I crave it, like a damn drug. I need it. I need them. And I'll do whatever it takes to stay here, even if it means giving up who I am. (The Devastation Trilogy is a standalone spin-off set in the world of the Governor Trilogy.)

Desire (Determination Trilogy 3) David C Cook
Daughter of the Forest is a testimony to an incredible author's talent, a first novel and the beginning of a trilogy like no other: a mixture of history and fantasy, myth and magic, legend and love. Lord Colum of Sevenwaters is blessed with six sons: Liam, a natural leader; Diarmid, with his passion for adventure; twins Cormack and Conor, each with a different calling; rebellious Finbar, grown old before his time by his gift of the Sight; and the young, compassionate Padriac. But it is Sorcha, the seventh child and only daughter, who alone is destined to defend her family and protect her land from the Britons and the clan known as Northwoods. For her father has been bewitched, and her brothers bound by a spell that only Sorcha can lift. To reclaim the lives of her brothers, Sorcha leaves the only safe place she has ever known, and embarks on a journey filled with pain, loss, and terror. When she is kidnapped by enemy forces and taken to a foreign land, it seems that there will be no way for her to break the spell that condemns all that she loves. But magic knows no boundaries, and Sorcha will have to choose between the life she has always known and a love that comes only once. Juliet Marillier is a rare talent, a writer who can imbue her characters and her story with such warmth, such heart, that no reader can come away from her work untouched. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The Great Turning: Into the Turn Routledge

Everyone loves a transformation story. Rags to riches. Plain to beautiful. Weak to strong. Esther's story is that, but it is much more. It is a thought-provoking study of God's invisible hand writing silently and unseen across the pages of human history. Perhaps most of all, Esther's story is the account of godly attributes like courage, dignity, wisdom, and strength?attributes that blocked an evil plot, overthrew an arrogant killer, and replaced terror with joy in thousands of Jewish homes. Author Chuck Swindoll interweaves the ancient, real-life story with insight not only into the virtues of Queen Esther, but also into how the qualities that formed and empowered her can be ours. Esther is the second volume of Charles Swindoll's best-selling series, which examines great lives from God's Word and reveals the strengths and weaknesses that make God's men and women both great . . . and human. Many of the most beloved biblical heroes were ordinary folks. Shepherds. Fishermen. Servants. Widows. Even harlots and petty thieves. One by one, they changed the course of history. Swindoll explains that these men and women did not become great in their own strength but were empowered by God when they surrendered their lives to Him. To live such a life that God considers great is within the reach of everyone who submits to Him.

My Big Bk. of Values 1 Lesli Richardson

[Devout Trilogy book 2, MMM, political romance, past loves reunited, secret workplace romance, pining] My husband Liam's a hot, hunky Master, and a US Senator. What's not to love? I mean, besides his hot and hunky ex, Ward. Who's also Liam's hall-pass f*ck exception, because I never thought it'd be redeemed. I feel kind of sorry for the guy. Because my husband has several truckloads of pain to offload on that man. And so do I. Meaning I have a front-row seat to the festivities. Beep-beep, motherf*cker.

Indiscretion (Inequitable Trilogy 1) Lesli Richardson

The New York Times bestselling author of *The Origins of Political Order* offers a provocative examination of modern identity politics: its origins, its effects, and what it means for domestic and international affairs of state In 2014, Francis Fukuyama wrote that American institutions were in decay, as the state was progressively captured by powerful interest groups. Two years later, his predictions were borne out by the rise to power of a series of political outsiders whose economic nationalism and authoritarian tendencies threatened to destabilize the entire international order. These populist nationalists seek direct charismatic connection to "the people," who are usually defined in narrow identity terms that offer an irresistible call to an in-group and exclude large parts of the population as a whole. Demand for recognition of one's identity is a master concept that unifies much of what is going on in world politics today. The universal recognition on which liberal democracy is based has been increasingly challenged by narrower forms of recognition based on nation, religion, sect, race, ethnicity, or gender, which have resulted in anti-immigrant populism, the upsurge of politicized Islam, the fractious "identity liberalism" of college campuses, and the emergence of white nationalism. Populist nationalism, said to be rooted in economic motivation, actually springs from the demand for recognition and therefore cannot simply be satisfied by economic means. The demand for identity cannot be transcended; we must begin to shape identity in a way that supports rather than undermines democracy. Identity is an urgent and necessary book—a sharp warning that unless we forge a universal understanding of human dignity, we will doom ourselves to continuing conflict.

The Catholic Ethicist in the Local Church (CTEWC Series) Ratna Sagar

Presenting an analysis of higher education in eight countries in

the Arab Middle East and North Africa, *Degrees of Dignity* works to dismantle narratives of crisis and assert approaches to institutional reform. Drawing on policy documents, media narratives, interviews, and personal experiences, Elizabeth Buckner explores how apolitical external reform models become contested and modified by local actors in ways that are simultaneously complicated, surprising, and even inspiring. *Degrees of Dignity* documents how the global discourses of neoliberalism have legitimized specific policy models for higher education reform in the Arab world, including quality assurance, privatization, and internationalization. Through a multi-level and comparative analysis, this book examines how policy models are implemented, with often complex results, in countries throughout the region. Ultimately, *Degrees of Dignity* calls on the field of higher education development to rethink current approaches to higher education reform: rather than viewing the Arab world as a site for intervention, it argues that the Arab world can act as a source for insight on resilient higher education systems.

