SANCHEZ AGUILAR

'Behind' the Text: History and Biblical Interpretation Crossway

The Bible reveals glorious things. And yet we often miss its power because we read it the same way we read any other book. In *Reading the Bible Supernaturally*, best-selling author John Piper teaches us how to read the Bible in light of its divine author. In doing so, he highlights the Bible's unique ability to reveal God to humanity in a way that informs our minds, transforms our hearts, and ignites our love. With insights into the biblical text drawn from decades of experience studying, preaching, and teaching Scripture, Piper helps us experience the transformative power of God's Word—a power that extends beyond the mere words on the page. Ultimately, Piper shows us that in the seemingly ordinary act of reading the Bible, something supernatural happens: we encounter the living God.

Renewing Biblical Interpretation Brepols Publishers

In this revised edition of his classic, R. C. Sproul helps us dig out the meaning of Scripture for ourselves. He presents a commonsense approach to studying Scripture and gives eleven practical guidelines for biblical interpretation and applying what we learn. He lays the groundwork by discussing why we should study the Bible and how our own personal study relates to interpretation.

Treasure the Word Wipf and Stock Publishers

For the pastor or serious layperson, the realm of biblical interpretation can be a confusing maze of personalities, communities, methods, and theories. This maze can often result in obscuring the main goal of interpreting Scripture: hearing and knowing God better. The *Dictionary for Theological Interpretation of the Bible* is a groundbreaking reference tool that introduces readers to key names, theories, and concepts in the field of biblical interpretation. It discusses these approaches and evaluates their helpfulness in enabling Christians to hear what God is saying to the church through Scripture. The contributors come from a variety of backgrounds, and the dictionary covers a broad range of topics with both clarity and depth.

"Fundamentalism" and the Word of God Wesleyan Theological Perspecti

The rise of modernity, especially the European Enlightenment and its aftermath, has negatively impacted the way we understand the nature and interpretation of Christian Scripture. In this introduction to biblical interpretation, Craig Carter evaluates the problems of post-Enlightenment hermeneutics and offers an alternative approach: exegesis in harmony with the Great Tradition. Carter argues for the validity of patristic christological exegesis, showing that we must recover the Nicene theological tradition as the context for contemporary exegesis, and seeks to root both the nature and interpretation of Scripture firmly in trinitarian orthodoxy.

Models for Interpretation of Scripture Zondervan Academic

Renewing Biblical Interpretation is the first of eight volumes from the Scripture and Hermeneutics Seminar. This annual gathering of Christian scholars from various disciplines was established in 1998 and aims to re-assess the discipline of biblical studies from the foundation up and forge creative new ways for re-opening the Bible in our cultures. Including a retrospective on the consultation by Walter Brueggemann, the contributors to *Renewing Biblical Interpretation* consider three elements in approaching the Bible—the historical, the literary and the theological—and the underlying philosophical issues that shape the way we think about literature and history.

Collected Essays of N. T. Wright Set Baker Academic

"Fundamentalism" is just a twentieth-century name for historic Evangelicalism, says Packer. In this constructive restatement of evangelical principles, he shows what Fundamentalism is and goes on to discuss the basic question dividing Fundamentalists and their critics--the authority of Scripture. The second in the series organized around common FAQs, 40 Questions about Interpreting the Bible tackles the major questions that students, pastors and professors ask about the hermeneutics of reading the bible (i.e. understanding the bible).

Interpreting Scripture Kregel Academic

According to Dr. Michael Kyomya, misconceptions about what the Bible actually says can breed confusion and false ideas about God and the Christian life. Therefore, it is critically important that you know how to interpret Scripture carefully. Dr. Michael Kyomya explains what interpretation is, why it is important, how to do it, and the pitfalls to avoid. He illustrates his points with examples from his own experience and from sermons he has heard in Africa. Dr. Kyomya makes it clear that interpretation is not just something for scholars, but also is useful when preparing a sermon or a Sunday school lesson, as well as in your own personal study of the Bible. The writing is simple and clear, and the illustrations are both amusing and informative. Full of ways to enrich personal study of the Bible, this guide will equip you with the knowledge and instruction you need.

[Introduction to Biblical Interpretation](#) Wm. B. Eerdmans Publishing

Top-notch biblical scholars from around the world and from various Christian traditions offer a fulsome yet readable introduction to the Bible and its interpretation. The book concisely introduces the Old and New Testaments and related topics and examines a wide variety of historical and contemporary interpretive approaches, including African, African-American, Asian, and Latino streams. Contributors include N. T. Wright, M. Daniel Carroll R., Stephen Fowl, Joel Green, Michael Holmes, Edith Humphrey, Christopher Rowland, and K. K. Yeo, among others. Questions for reflection and discussion, an annotated bibliography, and a glossary are included.

Originally featured as articles in the ESV Study Bible, these eighteen essays have been repurposed and republished in a convenient format. Covering a diverse range of essential subjects, including how to read the Bible well and why it is reliable, the essays delve into specific topics such as world religions, canon, and archaeology. Useful as both a general overview of the Bible and as a tool for more specific reference and training, readers of this book will grow in their understanding of Scripture and their ability to apply the Bible to their lives. Pastors, lay leaders, students, and other Christians engaged in studying God's Word will benefit from this collection, written by notable contributors, including J. I. Packer, John Piper, David Powlison, and Vern Poythress.

Grasping God's Word A&C Black

For many people, interpreting the Bible is the art of making it say what they want. Even scholars often treat interpretation as a subjective exercise, not the search for true, objective meaning of texts. But hasn't God spoken definitively in Scripture? Shouldn't we be able to arrive at a good and true interpretation?

