I Am Number Four: The Lost Files: Five's Legacy HarperCollins Jamie Carpenter's father is dead, his mother is missing, and he was just rescued by an enormous creature named Frankenstein. Now Jamie is pulled into a secret organization responsible for policing the supernatural, founded more than a century ago by Abraham Van Helsing. . . . Department Nineteen takes us through history, across Europe, and beyond - from the cobbled streets of Victorian London to prohibition-era New York, from the icy wastes of Arctic Russia to the treacherous mountains of Transylvania. Part modern thriller, part classic horror, it's packed with mystery, mayhem, and a level of suspense that makes a Darren Shan novel look like a romantic comedy.

The Power of Six Harper Collins

This sequel to Pittacus Lore's Generation One is the second book in an epic new series set in the world of the #1 New York Times bestselling I Am Number Four series. Newcomers as well as fans of the original series will devour this fast-paced, action-packed sci-fi adventure that's perfect for fans of Marvel's X-Men, Alexandra Bracken's Darkest Minds trilogy, and Tahereh Mafi's Shatter Me series. The Human Garde Academy was created in the aftermath of an alien invasion of Earth. It was meant to provide a safe haven for teens across the globe who were suddenly developing incredible powers known as Legacies. Taylor Cook was one of the newest students and had no idea if she'd ever fit in. But when she was mysteriously abducted, her friends broke every rule in the book to save her. In the process, they uncovered a secret organization that was not only behind Taylor's kidnapping but also the disappearance of numerous teens with abilities. An organization that has dark roots in the Loric's past, untold resources, and potentially even a mole at their own school. Now these friends, who have become known to other students as the "Fugitive Six," must work together to bring this mysterious group to an end before they can hurt anyone else.

A Publishers Weekly Best Book of the Year *A Barnes & Noble Best YA Book of the Year* Frey, Ovie, Juniper, and Runa are the Boneless Mercies—girls hired to kill quickly, quietly, and mercifully. But Frey is weary of the death trade and, having been raised on the heroic sagas of her people, dreams of a bigger life. When she hears of an unstoppable monster ravaging a nearby town, Frey decides this is the Mercies' one chance out. The fame and fortune of bringing down such a beast would ensure a new future for all the Mercies. In fact, her actions may change the story arc of women everywhere. Full of fierce girls, bloodlust, tenuous alliances, and unapologetic quests for glory, this elegantly spun tale challenges the power of storytelling—and who gets to be the storyteller. Perfect for fans of Maggie Stiefvater, V.E. Schwab, and Heidi Heilig.

The Fate of Ten Penguin

One man's mind is remade by genetic engineering, putting him at the center of a plot to transform humanity itself, in this mind-bending thriller from the New York Times bestselling author of Dark Matter and Recursion When the SWAT team gives the all-clear and Logan Ramsay steps into the basement, he has no idea that everything's about to change. Then there's the hiss of aerosol. The explosion. The shrapnel that punctures his hazmat gear. Logan wakes up to find himself in a hospital bed, attended by doctors in their own hazmat suits, his wife and daughter looking on from behind the glass. The doctors say he's been infected by a virus—one designed not to make him sick, but to modify his very genetic structure. In a world where the next-generation gene-editing tool known as Scythe is widely available—and has already reaped disastrous consequences—the possibilities are too many and terrifying to count. Except that after the fever, the pain, the fear...the virus is gone. And according to his government bosses, Logan's got a clean bill of health. But the truth is that with each day that passes, Logan's getting smarter. Seeing things more clearly. He's realizing that he's been upgraded in ways that go beyond even Scythe's capabilities—and that he's been given these abilities for a reason. Because a holy grail of genetic engineering—one that could change our very definitions of humanity—has just been unearthed. And now it's up to him to stop it from falling into the wrong hands. But what if his enemies have been upgraded too?