Dignity in Care for Older People Thomas Nelson

Now own all five books of the entire Governor Trilogy series in one omnibus edition! Book 1: Governor - He kneels for only one man. Book 2: Lieutenant - She never comes in second. The Upside Down Tree Lesli Richardson

Love crashes into the small beach town of Willow Cove in this newest collection of swoon worthy small-town love stories. *Forbidden Lover* A family tragedy brought Ella Moretti home. Seven years later, with her dreams still on hold, living with her grandfather and working in the family restaurant, she is stuck. Until, a handsome stranger on the bus makes her dare to dream again. Unfortunately, his last name makes him completely off limits. Neither wanting to betray their family, they start a secret love affair, but when the past resurfaces and old feuds refuse to stay buried, Ella and Lucas have to decide if their forbidden love is worth the consequences. *Forbidden Lover* is the first in a steamy and exciting series set in the beachy town of Willow Cove. *Small Town Girl*: Falling in love was never the problem. At the request of her boss, Aubrey Allyn heads to Willow Cove, a small-town she knows too well. She plans to get in and get out as soon as possible, but when the man she needs to meet with turns out to be her ex, and the love of her life, she needs to figure out how to get him to agree to a feature in her magazine without losing her heart in the process. After a life filled with ups and downs, Marco Moretti doesn't surprise easily, until Aubrey shows up on his doorstep, practically begging him to agree to let her magazine feature his custom-made furniture. Knowing all that can come of working with Aubrey is heartache and despair, Marco declines. Unfortunately, Aubrey never could take no as an answer. As Aubrey tries to convince Marco to jump on the opportunity, their past keeps getting in the way. In order for either to move forward they will need to stop running and finally face the demons of their past or risk losing each other forever. Set in the coastal small town of Willow Cove, *Small Town Girl* is a second chance romance filled with hot chemistry, family drama and a love story that has spanned a decade.

Casebook on Human Dignity and Human Rights UNESCO

(Devastation Trilogy, book 3, mmf, political romance.) She doesn't know how to give up... Off-limits. Boss. Married. But now... There's a jungle of pain to carve through first, though, and I don't know if I'm strong enough. All I know is I'm willing to try, if they are. I suspect if we can make it through to the other side that we'll be unstoppable. It's the journey that's a bitch, though. So buckle up, buttercup. It's going to be a wild ride. (The Devastation Trilogy is a standalone spin-off set in the world of the Governor Trilogy.)

Reports of Cases at Common Law and in Chancery Argued and Determined in the Supreme Court of the State of Illinois ... By S. Breese [and Others]. Lesli Richardson

At a time when the global development industry is under more pressure than ever before, this book argues that an end to poverty can only be achieved by prioritizing human dignity. Unable to adequately account for the roles of culture, context, and local institutions, today's outsider-led development interventions continue to leave a trail of unintended consequences, ranging from wasteful to even harmful. This book shows that increased prosperity can only be achieved when people are valued as self-governing agents. Social orders that recognize autonomy and human dignity unleash enormous productive energy. This in turn leads to the mobilization of knowledge-sharing that is critical to innovation and localized problem-solving. Offering a wide range of interdisciplinary perspectives and specific examples from the field showing these ideas in action, this book provides NGOs, multilateral institutions, and donor countries with practical guidelines for implementing "dignity-first" development. Compelling and engaging, with a wide range of recommendations for reforming development practice and supporting liberal democracy, this book will be an essential read for students and practitioners of international development.

Determination Trilogy Box Set: Dignity, Diligence, Desire John Wiley & Sons

Fear shouldn't feel this good. Jordan Walsh never imagined he'd find himself in a strange, secret, sexy tug-of-war between Vice President Elliot Woodley and Leo Cruz, President Samuels' body man. Every ounce of common sense in Jordan's head tells him to run—not walk—fast and far from both men. The problem is, they've tangled Jordan so deeply in their web he's not sure he wants to leave. Unfortunately, there are those who'd stoop to anything to twist Elliot to their will. And the last thing standing between Elliot and complete destruction...is Jordan. (Inequitable Trilogy book 2. MMM, power exchange dynamics, political romance saga, secret workplace romance, close proximity, frenemies to lovers, May/Dec, Secret Service agent, wounded veteran, smol and tall, pining, HEA) [A stand-alone trilogy set in the world of the Governor Trilogy.]

