A Distinguished Provincial at Paris is the second volume of Honore de Balzac's Lost Illusions trilogy. In it, Balzac masterfully revisits one of his most commonly called-upon themes: the harsh realization that someone who is distinguished and revered in their small hometown may be an invisible nonentity amidst the hustle and bustle of the big city.

Lost illusions Graphic Arts Books
Illusions perdues -- in English, Lost Illusions -- is a serial novel written by the French writer Honoré de Balzac between 1837 and 1843. It consists of three parts, starting in provincial France, thereafter moving to Paris, and finally returning to the provinces. Thus it resembles another of Balzac's greatest novels, *La Rabouilleuse* (The Black Sheep, 1842), in that it is set partly in Paris and partly in the provinces. It is, however, unique

among the novels and short stories of *La Comédie humaine* (The Human Comedy, 1799-1850) by virtue of the even-handedness with which it treats both geographical dimensions of French social life.

Extrait: ... her own great regret, for she loved Lucien.' 'Is it possible!' exclaimed Mme. Sechard. 'Your brother is like a young eagle, blinded by the first rays of glory and luxury. When an eagle falls, who can tell how far he may sink before he drops to the bottom of some precipice? The fall of a great man is always proportionately great.' Eve came away with a great dread in her heart; those last words pierced her like an arrow. She had been wounded to the quick. She said not a word to anybody, but again and again a tear rolled down her cheeks, and fell upon the child at her breast. So hard is it to give up illusions sanctioned by family feeling, illusions that have grown with our growth, that Eve had doubted Eugene de Rastignac. She would rather hear a true friend's account of her brother. Lucien had given them d'Arthez's address in the days when he was full of enthusiasm for the brotherhood; she wrote a pathetic letter

to d'Arthez, and received the following reply: --D'Arthez. to Mme. Sechard. 'Madame, --You ask me to tell you the truth about the life that your brother is leading in Paris; you are anxious for enlightenment as to his prospects; and to encourage a frank answer on my part, you repeat certain things that M. de Rastignac has told you, asking me if they are true. With regard to the purely personal matter, madame, M. de Rastignac's confidences must be corrected in Lucien's favour. Your brother wrote a criticism of my book, and brought it to me in remorse, telling me that he could not bring himself to publish it, although disobedience to the orders of his party might endanger one who was very dear to him. Alas! madame, a man of letters must needs comprehend all passions, since.

Lost Illusions (1837-1843) is a novel by French author Honoré de Balzac. Written as part of his *La Comédie humaine* sequence, *Lost Illusions* looks at scenes of Parisian and provincial life involving

friendship, desire, and literary ambition. Inspired by his own experiences as a journalist and publisher, Balzac sought to tell a story adjacent to his own, a story concerning a young man for whom talent is abundant but recognition is woefully scarce. The novel's protagonist, Lucien Chardon, features in Balzac's work *A Harlot High and Low*, as does the villain Vautrin, who appears toward the end of *Lost Illusions* and throughout *Father Goriot*, one of author's most popular and enduring works. The son of a middle-class father and aristocratic mother, Lucien Chardon is a promising young poet. He lives in Angoulême with his now-impoverished mother—who is also a widow—and his sister Ève. In the province, he spends his days with his loyal friend David Séchard, who encourages his literary lifestyle while studying to be a scientist. David's eventual marriage to Ève only brings the two friends closer together, but when Lucien meets the wealthy and influential Mme. de Bargeton, with whom he flees to Paris, their friendship is lost to Lucien's unstoppable ambition. In the city, abandoned by Mme. de Bargeton and living under his mother's maiden name, Lucien de Rubempré sacrifices morality, friendship, and family at the altar of poetry, slowly becoming another person altogether. *Lost Illusions* is one of Balzac's most sustained character studies, a novel which critiques humanity and high society as much as it does his own commercial interests as a professional writer. With a beautifully designed cover and professionally typeset manuscript, this edition of Honoré de Balzac's *Lost Illusions* is a classic of French literature reimagined for modern readers.

The longest, without exception, of Balzac's books, and one which contains

hardly any passage that is not very nearly of his best, *Illusions Perdues* suffers, I think, a little in point of composition from the mixture of the Angouleme scenes of its first and third parts with the purely Parisian interest of *Un Grand Homme de Province*. It is hardly possible to exaggerate the gain in distinctness and lucidity of arrangement derived from putting *Les Deux Poetes* and *Eve et David* (a much better title than that which has been preferred in the *Edition Definitive*) together in one volume, and reserving the greatness and decadence of *Lucien de Rubempre* for another.

Lost Illusions CreateSpace

Excerpt from *Lost Illusions: Illusions Perdues* and *Gaudissart II* The longest, without exception, of Balzac's books, and one which contains hardly any passage that is not very nearly of his best, "*Illusions Perdues*," suffers, I think, a little in point of composition from the

mixture of the Angouleme scenes of its first and third parts with the purely Parisian interest of "Un Grand Homme de Province." It is hardly possible to exaggerate the gain in distinctness and lucidity of arrangement derived from putting "Les Deux Poetes" and "Eve et David" (a much better title than that which has been preferred in the "Edition Definitive") together in one volume, and reserving the greatness and decadence of Lucien de Rubempre for another. It is distinctly awkward that this should be divided, as it is itself an enormous episode, a sort of Herodotean parenthesis, rather than an integral part or the story. And, as a matter of fact, it joins on much more to the "Splendeurs et Miseres des Courtesanes" than to its actual companions. In fact, it is an instance of the somewhat haphazard and arbitrary way in which the actual division of the "Comedie" has worked, that it should, dealing as it does wholly and solely with Parisian life, be put in the "Scenes de la Vie de Province," and should be separated from its natural conclusion not merely as a matter of volumes, but as a matter of divisions. In making the arrangement, however, it is necessary to remember Balzac's own scheme, especially as the connection of the three parts in other ways is too close to permit the wrenching of them asunder altogether and finally.