6 Starred Reviews and a New York Public Library Best Book of 2017! New York Times bestselling author Jodi Lynn Anderson's epic tale—told through three unforgettable points of view—is a masterful exploration of how love, determination, and hope can change a person's fate. 2065: Adri has been handpicked to live on Mars. But weeks before launch, she discovers the journal of a girl who lived in her house more than a hundred years ago and is immediately drawn into the mystery surrounding her fate. 1934: Amid the fear and uncertainty of the Dust Bowl, Catherine's family's situation is growing dire. She must find the courage to sacrifice everything she loves in order to save the one person she loves most. 1919: In the recovery following World War I, Lenore tries to come to terms with her grief for her brother, a fallen British soldier, and plans to sail from England to America. But can she make it that far? While their stories span thousands of miles and multiple generations, Lenore, Catherine, and Adri's fates are entwined in ways both heartbreaking and hopeful. In Jodi Lynn Anderson's signature haunting, lyrical prose, human connections spark spellbindingly to life, and a bright light shines on the small but crucial moments that determine one's fate. "Deft, succinct, and ringing with emotion without ever dipping into sentimentality, Anderson's novel is both intriguing and deeply satisfying."—Kirkus (starred review) "Each character's resilience and independence shines brightly, creating a thread that ties them together even before the intersections of their lives are fully revealed. Anderson's piercing prose ensures that these remarkable women will leave a lasting mark on readers."—Publishers Weekly (starred review) "With quietly evocative writing, compellingly drawn characters, and captivating secrets to unearth, this thought-provoking, lyrical novel explores the importance of pinning down the past before launching into the mystery of the future."—Booklist (starred review) "Anderson ...allows her characters to shine through, with each distinct, nuanced, and memorable."—BCCB (starred review) "Anderson deftly tackles love, friendship, and grief in this touching exploration of resilience and hope. A must-have for all YA collections."—School Library Journal (starred review) "In Midnight at the Electric, Jodi Lynn Anderson weaves a shining tale of hope in the face of adversity. " —Shelf Awareness (starred review)

The first six novels in the New York Times bestselling Lorien Legacies series are included in this collection: I Am Number Four: The book that started it all . . . Nine of us came here. We look like you. We talk like you. We live among you. But we are not you. We can do things you dream of doing. We have powers you dream of having. We are stronger and faster than anything you have ever seen. Our plan was to grow, and train, and become strong, and

become one, and fight them. But they found us and started hunting us first. I am next. The Power of Six: I've seen him on the news. Followed the stories about what happened in Ohio. There are six of us left. We're hiding, blending in, avoiding contact with one another . . . but our Legacies are developing, and soon we'll be equipped to fight. Is John Number Four, and is his appearance the sign I've been waiting for? And what about Number Five and Six? I am Number Seven. One of six still alive. And I'm ready to fight. The Rise of Nine: In order to save our world and their own, John and Nine must join forces with Six and Seven who have been battling the Mogadorians in Spain, and who are now trying to locate Number Eight in India. The Fall of Five: When the Garde receive a sign from Number Five—a crop circle in the shape of a Lorien symbol—they know they are close to being reunited. But could it be a trap? Time is running out, and the only thing they know for certain is that they have to get to Five before it's too late. The Revenge of Seven: The Garde have suffered an unbearable loss. Number Five has betrayed them. Eight is gone forever. Ella has been kidnapped. The others are now scattered. The Garde are broken and divided once again, but they will not be defeated. As long as one still stands, the battle for Earth's survival is not lost. The Fate of Ten: The sixth and penultimate book in the series! For years the Garde have fought the Mogadorians in secret. Now all of that has changed. The invasion has begun. The Garde are stretched thin, fighting this war on many fronts. The only chance they have is to take out the Mogadorian leader once and for all—but his fate is now irrevocably tied with Ella's. They can't destroy one without the other. But if the Garde can't find another way to stop the Mogs, humanity will suffer the same fate as the Loric: annihilation.

Royal Rebel (Alfheim Academy: Book Three) Penguin UK
 Aura Nilssen has spent most of her sixteen years in hiding. As crown princess of Alfheim, her life depends on avoiding the assassins who killed her parents and want to destroy her realm. When hunters corner Aura on Midgard (Earth), she's immediately evacuated and enrolled at Alfheim Academy—a training ground where telepathic teenagers, daily combat lessons, and communication from beyond is the norm. She attends classes that enhance her energetic abilities, labs that fine tune her mental acuity, and workouts with a supernaturally good looking—and suspiciously evasive—training partner. But it's what she learns outside the classroom that proves most difficult: as Queen of Alfheim, Aura's grandmother played a heartbreaking role in the death of Aura's parents . . . and her iron fisted monarchy is pushing the realm to the brink of extinction. If Aura doesn't take her grandmother's crown, the home she's only just begun to love

may be lost forever. When an unprecedented attack threatens the very heart of Alfheim, Aura has to decide what she's willing to sacrifice to protect her new home. Her choice may mean the difference between survival and annihilation—not only for Aura, but for the world she's always been destined to rule.

I Am Number Four: The Lost Files: Six's Legacy

HarperCollins

Aura Nilssen's life hasn't gone at all according to plan. She's the unwitting heir to a tainted throne, the recipient of not one but two unwanted legacies, and she's on the hit list of every dark realm in the cosmos. But with weeks to go before her graduation from Alfheim Academy and official coronation as Queen, the reluctant royal thinks she can finally take a breath. She should have known better. When her allies' borders are breached, Aura knows it's only a matter of time before Alfheim is attacked. And when dark powers move against her home, Aura and her friends set out to determine exactly who might be strong enough to overpower the light realms. With more than just Alfheim's future on the line, Aura must decide how much she's willing to sacrifice for the home she's grown to love . . . and the warrior who's claimed her heart.