Dirge (Devastation Trilogy 1) Lesli Richardson

"India's future will be determined not only by economic development, but also by a dynamic traditional culture that continues to develop along its own lines -- sometimes in concert, and sometimes in conflict with material enrichment. India develops not, as one writer has suggested, "in spite of the gods." Rather, the seed for the creation and the fuel for the sustenance of India's economic boom lay in its traditions, and, I will argue, the animating spirit of its future lies there as well. I have neither the expertise nor the access to operate as a political correspondent, nor the desire to posture as a political pundit. During eighteen years of research, however, I have seen what I perceived as a pervasive misrepresentation of recent developments in Indian politics. More specifically, a number of recent books consistently paint the Hindu right wing in India as essentially fascist or theocratic. My observations show that these

claims are untenable and misrepresent a positive development in the history of Indian democracy. To think clearly about the changes in today's India we require a new model: the bi-directional banyan tree, a symbol borrowed, ironically, from ancient Sanskrit verses. Pindar claimed, "Custom is King of all," and this serves as a succinct expression of the central thesis of this book."--Publisher's website.

Governor Trilogy Omnibus Lesli Richardson

(Book 2 of the Determination Trilogy) She wants it all... My name is ShaeLynn Samuels, and all my life I've settled for second place to my own mother, who is a political legend in our home state of Florida. So far, I've proven myself through several crucibles, and now I'm a US Senator. Many people would be happy with that accomplishment, but not me. Because I want more—I want it all. Diligence (Determination Trilogy 2) Orbis Books

[Devout Trilogy book 3, MMM, political romance, secret workplace romance, old loves reunited, pining] My life has been a series of bad mistakes I've let my father make for me—my degree, my career, and my sham marriage. I walked away from the only person who ever brought love and happiness into my life. Liam married a great guy, while I'm living a bunch of lies. When I walked into that Senate chamber and saw Liam, it all came back. Everything. My promise to Him. I never broke it—I'm still His, and always have been. Daniel warns me if I break his husband's heart again that I'll find out exactly how bad things can get. What's the worst that can happen? I'm just desperate enough to want to find out.

Innocent (Inequitable Trilogy 2) Macmillan

The sign above the door of Elliot's Fineries on Bond Street states: Where you can find your heart's desire. Patrick Latham scoffs at that notion. He let go of those dreams five years ago when the woman he loved betrayed him. But when he meets the shop owner's niece, Victoria Elliot, he wonders if his heart's desire is indeed inside that very shop. Though Victoria is a "shopgirl" and certainly not a member of the ton, she is the most beguilingly beautiful and spirited young woman Patrick has ever met. He is determined to get to know the auburn-haired, silver-eyed beauty, even if it means buying every damn pair of riding gloves at Elliot's Fineries! Victoria went from sheltered vicar's daughter to shopgirl in the blink of an eye. When she meets Patrick, she is immediately drawn to his darkly handsome looks and his charming appeal. But life for a shopgirl can be unfair, even cruel, and when a great danger lurks just around the corner from Elliot's Fineries, can she trust Patrick to keep her safe? Patrick keeps a truth from Victoria—that he's the son of a powerful earl as well as a baron in his own right. Will his lie put Victoria at greater risk? And if so, how will he be able to save her?

Governor (Governor Trilogy 1) TMP Books Inc

MEET THE GOVERNOR—He kneels for only one man. I kneel for

only one man—Carter Wilson, my best friend, chief of staff, and bastard extraordinaire. It's a price I willingly pay to be owned by Her. His wife. Who is also, as of when we were sworn in this morning, my lieutenant governor. I am Owen Taylor, governor of the great state of Florida. Book 1 of the Governor Trilogy, and the book that kicks off the entire "world" that this and other trilogies are set in. This MMF contemporary political romance features friends to lovers, GFY, a secret workplace romance with high political stakes, power exchange, wounded heroes, a cinnamon roll hero, an Alpha hero who will kill to protect his loved ones, and a guaranteed HEA.

Chief (Governor Trilogy 3) Lesli Richardson

MEET THE LIEUTENANT—She never comes in second. I never come in second—that's just how my daddy raised me. Except now, I find myself willingly choosing exactly that—being second. Publicly, I might seem to serve at the governor's pleasure, but that's nothing close to the truth. He serves me at mine. Especially the pleasure part. We both serve my husband, Carter. Or, as Owen dubbed him long ago, the bastard extraordinaire. I

never knew what I was really getting into when I met Owen and Carter. Maybe it's better I didn't. Maybe I would've run away if I had. Boy, how I love him. Both of them. Somehow, they make being second okay. And in eight years? It'll be my turn. I am Susa Evans, lieutenant governor of the great state of Florida. Book 2 of the Governor Trilogy. This MMF contemporary political romance features friends to lovers, GFY, a secret workplace romance with high political stakes, power exchange, wounded heroes, a cinnamon roll hero, an Alpha hero who will kill to protect his loved ones, and a guaranteed HEA.

Governor Trilogy Box Set Lesli Richardson

Family first. You can't save everyone. These words are hammered home to a select few, warned by Dale Dixon to get out and get to safety. Even as most of the world remains blissfully unaware of what's coming. The world will keep on turning, even after the impact, but humanity faces a great turning of its own. A new future where only some will survive, and few will thrive. In *The Great Turning*, we saw what life was like a hundred years after *The Turn*. Now find out what it was like going into it.