Biblical Hermeneutics Baker Academic

Over 100,000 Copies Sold Worldwide! ECPA Bronze Sales Award Bookwisi.se's Favorite Books of the Year What was clear to the original readers of Scripture is not always clear to us. Because of the cultural distance between the biblical world and our contemporary setting, we often bring modern Western biases to the text. For example: When Western readers hear Paul exhorting women to "dress modestly," we automatically think in terms of sexual modesty. But most women in that culture would never wear racy clothing. The context suggests that Paul is likely more concerned about economic modesty—that Christian women not flaunt their wealth through expensive clothes, braided hair and gold jewelry. Some readers might assume that Moses married "below himself" because his wife was a dark-skinned Cushite. Actually, Hebrews were the slave race, not the Cushites, who were highly respected. Aaron and Miriam probably thought Moses was being presumptuous by marrying "above himself." Western individualism leads us to assume that Mary and Joseph traveled alone to Bethlehem. What went without saying was that they were likely accompanied by a large entourage of extended family. Biblical scholars Brandon O'Brien and Randy Richards shed light on the ways that Western readers often misunderstand the cultural dynamics of the Bible. They identify nine key areas where modern Westerners have significantly different assumptions about what might be going on in a text. Drawing on their own crosscultural experience in global mission, O'Brien and Richards show how better self-awareness and understanding of cultural differences in language, time and social mores allow us to see the Bible in fresh and unexpected ways. Getting beyond our own cultural assumptions is increasingly important for being Christians in our interconnected and globalized world. Learn to read Scripture as a member of the global body of Christ.

Draws together the most important articles on Scripture and hermeneutics by distinguished scholar and author N. T. Wright. *Interpreting Scripture* brings together into one volume Wright's self-selected, key lectures, papers, and reflections on topics of scriptural interpretation, including: The Lord's Prayer as a Paradigm of Christian Prayer Christian Origins and the Question of God Faith, Virtue, Justification, and the Journey to Freedom Revelation and Christian Hope: Political Implications of the Revelation to John Apocalyptic and the Sudden Fulfilment of Divine Promise ...and many more. *Interpreting Scripture* displays Wright's engaging prose, his courage to go

where few have gone, and his joy to bridge the work of the academy and the church. Here is a rich feast for any serious student of the Bible, especially of the New Testament. Detailed, incisive, and exquisitely nuanced exegesis, this collection will reward you with a clearer, deeper, and more informed appreciation of Scripture and its application to Christian life and thought today. Many of the included studies have never been published or were made available only in hard-to-find larger volumes and journals.

Interpreting Scripture with the Great Tradition P & R Publishing

An authoritative guide to accurately interpreting and applying God's Word In this second edition of *Invitation to Biblical Interpretation*, Andreas Kostenberger leads the reader step-by-step through the process of interpreting and applying God's Word. The primary principle is the hermeneutical triad, which consists of history, literature, and theology. Readers are equipped to explore the historical background of a biblical passage, analyze its literary genre and features, and derive its theological meaning in light of the biblical canon. Numerous examples are provided throughout to illustrate the concepts. A concluding chapter provides direction on practical application, preaching, and helpful tools for Bible study. Additional features include key words and definitions at the end of each chapter, study questions, and practical exercises for applying the material. An appendix lists numerous resources for Bible study, including recommended commentaries for every book of the Bible. The second edition updates these resources, as well as the sources cited throughout, and

includes a revised chapter on the Old Testament canon. Instructors, students, pastors, and anyone who desires to interpret Scripture accurately will find this volume to be an indispensable addition to their library.

Let the Reader Understand Baker Academic

Theological interpretation of Scripture is a growing trend in biblical interpretation, with an emphasis on the contexts of canon, creed, and church. This approach seeks to bridge the gap between biblical studies and theology, which grew wide with the ascendancy of critical approaches to Scripture. *Introducing Theological Interpretation of Scripture* is the first clear, systematic introduction to this movement for students. The book surveys the movement's history, themes, advocates, and positions and seeks to bring coherence to its various elements. Author Daniel Treier also explores what he sees as the greatest challenges the movement will have to address as it moves into the future. This helpful book is appropriate for pastors and lay readers interested in biblical interpretation.

Interpreting Scripture with the Great Tradition Baker Books

Parish Clergy Award It's an exciting time to be reading the Bible. As we increasingly encounter readers with perspectives, experiences, and cultures different from our own, we can incorporate new ideas and approaches to interpreting Scripture. When diverse interpretations from various social locations are gathered together, we gain new vistas and a fuller image of the text. In *Reading the Bible Around the World*, a crosscultural team of scholars describes and workshops

global readings in biblical interpretation, focusing on passages in both the Old and New Testaments. By presenting a range of readings from different regions and people groups, with particular attention to marginalized groups, the authors demonstrate the importance of contextually sensitive approaches. They help us build up key values for reading Scripture in the twenty-first century: self-awareness, other-awareness, and true dialogue. Who we are shapes how we read. Guided by these expert teachers, readers will gain a deeper understanding of the influence of their own social location and how to keep growing in biblical wisdom by reading alongside the global Christian community.

Scripture and Its Interpretation Baker Books

This book addresses a topic of vital concern to the church: How does the ancient biblical text speak to us today? Michael Graves, an expert in ancient exegesis, describes how Old Testament texts interpret earlier Old Testament traditions, explores New Testament reception, and explains how insights from this process translate into present-day biblical interpretation. Graves clearly explains and illustrates this approach with fulsome discussions of five themes that are addressed in various ways in the Bible: personal responsibility; sacrificial offerings; insiders and outsiders; marriage, polygamy, and divorce; and the afterlife. By attending to the way these topics are addressed throughout the entire biblical witness, we become better interpreters and teachers who are more adept at discerning the Bible's teaching on these topics and others for our modern world.
